COVER DESIGN:

By Christine Lomer, Junior  
at Weymouth South High  
School, Class of 1986.

Christine was the winner of  
the Annual Town Report  
Cover Contest. Entrants  
included Art students from  
both North and South High  
Schools.

ABOUT THE COVER

Ms. Lomer's inspiration for design of the Cover was based on the history of Weymouth as a "Shoe Town". Picturing the various departments of the Town within the shoe, signifies the unity of Town government.

## THE TOWN OF WEYMOUTH

January 1985

### 1984 ANNUAL TOWN REPORT

#### TO THE CITIZENS OF WEYMOUTH:

Nineteen hundred and eighty-four was a year of change. There was a change in the Board of Selectmen when Francis "Frank" Murphy defeated incumbent Barbara Leary Scannell in May. Following the election, I was afforded the distinct honor of becoming the first woman chairman of the Weymouth Board of Selectmen in the 350 year history of the Town of Weymouth. At the same time, Richard E. Ramponi was elected Vice Chairman and Clerk.

A new Senator, Building Inspector, Town Counsel and Executive Secretary were added to our list of changes in 1984. Allan R. McKinnon, State Senator for fourteen years decided not to seek re-election and was replaced by Senator William Golden. One change necessitated by the findings of a sub-committee consisting of Selectmen Murphy and Walsh, who investigated the Building Department for several months, was in the form of a new Building Inspector (copy of this final report to follow this report). The Board of Selectmen, after interviewing several candidates, selected Jeffrey Coates as the new building inspector for the Town of Weymouth. Mr. Coates was a local building inspector from the Town of Brookline and replaced William Archibald.

Around the same time period, Francis L. Kelly, Town Counsel for fourteen years, informed the Board that he would be retiring at the end of December. Several weeks after this announcement, Daniel Bailey, who served as Assistant Town Counsel on many occasions, under Francis Kelly, was appointed to the post of Town Counsel.

Karen Peterson, the Town's Affirmative Action Officer, was appointed to replace Susan DeChristoforo, upon her resignation, as the Executive Secretary to the Board of Selectmen.

The change in the Board appeared to also change certain priorities. Contracts with Police, Fire and Town Hall Employee Unions that had been stalled for several months were finally negotiated, when the negotiating team was changed from a two man sub-committee to the entire Board of Selectmen. Three contracts were subsequently funded at the December 10, 1984 Special Town Meeting by an overwhelming margin.

Another change in priorities occurred when "Buttonhole Sessions" of the Board of Selectmen were established. The primary purpose of these sessions is to facilitate communication between the general public and the Selectmen. The "Buttonhole Sessions" are held once per month from 10:00 AM to 12:00 noon on Saturday mornings. No formal votes are taken, but the public has the opportunity to make the Selectmen aware of problems and concerns in an informal atmosphere.

Although 1984 was basically a year of change, other priorities and committees remained unchanged. Work has continued on renovation of the Town Hall with emphasis on providing handicapped accessible entrances to the building as well as combining the offices of the Town Hall Annex with the existing Town Hall Offices.

The Board of Selectmen still retain custodial care of Central and Bicknell Junior High Schools as well as the McCulloch Elementary School. The Washington and John Adams Schools were sold for reuse as general offices and a day care center.

The New Options Committee, formed to study methods of increasing revenue sources and attracting new business and industry to the Town, was responsible for recommending the addition of an Economic Development Coordinator, who has since been added to the Planning Department staff. The major accomplishment of this Committee however, was the addition of approximately 1.8 million dollars to the general fund as a result of an idea submitted by Paul Modestino, a member of the Committee, to request that the general public prepay their tax bills.

The Harbor Study Committee under the direction of Selectmen Richard Ramponi and the Town Administrator Study Committee, Chaired by Selectmen Ramponi and Oteri are continuing their work at this time. The Town Administrator Study Committee is expected to have their report ready for the Annual Town Meeting.

Several new Committees of the Board were formed in 1984 including the Human Services Committee, the Handicapped Commission, the Libbey Park Committee, the Tax Classification Study Committee and the Dog Leash Law Committee.

The Board has continued to take a tough "no nonsense" stand with liquor violations and violations involving illegal dumping within Town limits.

Finally the Board continues to approve the Federal Community Block Grants in conjunction with the Planning Board for disbursement to worthy programs.

In conclusion, I would like to express my sincere appreciation to all Town Boards and Committees who have worked closely with the Selectmen this year, specifically, Town Accountant, Allan Masison, Town Clerk, Franklin Fryer, Town Treasurer, James Mitchell, and Tax Collector, Walter Heffernan for their valuable assistance and expertise. Special thanks are extended to Karen Peterson, Vi Wilkie, Doris Doyle and the new Affirmative Action Officer Gary Garcia. Without their constant help, patience and consideration, the Board of Selectmen could not function on a day to day basis.

Respectfully submitted,

Peg Goudy, Chairman  
Weymouth Board of Selectmen

THE TOWN OF WEYMOUTH  
BOARD OF SELECTMEN

DATE: November 15, 1984

TO: Franklin Fryer, Town Clerk

FROM: Richard Ramponi, Clerk, Board of Selectmen

SUBJECT: BUILDING INVESTIGATION SUB-COMMITTEE REPORT

Enclosed, for filing, please find original copy of report concerning Investigation of the Building Inspection Department conducted by the Board of Selectmen under provisions of Mass. General Laws Chapter 41, Section 23B.

The Report was accepted by the Board of Selectmen at a special meeting held on November 14, 1984.

Sincerely,

  
RICHARD E. RAMPONI  
Clerk

OFFICE OF TOWN CLERK  
WEYMOUTH, MASS.

## BUILDING INVESTIGATION

### SUB-COMMITTEE REPORT

On February 21, 1984 at a regularly scheduled Selectmen's meeting, it was voted to engage the services of Attorney O'Leary to conduct an Investigation of the Building Department for Internal Problems/Political Interference as authorized by General Laws, Chapter 41, Section 23B.

On June 11, 1984 at a regularly scheduled Selectmen's meeting, it was voted to dismiss Attorney O'Leary and have the Chairman of the Board of Selectmen form a sub-committee consisting of two members of the Board to conduct the investigation of the Building Department. On July 5, 1984 Chairman Peg Goudy appointed Selectmen Francis Murphy and Richard Walsh as a sub-committee of two to conduct an investigation of the Building Department for Internal Problems/Political Interference.

This Report describes the manner in which the sub-committee conducted it's investigation, it's findings and recommendations.

Prior to starting the investigation, it was agreed by the sub-committee to conduct the investigation in the following manner:

1. Interview all members of the Board of Selectmen first, if possible.
2. Interview all Building Department personnel.
3. Interview Town personnel that had close contact with Building Department personnel, i.e., Safety Team.
4. Interview others as applicable.
5. All interviews would be recorded, kept confidential and the tapes would be kept by a sub-committee member.
6. Upon completion of the investigation all of the tapes would be destroyed provided no further action was required.
7. It was further agreed that during the interviewing process that the two issues (Internal Problems and Political Interference) would be addressed seperately.

The following is a list of people interviewed:

1. Peg Goudy - Chairman, Board of Selectmen
2. Richard Ramponi - Clerk, Board of Selectmen
3. James Oteri - Selectman
4. Barbara Scannell - Former Selectman
5. Richard Walsh - Selectman
6. William Archibald - Building Inspector
7. Leo Tully - Building Department
8. Margaret Kahler - Building Department
9. Florence McDonald - Building Department
10. Sheila Andrews - Wiring Department
11. Edward Jensen - Wiring Inspector
12. Bud Jones - Plumbing Inspector
13. Paul Piepiora - Former Assistant Building Inspector
14. Donald Turpel - Fire Department
15. Vincent Freitas - Director of Public Health

#### INTERNAL PROBLEMS

As it was previously mentioned, the Investigation was separated into two parts; 1.) Internal Problems, 2.) Political Interference. This section will deal with the internal problems with the Building Department.

During the interviews that were conducted the following issues were raised:

1. Staffing/Work Load
2. Administration
3. Interdepartmental conflicts

#### STAFFING/WORK LOAD

It became apparent after a number of interviews with the Building Department personnel that tensions between various people within the department became increasingly strained with the advent of Proposition 2½ and the subsequent 40% personnel reduction due

to layoffs. Since Proposition 2½, there has been a significant increase in the work load of the Department (as illustrated by increased revenues) which added to the increased pressures on personnel within the Department. In addition to this, an issue concerning the Zoning Appeals Board was raised. Presently the preliminary draft of the Zoning Appeals Board are typed at home by a Building Department Clerk and she is compensated for her time. Then the final version of the minutes is typed by another Building Department Clerk on Town time. Not only is this confusing and takes away from the Building Department work but it has created an issue of payment problems adding to the tensions within the department.

#### ADMINISTRATION

Allegations were made by the employees concerning the verbal and sometimes physical abuse they received from the Building Inspector. It was alleged that there was poor communications concerning what was required and when there was some communication, the Building Inspector was sarcastic and extremely abrupt. In addition to this, office procedures were changed or interrupted which created confusion. The Building Inspector, however believes that some of the employees are not doing their job and undermining the confidentiality of the department. According to the Building Inspector, this has been going on for years.

There were a number of incidents which received considerable publicity.

1. Grievances/Complaints filed by the clerical personnel in the Building Department (2 were filed).
2. Allegations by an Inspector concerning Assault and Battery and verbal abuse.

This report will attempt to address these issues.

There was a complaint filed by the clerical personnel in November 1981 concerning the verbal abuse they had been receiving from the Building Inspector. The result of a hearing on this complaint made by the Board of Selectmen was that the Building

Inspector was in fact using abusive language and was instructed to refrain from this behavior in the future. (Since that time to the time of this investigation there was no report of abusive language according to all those interviewed). On February 2, 1984, a grievance was filed by the clerical personnel restating the previous complaint of 1981 and charging the Building Inspector violated their contract in August 1983 concerning denial of a personal and compensatory time requests for Zoning Appeals Board business. This grievance was withdrawn after a meeting was held with the clerical personnel, a union representative and Mr. Archibald. The sub-committee, however, believes that although some of the alleged charges may have been justified, that if they were not resolved and required a hearing before the Selectmen that some of the issues would have been dismissed due to lapse in time between the occurrence of the incident and the filing of the grievance.

In reviewing the incident between the Building Inspector and the Inspector reporting to him, the sub-committee concluded the following:

1. No criminal charges were actually issued, and charges were withdrawn from court.
2. There was a heated exchange of words between the Building Inspector and the Local Inspector.
3. The sub-committee believes that there was no physical assault involved.

Although there is some justification for the allegations for each side, the main issue centers around proper supervision. If all of the allegations of the employees were true, then the administrator would be totally at fault. However, if the employees have not been doing their jobs properly, then the Building Inspector should have taken action to correct the employees poor performance which he did not.

It was acknowledged by the Building Inspector that he considered the human relations part of his job as a minor part of his duties.

### INTERDEPARTMENTAL CONFLICT

Discussions with various members of the Safety Inspection Team indicated strained relationships between them and the Building Inspector.

Various members of the Safety Team felt that other members were infringing on their functions and were either not doing what they should or were overstepping their function.

There were a number of incidences which created hostile feeling and caused relations to become strained. In addition to this, there was a complete breakdown of communications and reluctance to work together.

### POLITICAL INTERFERENCE

The second issue of political interference was discussed with all the people previously mentioned.

Although there was some allegations made by two of the people interviewed, the sub-committee could not substantiate any political interference. There were no facts to conclude there was political interference toward the Building Inspector which could have inhibited him from performing his duties.

### OUTSIDE INTERFERENCE

The sub-committee did not conclude there was any political interference. However, there were a number of incidences which occurred by individuals that the committee believes could have impeded the Building Inspector from performing his duties at times. However, the committee also concluded that since the position itself necessitates interaction with all types of personalities, it is incumbent upon the person in charge to effectively deal with these personalities.

## CONCLUSIONS/RECOMMENDATIONS

1. The Building Inspector is extremely knowledgeable about the State Building Code. He appears to be well organized but is inflexible. He performs well on the technical level but lacks interpersonal skills.
2. Four options/alternatives were discussed:
  - a) Add additional staff and reappoint the Building Inspector.
  - b) Have the Building Inspector take management courses.
  - c) Demote the Building Inspector to another position, i.e., Deputy Building Inspector.
  - d) Do not reappoint the present Building Inspector.

It was agreed that items a and b were not acceptable because (a. adding additon staff) and (b. having the Building Inspector take management courses) would not correct the problem due to his inflexibility and lack of interpersonal skills. Item C, making him Deputy Building Inspector would be acceptable; however, the Town Counsel has advised us that the Board does not have any authority over anyone within the Building Department except the Building Inspector.

It is at this juncture that the sub-committee is somewhat split. It is agreed that Mr. Archibald is not well suited for the position of Building Inspector and therefore the committee recommends that he not be reappointed and that the position be advertised.

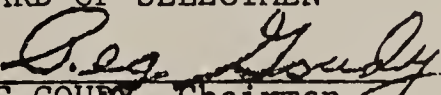

Mr. Walsh further recommends that the appointment of the next Building Inspector be conditioned upon hiring Mr. Archibald as the Deputy Inspector. Mr. Walsh believes that this would be a more suitable position for him due to his knowledge of the building code.

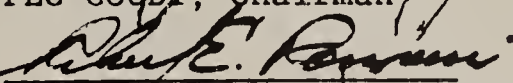

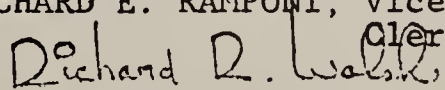

Mr. Murphy however, recommends that the next Building Inspector should interview the present Deputy Inspector, Mr. Archibald and others. This would give all present personnel in the Building Department and other qualified applicants the opportunity to apply for the Deputy Inspector's position. In addition to this, it would allow the next

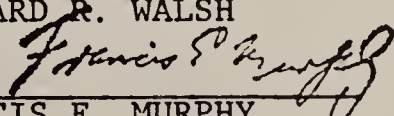

Building Inspector the discretion of hiring the best person for the position, (Deputy Building Inspector).

3. There is a concern by the sub-committee that since 2½ instead of increasing personnel as recommended by previous studies, that personnel has been decreased and has caused additional unnecessary stress. Therefore, the sub-committee believes a separate study should be made of the work load and staffing requirements of the department to determine the adequate staffing levels and appropriate organization.
4. The committee recommends that all Zoning Appeals Board functions be divorced from the Building Department due to the added work load and added conflict.

Respectfully,  
TOWN OF WEYMOUTH  
BOARD OF SELECTMEN

  
PEG GOULET, Chairman

  
RICHARD E. RAMPONI, Vice Chairman &  
Clerk  

RICHARD R. WALSH  
  
FRANCIS E. MURPHY

# ANNUAL TOWN MEETING

## COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss:

To the Town Meeting Members of the Town of Weymouth in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby notified to meet in the Daniel L. O'Donnell Auditorium of the North High School, 1051 Commercial St., East Weymouth on

**Monday, the Seventh Day of May, 1984**

at seven o'clock and thirty minutes in the evening, then and there to act upon the following articles (a copy of which is enclosed) and in case all the articles in the warrant shall not have been acted upon at the meeting called for the seventh day of May, 1984, to meet in adjourned session in the aforesaid Daniel L. O'Donnell Auditorium of the North High School at seven o'clock and thirty minutes in the evening of each successive evening thereafter, unless other times may be then and there voted.

Given under my hand at Weymouth, the twenty-seventh day of March in the year of our Lord nineteen hundred and eighty-four.

*Town Clerk of Weymouth*

**Dear Town Meeting Members:**

Once again we bring the same message. Weymouth does not have sufficient funds to meet all its needs as perceived and requested by the various Town departments. Because of this we have attempted to balance our resources and allocate them as equitably as we could.

The budget we are presenting in this warrant represents the efforts of the Committee over many months of meetings and is balanced in the sense of available resources and Town services provided. We therefore are asking your support for our recommendations as presented, and once again reiterate that it is not possible to grant any department additional funds without taking it from some other department. Weymouth is a town of many services, not just a collection of autonomous units, the Town should work for all its residents, not just for a group or groups.

If we bring a sense of unity to Town Meeting we are sure that once again a proper allocation of funds will occur.

The message in essence is the same as last year and we believe it will be the same next year.

**Your Appropriation Committee**

**Addendum:**

At the time this warrant went to the printer, Union negotiations had not been completed. The budgets that would be impacted, do not therefore, reflect any salary increases other than normal step increases or recommended reclassifications.

## EXHIBIT A

### Fiscal Year 1985 Tax Rate Estimate

Total Appropriated	*\$44,922,574
Cherry Sheet Offsets	63,642
County Assessments	434,009

\$25,441,728 ÷ \$1,049,822,485	\$24.23

\*Does not include negotiations not completed or reclassifications.

# **WARRANT FOR THE ANNUAL TOWN MEETING**

**MONDAY, THE SEVENTH DAY OF MAY, 1984  
COMMONWEALTH OF MASSACHUSETTS  
TOWN OF WEYMOUTH**

**NORFOLK, ss:**

**To any of the Constables of the Town of Weymouth in said County  
GREETINGS:**

**In the name of the Commonwealth of Massachusetts, you are hereby  
required to notify and warn the inhabitants of Weymouth aforesaid  
qualified to vote in Town affairs to meet in the Daniel L. O'Donnell  
Auditorium of Weymouth North High School, 1051 Commercial  
Street, East Weymouth on**

**MONDAY, THE SEVENTH DAY OF MAY, 1984**

**and seven o'clock and thirty minutes in the evening, then and there to  
act upon the following articles, namely:**

**ARTICLE 1: BUDGET (By Direction of the Board of Select-  
men - at the Request of the Appropriation Committee). To see what  
sums of money the Town will vote to raise by taxation, transfer from  
available funds and/or borrow and appropriate for the salaries, oper-  
ation and expenses during the fiscal year 1985 of each of the Town  
Departments and activities, and to determine in each case how and  
under whose direction the money should be expended; to fix such  
salaries as required to be fixed by the Town Meeting; or take any  
other action in relation thereto.**

**RECOMMENDED: To provide for all expenses of maintenance and  
operation of each of the Town's several departments and activities  
for the fiscal year, the several sums hereinafter set forth are hereby  
appropriated for the several purposes and subject to the conditions  
specified, and all such sums to be raised by taxation in the levy of the  
current year, unless other sources of revenue is expressed.**

---------------------	-------------------	-------------------	--------------------

\*This includes only negotiated salary increases that were completed before 4/9/84, and does not include any reclassifications or upgradings.

ARTICLE 2: (By Request of the Personnel Board): To see if the Town will vote to amend the Code of the Town of Weymouth, Chapter 32 PERSONNEL POLICIES, by accepting changes in the administration and classification pay plan and further, to see what sum of money the Town will vote to raise by taxation, transfer from available funds, and/or borrow, and appropriate for the purpose of implementing any such changes in said PERSONNEL POLICIES; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting - See Appendix A**

*The Personnel Board has not completed action on all reclassifications to be considered by this Town Meeting. Appendix A describes only those that the Personnel Board has completed. At the time of the printing of this Warrant we had not had meetings on these reclassifications.*

ARTICLE 3: (By Direction of the Board of Selectmen): To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1984 in accordance with the provisions of the General Laws Chapter 44, Section 4 and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

ARTICLE 4: (By Direction of the Board of Selectmen): To take any action the Town may desire upon the reports of the several Boards and Committees and to change or appoint any committee that the Town deems proper.

**RECOMMENDED: Favorable Action**

*The Committee appointed under Article 36, May 3, 1983 Annual Town Meeting will make its report and recommendations under this Article.*

ARTICLE 5: (By Petition and by Direction of the Board of Selectmen): To see if the Town will vote to accept the reports of the Selectmen laying out as a Town way the following designated private way and/or part of way, to wit:

**ROYDEN ROAD**

and will authorize the Board of Selectmen to acquire by gift or purchase, or take by right of eminent domain in fee or otherwise, for all purposes of a public street and highway in and over of said street as laid out and accepted; and to see what sum of money the Town will

vote to raise and appropriate for the working of this street, including the acquisition of the fee or any interests referred to above, and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith; and to see whether the Town will authorize the Board of Selectmen to accept deeds or any reservation strips existing in connection with this street; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action, No Funding Necessary - See Appendix B**

ARTICLE 6: (By Direction of the Board of Selectmen): To see what sum of money the Town will vote to raise by taxation, transfer from available funds, and/or borrow, and appropriate for the purpose of making alterations, renovations or repairs to Town Hall; said funds to be expended under the direction of the Board of Selectmen; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

*The work on this article had not been completed at the time this Warrant went to the printer. The magnitude of the dollars to be requested under this Article may be around \$800,000. This is, at this time an estimate based upon previous data.*

ARTICLE 7: (By Direction of the Board of Selectmen - at the Request of the School Reuse Committee): To see if the Town will vote to authorize the Board of Selectmen to sell the Washington School and the land shown on the Town Atlas as Lot 1 of Block 312 on Sheet 23, on which said school is situated; said sale to be exempt from the provisions of Section 41-9 of the Code of the Town of Weymouth; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

ARTICLE 8: (By Direction of the Board of Selectmen - at the Request of the School Reuse Committee): To see if the Town will vote to sell the Bicknell Junior High School and the land shown on the Town Atlas as Lot 1 of Block 84 on Sheet 7, the provisions of Section 41-9 of the Code of the Town of Weymouth; or take any other action in relation thereto.

**RECOMMENDED: No Action**

ARTICLE 9: (By Direction of the Board of Selectmen - at the Request of the School Reuse Committee): To see if the Town will

vote to sell the John Adams School and the land shown on the Town Atlas as Lot 10, of Block 174 on Sheet 13, on which said school is situated; said sale to be exempt from the provisions of Section 41-9 of the Code of the Town of Weymouth; or take any other action in relation thereto.

**RECOMMENDED: No Action**

ARTICLE 10: (By Direction of the Board of Selectmen): To see if the Town will vote to withdraw from the Norfolk County Dog Fund and further authorize the Board of Selectmen to file the necessary withdrawal from the County Dog Fund with the Norfolk County Commissioners and further authorize the Selectmen to petition the legislature for a Special Act in substantially the form on file with the Town Clerk, notwithstanding all the provisions of the Mass. General Laws, Chapter 140.

**RECOMMENDED: Favorable Action**

ARTICLE 11: (By Direction of the Board of Selectmen - at the Request of the Harbormaster): To see whether the Town will vote to amend Article III of the Code of the Town of Weymouth, which is entitled "Harbor, Boating and Mooring Regulations" by adding the following new sub-section to Section 118-10-G thereof; or take any other action in relation thereto.

3. Mooring fees shall be established by vote of a town meeting and remain in force until the fee is changed by vote of a town meeting. The fee so voted shall be based upon consideration of the costs to the town of providing marine recreation and waterway safety programs and services, including but not limited to, the Harbormaster's Department salaries and expenses, the services provided by other municipal employees, officials and departments, and reasonably anticipated future expenses.

The mooring fee, until changed by town meeting, is hereby established at \$2.00 per foot; the fee shall be uniform for both residents and non-residents.

**RECOMMENDED: Favorable Action**

ARTICLE 12: (By Request of the Town Accountant): To see what sum of money the Town will vote to raise and appropriate by taxation or transfer from available funds for the purpose of funding Unpaid Bills (Account 900-5781); or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

*This is a standard housekeeping Article and the numbers to recommend are not completely available at this time. The bills under this Article at this time amount to \$959.80.*

ARTICLE 13: (By Request of the Town Accountant): To see what sum of money the Town will vote from Fund Balance Reserved for Unforeseen or Extraordinary Expenses (Overlay Surplus) for the purpose of funding unforeseen or extraordinary expenses for fiscal 1984; or to take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

*Same comment as Article 12.*

ARTICLE 14: (By Request of the Town Accountant): To see if the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate the sum of \$40,000.00, or any other sum, for the purpose of obtaining a professional audit of the books of account as of June 30, 1984, such audit shall meet the requirements set forth by Federal Revenue Sharing regulations, such audit may commence prior to the end of the 1984 fiscal year, such sum of money shall be expended under the direction of the Board of Selectmen and the selection of auditors shall be performed by the Board of Selectmen; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$40,000.00 (Revenue Sharing Funds)**

ARTICLE 15: (By Request of the Town Accountant): To see if the Town will vote to raise by taxation or transfer from available funds the sum of \$75,000.00 or any other sum, and appropriate for the purpose of funding the account previously established for a Salary Accrual Account under Article 40 of the May 4, 1981 Annual Town Meeting; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$75,000 (Tax Levy)**

ARTICLE 16: (By Request of the Planning Board): To see whether or not the Town will vote to authorize the Board of Selectmen to grant easements to the owners of properties abutting Libby Industrial Parkway, said easements to be for the purposes of providing such abutters with access and egress to their property, and to use said Libby Industrial Parkway for such purposes as streets are customarily used in the Town of Weymouth, and also to permit the installation and maintenance of utilities without expense to the Town; provided in all cases, that the granting of such easements are upon such conditions as the Planning Board may recommend to the Board of Selectmen; or to take any other action in relation thereto.

**RECOMMENDED: Favorable Action - See Appendix C**

ARTICLE 17: (By Request of the Planning Board): To see if the Town will vote to amend Chapter 110-7 of the Code of Weymouth entitled Street Acceptances - Deadline for Submission by substituting "January 1" for "August 1" or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

ARTICLE 18: (By Request of the Committee to Study Compensation of Part-time Boards and Committees): To see if the Town will vote to impose Rules and Regulations regarding payment of Health Insurance for part-time elected officials; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

*Meetings have not been completed on this Article.*

ARTICLE 19: (By Request of the Board of Public Works): To see what sum of money the Town will vote to transfer from available funds and/or sewer revenue for the construction of Particular Sewers; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$73,000.00 (from Fund Balance - Common Sewer)**

ARTICLE 20: (By Request of the Board of Public Works): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for the installation of water mains of not less than six inches in diameter and all necessary appurtenances relating thereto; or take any other action in relation thereto.

**RECOMMENDED: No Action**

ARTICLE 21: (By Request of the Board of Public Works): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for improvements to water system, and that the Board of Public Works be authorized to apply for, accept and expend any State and/or Federal aid which may be available for this project; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$1,200,000 (Bond Issue) be appropriated for remodeling, reconstruction or making extraordinary repairs to the water treatment plant and filter beds; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$1,200,000 under Chapter 44 of the General Laws; and that the Selectmen are authorized to contract for any available federal or state aid which shall be expended on this project.**

ARTICLE 22: (By Request of the Board of Public Works): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for the construction of seawalls in the Saunders Street area and other shore areas, for repair, grouting and maintenance of seawall footings and stone groins, for work to be done by private contract under the direction of the Board of Public Works and/or the State Department of Public Works; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action, No Funding Necessary**

ARTICLE 23: (By Request of the Board of Public Works): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for Dutch Elm Disease Control; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$2,500.00 (Tax Levy)**

ARTICLE 24: (By Request of the Board of Public Works): To see if the Town will vote to amend Chapter 110 Article VII of the Town of Weymouth By-Laws by adding a new paragraph, as follows:

“All persons engaged in the removal of snow shall, under no circumstances, cause said snow to be deposited on or across any Public Way or sidewalk. The penalty for violation of this by-law shall be twenty-five dollars (\$25.00) for each offense.”

**RECOMMENDED: Favorable Action**

ARTICLE 25: (By Request of the Board of Public Works): To see if the Town will vote to amend Article VI, Chapter 100 of the Code of the Town of Weymouth by adding a new paragraph, as follows:

“No person shall place leaves, or cause leaves to be placed by raking, onto any Public Way. Leaves are to be bagged for collection in accordance with the Rules and Regulations promulgated by the Department of Public Works. The penalty for violation of this by-law shall be twenty-five dollars (\$25.00) for each offense.

**RECOMMENDED: Favorable Action**

ARTICLE 26: (By Request of the Board of Public Works): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate, to be added to funds authorized under Article 7 of the Special Town Meeting

October 29, 1979, to be expended in conjunction with the Town of Braintree, for the completion of the design of the Weymouth Landing Urban Systems Project and any other related expenses; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$12,500 (Chapter 90 Funds).**

ARTICLE 27: (By Request of the Board of Assessors): To see if the Town will vote to raise by taxation or transfer from Fund Balance Reserved for Unforeseen or Extraordinary Expenses (Overlay Surplus) or other available funds the sum of One hundred and fifty thousand dollars or any other sum, and appropriate for the purpose of purchasing a software package and the installation of a computerized "Real Estate and Personal Property Tax System"; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

*The Assessors have not yet completed their recommendations at the time of the printing of this Article.*

ARTICLE 28: (By Request of the Board of Assessors): To see what sum of money the Town will vote to raise by taxation or transfer from available funds and appropriate for the purpose of purchasing terminals or other related computer equipment and associated costs in conjunction with the purchase and installation of a computerized "Real Estate and Personal Property Tax System"; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

*Same comment as Article 27*

ARTICLE 29: (By Request of the Board of Assessors): To see if the Town will vote to petition the Great and General Court of the Commonwealth to enact the following special legislation; or take any other action in relation thereto.

**"AN ACT AUTHORIZING THE TOWN OF WEYMOUTH TO PAY A CERTAIN SUM OF MONEY TO PHYLLIS BROPHY, JOAN MARINELLA AND CATHERINE LANE."**

Be enacted, etc., as follows:

Section 1:

Notwithstanding any provision of law to the contrary, the Town of Weymouth is hereby authorized to appropriate money for the payment of, and, after, such appropriation, the Treasurer of said Town is hereby authorized to pay to

Phyllis Brophy, Principal Clerk, the sum of one hundred twenty-two dollars and twenty-two cents; to pay Joan Marinella, Senior Clerk, the sum of one hundred thirteen dollars and seventy-five cents; to pay Catherine Lane, Senior Clerk, the sum of one hundred thirteen dollars and seventy-five cents; for services performed in 1983 fiscal year in the Assessors Office in said Town.

Section 2:

This act shall take effect upon its passage.

**RECOMMENDED: Favorable Action**

ARTICLE 30: (By Request of the Park Commission): To see if the Town will vote to transfer the jurisdiction of Town of Weymouth land, shown on the Town of Weymouth Atlas as Lot 2, Block 296, Sheet 22 from the School Reuse Committee to the Park Commission.

**RECOMMENDED: Favorable Action - See Appendix D**

ARTICLE 31: (By Request of the Board of Assessors): To see if the Town will vote to accept Chapter 597 of the Acts of 1982 Acts entitled:

“AN ACT PROVIDING FOR THE ISSUANCE WITHOUT PAYMENT OF A FEE FOR DISTINCTIVE LICENSE PLATES FOR FORMER PRISONERS OF WAR”.

or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

ARTICLE 32: (By Request of the Town Accountant): To see if the Town will vote to amend the Code of the Town of Weymouth By-Laws by adding the following Chapter; or take any other action in relation thereto.

“CHAPTER 10”

CAPITAL BUDGET COMMITTEE

- s. 10-1 Establishment; membership; terms of office
- s. 10-2 Duties
- s. 10-3 Annual Report; Capital budget.
- s. 10-4 Distribution and publication of report.
- s. 10-1 Establishment; membership; terms of office.

A committee, to be known as the Capital Budget Committee,

shall be established, composed of two members of the Appropriation Committee appointed by and from it, two members of the Planning Board appointed by and from it, and four additional members to be appointed by the Moderator. The members from the Appropriation Committee and the Planning Board shall be appointed for four year terms. The other members shall be appointed for four year terms such that one will expire each year. None shall be a town officer or town employee. The Town Accountant shall be an ex-officio member without right to vote. A member who ceases to reside in the Town or accepts full-time employment from it shall resign. A vacancy shall be filled for the unexpired term in the manner of the original appointment. The Committee shall choose its own officers.

s. 10-2 Duties

The Committee shall study proposed capital outlays involving the acquisition of land or an expenditure of \$25,000 having a useful life of at least three years. All officers, boards and committees, including the Selectmen and the School Committee, shall by September 1st each year give to such Committee, on forms prepared by it, information concerning all projects anticipated by them as needing town meeting action during the ensuing six years. The Committee shall consider the relative need, timing and cost of these expenditures and the effect each will have on the financial position of the Town.

s. 10-3 Annual report; capital budget.

The Committee shall prepare an annual report containing a capital budget of such outlays for the first year for presentation to the Appropriation Committee for inclusion in its report and also a capital budget for the following five years for consideration by the town at the annual meeting with explanations thereof. It may make such investigations and hold such hearings as it may deem necessary.

s. 10-4 Distribution and publication of report.

The report shall be published and distributed along with the Appropriation Committee's report. The Committee shall deposit the original with the Town Clerk.

**RECOMMENDED: Defer to Town Meeting**

*Hearings had not been held on this Article prior to the printing of this Warrant.*

ARTICLE 33: (By Petition of Earl Pithie and others): To see what sum of money the Town will vote to appropriate or transfer from available funds to carry out the vote of the 1981 Annual Town Meeting, Article 11 "to name the Wessagusset Beach Area; Lot 10, Block 12, Sheet 2 in honor of George E. Lane (former Selectman and member of the many committees and boards in the Town); and further, to see if the Town will vote to transfer a sum of money from

available funds and/or borrow and appropriate for the purpose of making and installing a plaque or other suitable memorial, and conducting appropriate dedication exercise in connection with"...and to appoint the Committee to carry out this vote...

**RECOMMENDED: Favorable Action and the sum of \$250 to be expended under the direction of the Memorial Committee (Tax Levy) - See Appendix E**

ARTICLE 34: (By Petition of David B. and Linda R. Bellafatto and others): To see whether or not the Town of Weymouth will vote to amend the most recent rezoning map of the Town of Weymouth by changing R-1 (residence) to B-1 (business) the parcels of land shown on the Atlas as the Town of Weymouth dated January 1, 1984, Sheet 29, Block 372, Lots 24, 25, 36, 37 and 38; or to take any other action in relation thereto.

**RECOMMENDED: No Action - See Appendix F**

ARTICLE 35: (By Request of the Weymouth Retirement Board): To see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for the purpose of providing additional funding to the special fund established in order to offset the anticipated future costs of funding the contributory retirement system in accordance with the M.G.L., Chapter 40, Section 5D; or take any other action in relation thereto.

**RECOMMENDED: No Action**

ARTICLE 36: (By Request of the Weymouth Retirement Board): To see if the Town will vote to accept the provisions of M.G.L. Chapter 40, Section 5D, as amended by Chapter 661 of the Acts of 1983, and authorize the Treasurer to establish procedures for the recovery of employee pension Reserve Fund an amount equal to the future pension costs which are incurred because of the federal grant; or take any other action in relation thereto.

**RECOMMENDED: Favorable Action**

ARTICLE 37: (By Request of the Weymouth Retirement Board): To see if the Town will vote to amend Chapter 29, Section 3,

of the Code of the Town of Weymouth as follows; or take any other action in relation thereto.

1. Delete the present Section 3 which now reads:

“The examination shall be recorded on the prescribed form and the details shall, subject to the provisions hereof, be confidential to the applicant and the examining physician. The record, in a sealed container, shall be deposited with the Retirement Board for safe keeping, the contents subject to future reference only by a physician designated by the Selectmen, Retirement Board, School Committee or Town of Weymouth Workmen’s Compensation Agent.”

2. Insert the following new Section 3:

“The examination shall be recorded on the prescribed form. The records, in a sealed container, shall be deposited with the Weymouth Retirement Board for safe keeping. The contents shall be subject to future reference only by the Board of Selectmen, Weymouth Retirement Board, School Committee or Workmen’s Compensation Agent.”

**RECOMMENDED: Favorable Action**

ARTICLE 38: (By Direction of the Board of Selectmen): To see whether or not the Town will vote to petition the Legislature for authority to deed back to the former owners certain lands which were taken by eminent domain for conservation purposed by an Order of Taking recorded on September 6, 1973; and further, to see what sum of money the Town will vote to award to said former owners in addition to the return of said land. Said land is shown as Parcel G on a Plan of Land for Well Location for Water Supply dated January 6, 1981, and recorded at the Norfolk County Registry of Deeds in Plan Book #239 as Plan No. 1253 of 1973; also shown in the Appendix to this Warrant; or to take any other action in relation thereto.

**RECOMMENDED: Favorable Action and the sum of \$5900.00 (Tax Levy) - See Appendix G**

You are hereby directed to serve this Warrant by posting a copy thereof, attested by you in writing in each of two public places in each voting precinct of said Town, seven (7) days at least before the date of holding the first meeting called for in this Warrant.

You are further requested to notify and warn the inhabitants of Weymouth qualified to vote in elections to meet at the polling place of their respective precincts, to wit:

- In Precinct 1 - Eldon Johnson School, 70 Pearl St., North Weymouth
- In Precinct 2 - Wessagusset School, 75 Pilgrim Pond, No. Weymouth

Street, (East) Weymouth on**

**MONDAY, THE SEVENTH DAY OF MAY, 1984**

**at seven o'clock and forty-five minutes in the evening, then and there  
to act upon the following articles, namely;**

**ARTICLE 1: (By Direction of the Board of Health): To see if  
the Town will vote to accept the provisions of Massachusetts General  
Laws Chapter 40, Section 5A, Clause 36 and authorize the Board of  
Health to join the Norfolk County Mosquito Control Project: con-  
stituted as a mosquito control project under Section A of Chapter  
252 of the General Laws and established as the Norfolk County Mos-  
quito Control Project by Chapter 341 of the Acts of 1956. Whereby  
the Town's proportionate share of the costs of such project will be  
charged to the Town as a Cherry Sheet assessment; or take any other  
action in relation thereto.**

**RECOMMENDED: Favorable Action**

**ARTICLE 2: (By Request of the Planning Board): To see if the  
Town will vote to allow the Board of Selectmen to enter into one or  
more intermunicipal agreements with the towns of Hingham,  
Rockland and Weymouth concerning watershed management and  
lake restoration techniques within Whitman's Pond; or to take any  
other action in relation thereto.**

**RECOMMENDED: Favorable Action**

ARTICLE 3: (By Request of the School Committee): To see what sum of money the Town will vote to raise by taxation, transfer from available funds, and/or borrow and appropriate for the purpose of acquiring computer hardware and related software; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

*The School Administration has not completed the necessary work on this article.*

ARTICLE 4: (By Request of the Board of Selectmen): To see if the Town will vote to petition the Great and General Court of the Commonwealth to enact the following legislation; or take any other action in relation thereto.

**“AN ACT AUTHORIZING THE TOWN OF WEYMOUTH TO PAY A CERTAIN SUM OF MONEY TO THOMAS C. SMITH, HARBORMASTER.”**

Be enacted, etc., as follows:

**SECTION 1.**

**1.**

Notwithstanding any provision of law to the contrary, the Town of Weymouth is hereby authorized to appropriate money for the payment of, and, after, such appropriation, the Treasurer of said town is hereby authorized to pay to Thomas C. Smith, Harbormaster, four hundred dollars for Longevity payments, due as follows: Two hundred dollars for FY82 and Two hundred dollars for FY83 for services performed as Harbormaster in said Town.

**SECTION 2.**

This act will take effect upon its passage.

**RECOMMENDED: Favorable Action**

YOU are hereby directed to serve this warrant by posting a copy thereof, attested by you in writing in each of two public places in each voting precinct of said Town, fourteen (14) days at least before the date of holding the first meeting called for in this Warrant.

Hereof fail not to make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twenty-third day of April in the year of our Lord One thousand nine hundred and eighty-four.

Given under our hands and seals this 2nd day of April in the year of our Lord One thousand nine hundred and eighty-four.

ANNUAL TOWN MEETING

MONDAY, MAY 7, 1984

The Annual Town Meeting of the Town of Weymouth convened in the Daniel L. O'Donnell Auditorium, Weymouth North High School on Monday, May 7, 1984 at 7:45 P.M. Mr. Raymond Jennings, Moderator presiding.

Town Clerk, Franklin Fryer read the Call of the Meeting. In the absence of clergy, Mr. Domenic Sansone, Town Meeting Member read the Prayer of Divine Guidance. The Moderator led the Meeting in the Pledge of Allegiance to the Flag. Mr. Fryer read the Call of the Special Town Meeting. The Special Town Meeting was then recessed until the finish of the Annual Town Meeting. Town Meeting Members not previously sworn were given the oath of office by Mr. Jennings. Mr. Piper, Mr. Lindsay and Mrs. McElroy were appointed Tellers.

Mr. David Jones, Chairman of the Department of Public Works offered the following resolution

DANIEL J. SLATTERY

WHEREAS Daniel J. Slattery served this Town continually for thirty-eight years beginning with his appointment as a laborer in the Highway Department on May 6, 1946, and

WHEREAS he served as Superintendent of the Highway Department for twenty-eight of those years, having been appointed Superintendent on May 4, 1956, and

WHEREAS he served as an elected Town Meeting Member for twenty-seven years from 1947 to 1974, and

WHEREAS he not only served his Town with sincerity and dedication he was also an active and devoted member of his parish, a loving husband and devoted father, NOW THEREFORE BE IT RESOLVED that the Town Meeting hereby extends to the family of DANIEL J. SLATTERY its deepest sympathy and condolences and its gratitude for the service that he has given to the Town of Weymouth. Further that this resolution be recorded in the Annual Town Report and that a copy hereof bearing the Town Seal be presented to his family.

A moment of silence was held for Daniel J. Slattery who passed away May 5, 1984.

MOVED to take Articles 2, 3 and 4 out of order at this time. SO VOTED

ARTICLE 2 VOTED FAVORABLE ACTION and the sum of \$14,000 (Tax Levy) and that the Personnel Board be directed to hire a consulting firm to review and make recommendations and changes to be presented at the next Special Town Meeting. Said changes to be effective and retroactive to July 1, 1984, for all non-union personnel excluding the School Department, but including the Tax Collector, Town Clerk, Town Treasurer, Police Chief and Fire Chief, and any other exempt positions subject to the classification plan. Further, that new classifications presented in Appendix A as it relates to new positions shall be approved as Town positions. SO VOTED

Mr. Philip W. Henley offered a substitute motion:

Secretary, Council of Aging from S-1 to S-5

Director of Council on Aging from S-19 to S-22

A Teller count was taken, and there being 114 yes and 78 no, the Moderator declared this motion CARRIES.

ARTICLE 3 VOTED That the Town authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1984 in accordance with the provisions

of the General Laws, Chapter 44, Section 4 and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

SO VOTED

ARTICLE 4

Mr. Richard Walsh, Chairman of the Board of Selectmen offered the following resolution:

WHEREAS Edward B. Nevin served on the Weymouth School Committee as well as representing the Town of Weymouth in the State House of Representatives and State Senate and WHEREAS the property at the corner of Main and Columbian Street was donated by Mr. Nevin's Widow, Bessie T. Nevin, in his memory and WHEREAS the EDWARD B. NEVIN SCHOOL was built on this property in 1917 and utilized until 1981 when a decrease in the enrollment of Weymouth public schools no longer required the use of this school, which caused it to be sold, NOW BE IT RESOLVED that the Permanent Memorial Committee designate the intersection of Main and Columbian Streets as EDWARD B. NEVIN SQUARE.

Signed under my hand on the seventh day of May in the year 1984.

SO VOTED

Mr. Walsh offered another resolution:

WHEREAS Lance Corporal Paul F. Quill was killed in action on the 12th of January 1968 in the Thua Thien Province, Republic of Vietnam and WHEREAS Marine Paul Quill sacrificed his life in the line of duty for his Country and WHEREAS Lance Corporal Quill through great acts of courage earned a national defense service medal, a purple heart with two stars, a Vietnam campaign medal with gallantry cross, and a unit Vietnam bronze star and WHEREAS the Family of Paul F. Quill have been residents of North Weymouth for several years, now BE IT RESOLVED that the Permanent Memorial Committee hereby designates the corner of Bridge and Neck Streets at the jug handle in the name of MARINE LANCE CORPORAL PAUL FRANCIS QUILL.

SO VOTED

Mr. Donald Gustafson, Chairman of the Committee to review compensation and/or expenses of part-time elected officials read the report of this committee. VOTED to accept this report as read. (A copy of this report on file in the Town Clerk's Office.)

VOTED the sum of \$13,100 (tax levy) for the payment of expenses after submitting vouchers to the Town Accountant of the following Committees and Boards:

School Committee - \$1,500. Chairman, \$1,000 for each member

Planning Board - \$800. Chairman, \$600. each member

Moderator \$300., Library Trustees \$100. each member

and that the Town Meeting advise the Board of Selectmen that it believes part-time elected officials should be allowed to participate in the group life and health insurance plan, that the Town shouldn't pay any portion of that cost.

A Teller count was taken, and there being 81 affirmative and 73 negative, above motion CARRIES.

MOVED to adjourn, VOTED TO ADJOURN (This session adjourned at 11:08 to reconvene at 7:30 the following evening.)

ADJOURNED SESSION  
ANNUAL TOWN MEETING  
TUESDAY, MAY 8, 1984

The Adjourned session of the Annual Town Meeting was called to order at 7:45 P.M. Tuesday, May 8, 1984 by Raymond Jennings, Moderator. Prayer of Divine Guidance was offered by Rev. Craig McLellan of the Immaculate Conception Church, East Weymouth. The Town Meeting Members joined in the Pledge of Allegiance to the Flag.

ARTICLE 1 VOTED BUDGET: To provide for all expenses of maintenance and operation of each of the Town's several departments and activities for the fiscal year. The sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions specified and all such sums to be raised by taxation in the levy of the current year unless other sources of revenue are expressed:

TOTAL BUDGET           \$45,320,853

ACTION NOW COMES on Article 1 in the above amount in accordance with the various terms and addenda attached to that budget. SO VOTED UNANIMOUSLY

VOTED to adjourn (This session adjourned at 10:50 to reconvene the following evening.)

ADJOURNED SESSION  
ANNUAL TOWN MEETING  
WEDNESDAY, MAY 9, 1984

The Adjourned session of the Annual Town Meeting was called to order by Raymond Jennings, Town Moderator at 7:30 P.M. Prayer of Divine Guidance was offered by Rev. Gary Blume of the First Church, Weymouth. The Town Meeting Member joined in the Pledge of Allegiance to the Flag.

The Town Meeting Members gave a round of applause to 27 persons vacating their Town Meeting seats at this upcoming election.

VOTED to reconsider Article 1 (A Teller count was taken and there being 88 yes, and 82 no, the Moderator declared reconsideration PASSED.)

Mr. Sulo Soini offered a substitute motion on the School Department budget which FAILED, by a Teller Count of 83 affirmative and 110 negative. (This vote left the School Budget same as last night, and Article 1 is now closed, there can be no further debate on Article 1. It shall not be reconsidered again.)

Mr. Thomas Tanner, Chairman of the Department of Public Works read the following resolution:

WHEREAS, David A. Jones has announced he will not seek reelection to the Board of Public Works;

WHEREAS, he served as Commissioner of the Department of Public Works since April 1973;

WHEREAS he has served an unprecedented five of the eleven years as Chairman of the Board of Public Works;

WHEREAS under his leadership much has been accomplished in the capital outlay improvements including near completion of the sewer system;

WHEREAS he has served in many other official capacities and on numerous committees such as Town Meeting Member, Chairman of the South Senior High School Building, Member of the Conservation Commission, Memorial Committee, solid waste study committee and many other study committees;

WHEREAS he is a man with unlimited capacity for work with deep interest and dedication for public service, serving his community in other capacities with his involvement with civic, fraternal and religious organizations;

WHEREAS he is now reluctantly vacating his position on the Board of Public Works to serve in a new position as Associate Commissioner for the school facilities and related services of the Commonwealth of Massachusetts; now therefore, be it resolved that the Weymouth Public Works commends DAVID A. JONES for a job well done and extends its gratitude for the professionalism and the manner in which he has provided leadership to the Department of Public Works and extends to him best wishes in his new endeavor to serve the Commonwealth of Massachusetts.

VOTED UNANIMOUSLY to adopt and enter upon the record of the Annual Report the above resolution.

ARTICLE 5 VOTED Favorable Action, no funding necessary. (Royden Road)

ARTICLE 6 VOTED to raise by taxation the sum of \$650,000 for the purpose of making alterations, renovations or repairs to Town Hall; said funds to be expended under the direction of the Board of Selectmen.

ARTICLE 7 VOTED to authorize the Board of Selectmen to sell the Washington School and the land shown on the Town Atlas as Lot 1 of Block 312 on Sheet 23, on which said school is situated; said sale to be exempt from the provisions of Section 41-9

of the Code of the Town of Weymouth. (SO VOTED UNANIMOUSLY)

ARTICLE 8 VOTED no action on this article.

ARTICLE 9 VOTED to authorize the Board of Selectmen to sell the John Adams School and the land shown on the Town Atlas as Lot 10, of Block 174 on Sheet on which said school is situated; said sale to be exempt from the provisions of Section 41-9 of the Code of the Town of Weymouth.

A Teller count was taken, and there being 115 yes and 31 no, the Moderator declared FAVORABLE ACTION.

MOVED to adjourn SO VOTED (This session adjourned to meet tomorrow night)

ADJOURNED SESSION  
ANNUAL TOWN MEETING  
THURSDAY, MAY 10, 1984

Mr. Raymond Jennings called the Meeting to order at 7:30 P.M. Prayer of Divine Guidance was offered by Rev. Charles Smith of the Pilgrim Congregational Church, North Weymouth. The Members joined in the Pledge of Allegiance to the Flag.

ARTICLE 10 VOTED to withdraw from the Norfolk County Dog Fund and further authorize the Board of Selectmen to file the necessary withdrawal from the County Dog Fund with the Norfolk County Commissioners and further authorize the Selectmen to petition the legislature for a Special Act in substantially the form on file with the Town Clerk, notwithstanding all the provisions of the Mass. General Laws, Chapter 140. (See reconsideration of Article 10 on Page 12)

ARTICLE 11 No action on this article.

ARTICLE 12 VOTED the sum of \$959.80 (tax levy) for the purpose of funding Unpaid Bills (Acct. 9005781) (SO VOTED UNANIMOUSLY)

ARTICLE 13 VOTED no action on this article.

ARTICLE 14 VOTED the sum of \$40,000.00 (Revenue Sharing funds) for the purpose of obtaining a professional audit of the books of account as of June 30, 1984, such audit shall meet the requirements set forth by Federal Revenue Sharing regulations, such audit may commence prior to the end of the 1984 fiscal year, such sum of money shall be expended under the direction of the Board of Selectmen and the selection of auditors shall be performed by the Board of Selectmen.

ARTICLE 15 VOTED the sum of \$75,000 (Tax levy) for the purpose of funding the account previously established for a Salary Accrual Account under Article 40 of the May 4, 1981 Annual Town Meeting.

ARTICLE 16 VOTED to authorize the Board of Selectmen to grant easements to the owners of properties abutting Libby Industrial Parkway, said easements to be for the purposes of providing such abutters with access and egress to their property, and to use said Libby Industrial Parkway for such purposes as streets are customarily used in the Town of Weymouth, and also to permit the installation and maintenance of utilities without expense to the Town; provided in all cases, that the granting of such easements are upon such conditions as the Planning Board may recommend to the Board of Selectmen. (SO VOTED UNANIMOUSLY)

ARTICLE 17 VOTED to amend Chapter 110-7 of the Code of Weymouth entitled Street Acceptances - Deadline for submission by substituting December 15 for August 1. (SO VOTED UNANIMOUSLY) (See reconsideration Pg. 13)

ARTICLE 18 VOTED No action on this article.

ARTICLE 19 VOTED the sum of \$73,000. (Fund Balance - Common Sewers) for the construction of Particular sewers.

ARTICLE 20 VOTED no action on this article.

ARTICLE 21 VOTED the sum of \$1,200,000 (Bond Issue) be appropriated for remodeling, reconstruction or making extraordinary repairs to the water treatment plant and filter beds; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$1,200,000 under Chapter 44 of the General Laws; and that the Selectmen are authorized to contract for any available federal or state aid which shall be expended on this project.

ARTICLE 22 VOTED FAVORABLE ACTION (No Funding Necessary)

ARTICLE 23 VOTED the sum of \$2,500.00 (Tax Levy) for Dutch Elm Disease Control.

ARTICLE 24: VOTED to amend Chapter 110 Article VII of the Town of Weymouth By-laws by adding a new paragraph, as follows:

"All persons engaged in the removal of snow shall under no circumstances, cause said snow to be deposited so as to obstruct any Public Way or Sidewalk. The penalty for violation of this by-law shall be twenty-five (\$25.00) dollars for each offense."

A teller count was taken, and there being 85 affirmative and 68 negative, the Moderator declared the motion SO VOTED.

ARTICLE 25: VOTED to amend Article VI, Chapter 110, Section 18.1 of the Code of the Town of Weymouth by adding a new paragraph, as follows:

"No person shall place leaves, or cause leaves to be placed by raking onto any Public Way. Leaves are to be bagged for collection in accordance with the Rules and Regulations promulgated by the Department of Public Works. The penalty for violation of this by-law shall be twenty-five dollars (\$25.00) for each offense."

A teller count was taken, and there being 96 affirmative and 58 negative, the Moderator declared the motion CARRIES.

ARTICLE 26 VOTED: FAVORABLE ACTION and the sum of \$12,500 (Chapter 90 Road Funds) to be added to funds authorized under Article 7 of the Special Town Meeting October 29, 1979, to be expended in conjunction with the Town of Braintree, for the completion of the design of the Weymouth Landing Urban Systems Project and any other related expenses.

MOVED by Mr. Richard Walsh, Chairman of the Board of Selectmen, reconsideration of Article 10. VOTED

MOVED on ARTICLE 10: That the Town vote to withdraw from the Norfolk County Dog Fund and further authorize the Board of Selectmen to file the necessary withdrawal from the County Dog Fund with the Norfolk County Commissioners, and further authorize the Selectmen to file a special act with the legislature, as stated herein, to allow the Town to withdraw from the Norfolk County Dog Fund notwithstanding all the provisions of Mass. General Laws, Chapter 140.

A. notwithstanding the provisions of Section 131 of Chapter 140 of the General Laws or any other provision of law to the contrary, the annual fees to be charged by the Town of Weymouth for the issuance of licenses for dogs shall be as follows:

Unspayed females and unneutered males - \$10.00  
Spayed females and neutered males - 5.00.

B. notwithstanding the provisions of Section 147, Chapter 140 of the General Laws or any other provision of law to the contrary all monies received for licenses or from the sale of dog licenses by the Town of Weymouth or recovered as fines or penalties by said Town under the provisions of said Chapter 140 related to dogs, shall be paid to the Treasury of said Town of Weymouth and shall not thereafter be paid over by the Town Treasurer to Norfolk County.

C. notwithstanding the provisions of Section 137 of said Chapter 140 or any other provision of law to the contrary the registering, numbering, describing, licensing of dogs, if kept in said town, shall be conducted in the office of said Town Clerk of said Town where it's conducted right now.

D. notwithstanding any provision of law to the contrary, any animal pound as defined in Section 1 of Chapter 49A of the General Laws, which is used by the Town or located in said Town, is hereby exempt from the provisions of Section 3 of Said Chapter 49A and no such animal pound used by or located in said Town shall be permitted to deliver from its available impounded animals any animal to licensee as defined in said Section 1 of said Chapter 49A for the purpose of scientific investigation, experimentation, instruction or testing of drugs or medicine.

SO VOTED UNANIMOUSLY

MOVED reconsideration of Article 17 SO VOTED UNANIMOUSLY:

VOTED a substitute motion on Article 17 by Mr. Youngclaus, Planning Board:

To amend Chapter 110-7 of the Code of Weymouth entitled Street Acceptance - Deadline for Submission by substituting December 15 to October 1.

SO VOTED UNANIMOUSLY

ARTICLE 27 VOTED Favorable Action and the sum of \$30,000 (Tax Levy) to authorize the Board of Assessors to engage a consultant to determine the requirements necessary for a computerized assessment and billing system. This will include a plan for the acquisition and implementation of such a system. Should the Town be eligible to participate in a pilot program funded by the State Department of Revenue, these funds would not be expended.

ARTICLE 28 VOTED no action on this article.

ARTICLE 29: VOTED to petition the Great and General Court of the Commonwealth to enact the following special legislation:

"AN ACT AUTHORIZING THE TOWN OF WEYMOUTH TO PAY A CERTAIN SUM OF MONEY TO PHYLLIS BROPHY, JOAN MARINELLA AND CATHERINE LANE."

Be enacted, etc., as follows:

Section 1: Notwithstanding any provision of law to the contrary, the Town of Weymouth is hereby authorized to appropriate money for the payment of, and, after, such appropriation, the Treasurer of said Town is hereby authorized to pay to Phyllis Brophy, Principal Clerk, the sum of one hundred twenty-two dollars and twenty-two

cents; to pay Joan Marinella, Senior Clerk, the sum of one hundred thirteen dollars and seventy-five cents; to pay Catherine Lane, Senior Clerk the sum of one hundred thirteen dollars and seventy-five cents; for services performed in 1983 fiscal year in the Assessors Office in said Town.

SECTION 2: This act shall take effect upon its passage.

ARTICLE 30 VOTED to transfer the jurisdiction of Town of Weymouth land, shown on the Town of Weymouth Atlas as Lot 2, Block 296 Sheet 22 from the School Reuse Committee to the Park Commission.

ARTICLE 31 VOTED to accept Chapter 597 of the Acts of 1982 Acts entitled: "AN ACT PROVIDING FOR THE ISSUANCE WITHOUT PAYMENT OF A FEE FOR DISTINCTIVE LICENSE PLATES FOR FORMER PRISONERS OF WAR".

ARTICLE 32 VOTED FAVORABLE ACTION, except that this shall not be a By-Law, and the committee as indicated be appointed and will report back to Town Meeting for two successive years, the progress made, including presenting an Article in the Warrant for the Annual Town Meeting, with its recommendations and findings for each of the two years. At the end of two years, a suitable Article shall be included so that disposition will take place at that time which will enable it to become a By-law. Funding for the two year project will be \$1,000 total or \$500 per year for operating expenses of the committee.

MOVED by Mr. Kilroy UNDER "CAPITAL BUDGET COMMITTEE" change where it says the member of the Appropriation Committee and the Planning Board shall be appointed for a four year term be stricken and the word two year term inserted. In the next sentence, where it reads four-year terms, that the word four be deleted and the word two be inserted.

SO VOTED.

ARTICLE 33 VOTED the sum of \$250.00 to be expended under the direction of the Memorial Committee to carry out the vote of the 1981 Annual Town Meeting, Article 11 "to name the Wessagusset Beach Area; Lot 10, Block 12, Sheet 2 in honor of George E. Lane (former Selectman and member of the many committees and boards in the Town) and install a plaque or other suitable memorial, and conduct a dedication exercise in connection with"

ARTICLE 34 VOTED no action on this article.

ARTICLE 35 VOTED no action on this article.

ARTICLE 36 VOTED that the Town accept the provisions of M.G.L. Chapter 40, Section 5D, as amended by Chapter 661 of the Acts of 1983 and authorize the Treasurer to establish procedures for the recovery of employee pension costs from Federal grant monies and to transfer to the pension reserve fund an amount equal to the future pension costs which are incurred because of the federal grant.

ARTICLE 37 VOTED to amend Chapter 29, Section 3 of the Code of the Town of Weymouth as follows:

1. Delete the present Section 3 which now reads:

"The examination shall be recorded on the prescribed form and the details shall, subject to the provisions hereof, be confidential to the applicant and the examining

physician. The record, in a sealed container, shall be deposited with the Retirement Board for safe keeping, the contents subject to future reference only by a physician designated by the Selectmen, Retirement Board, School Committee or Town of Weymouth Workmen's Compensation Agent."

2. Insert the following new Section 3:

"The examination shall be recorded on the prescribed form. The records, in a sealed container, shall be deposited with the retirement Board for safe keeping. The contents shall be subject to future reference only by the Board of Selectmen, Retirement Board, School Committee or Workmen's Compensation Agent.

SO VOTED UNANIMOUSLY

ARTICLE 38 VOTED Favorable Action and the sum of \$5900.00 (Tax Levy). To petition the Legislature for authority to deed back to the former owners certain lands which were taken by eminent domain for conservation purposes by an Order of Taking recorded on Sept. 6, 1973; and the sum of money to award to said former owners in addition to the return of said land. Said land is shown as Parcel G on a Plan of Land for Well location for Water Supply dated Jan. 6, 1981, and recorded at the Norfolk County Registry of Deeds in Plan Book #239 as Plan No. 1253 of 1973; also shown in the Appendix to the Warrant

A Teller count was taken, and there being 120 yes, and 4 negative, the Chair declared this article passed by 2/3 vote.

SPECIAL TOWN MEETING

ARTICLE 1 VOTED to accept the provisions of Massachusetts General Laws Chapter 40, Section 5A, Clause 36 and authorize the Board of Health to join the Norfolk County Mosquito Control Project; constituted as a mosquito control project under Section A of Chapter 252 of the General Laws and established as the Norfolk County Mosquito Control Project by Chapter 341 of the Acts of 1956. Whereby the Town's proportionate share of the costs of such project will be charged to the Town as a cherry Sheet assessor.

ARTICLE 2 VOTED FAVORABLE action to allow the Board of Selectmen to enter into one or more intermunicipal agreements with the towns of Hingham, Rockland and Weymouth concerning watershed management and lake restoration techniques with Whitman's Pond.

ARTICLE 3 VOTED favorable action and the sum of \$92,200 from revenue sharing funds to be expended to purchase one computer network, hardware and software for each junior and senior high school and CAD/CAM software for the drafting curriculum.

SO VOTED UNANIMOUSLY

ARTICLE 4 VOTED to petition the Great and General Court of the Commonwealth to enact the following legislation:

"AN ACT AUTHORIZING THE TOWN OF WEYMOUTH TO PAY A CERTAIN SUM OF MONEY TO THOMAS C. SMITH, HARBORMASTER."

Be enacted, etc., as follows:

"SECTION 1. Notwithstanding any provision of law to the contrary, the Town of Weymouth is hereby authorized to appropriate money for the payment of, and, after such appropriation, the Treasurer of said town is hereby authorized to pay to Thomas C. Smith, Harbormaster, four hundred dollars for Longevity payments, due as follows: Two hundred dollars for FY82 and Two hundred dollars for FY83 for services performed as Harbormaster in said Town. SECTION 2. This act will take effect upon its passage.

VOTED to adjourn (The Town Meeting adjourned at 11:35 P.M.)

# Special Town Meeting

## COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To the Town Meeting Members of the Town of Weymouth, in said County,  
Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby notified to meet in the George L. Barnes Auditorium of the East Junior High School, 89 Middle Street, East Weymouth, on

**Monday, the Tenth Day of December, 1984**

at seven o'clock and thirty minutes in the evening, then and there to act upon the following articles (a copy of which is enclosed); and in case all the articles in the warrant shall not have been acted upon at the meeting called for the tenth day of December 1984 to meet in adjourned session in the aforesaid George L. Barnes Auditorium of the East Junior High School at seven o'clock and thirty minutes in the evening of each successive evening thereafter, unless other times may be then and there voted.

Given under my hand at Weymouth, the 22nd day of October in the year of our Lord nineteen hundred and eighty-four.

*Town Clerk of Weymouth*

**Dear Town Meeting Members:**

A brief message to explain to you the absence of any significant recommendations at the time this warrant goes to press.

Information was not, and in some cases is still not available on these articles.

The Board of Selectmen was requested to delay this town meeting in order that the Appropriation Committee could complete its work and present to you, in this warrant, its recommendations. The Majority of the Board of Selectmen denied this request.

*Your Appropriation Committee*

# **WARRANT FOR THE SPECIAL TOWN MEETING**

MONDAY, THE TENTH DAY OF DECEMBER, 1984  
COMMONWEALTH OF MASSACHUSETTS  
TOWN OF WEYMOUTH

NORFOLK, ss:

To any of the Constables of the Town of Weymouth in said County  
GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the George L. Barnes Auditorium of the East Weymouth Junior High School, 89 Middle Street, East Weymouth on

MONDAY, THE TENTH DAY OF DECEMBER, 1984

at seven o'clock and thirty minutes in the evening, then and there to act upon the following articles, namely:

ARTICLE 1: (By Direction of the Board of Selectmen) To see whether the Town will vote to approve Collective Bargaining Agreements with various groups of Town Employees and further to see what sum of money the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate for the purpose of funding such contracts and to make any changes required by such contracts in the Personnel Pay and Salary Classification plan; or to take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting**

ARTICLE 2: (By Request of the Personnel Board) To see whether or not the Town will vote to accept a report from the Personnel Board for study of salaries and wages of non-collective bargaining unit employees as directed by Article 2 of the Annual Town Meeting of May 7, 1984, and whether to accept such changes or modifications, and to see whether or not the Town will vote to raise by taxation, transfer from available funds and/or borrow and appropriate monies to fund such changes; or to take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting.**

ARTICLE 3: (By Request of the Board of Selectmen) To see what action the Town will vote to take with respect to changing the description and/or duties and responsibilities of the Town Administrator, by amending the provisions of Chapter 1 of the Code of the Town of Weymouth (so called By-Laws) or by petitioning the General Court to enact enabling legislation to make such changes; and further, to see what sum of money the Town will vote to transfer from Reserve Salary Account and appropriate for the purpose of funding the position of Town Administrator; or to take any other action in relation thereto.

**RECOMMENDED: No Action.**

ARTICLE 4: (By Request of the Board of Public Works) To see if the Town will vote to authorize the Board of Public Works to lease the Incinerator Building and the land shown on the Assessors Maps as Lot 2, Block 172, Sheets 15 & 19, on which said incinerator is located, for the purpose of disposal of solid waste, subject to conditions and terms the Board of Public Works deems in the best interest of the Town; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting.**

ARTICLE 5: (By Request of the Board of Public Works) To see if the Town will vote to amend the most recent zoning map of the Town of Weymouth by changing the so-called "Municipal Refuse Disposal Area" as shown on the Assessors Maps dated January 1, 1984, Sheets 15 & 19, Block 172, Lot 2, from Public, Semi-Public & Open Space to General Industrial I-2; or take any other action in relation thereto.

**RECOMMENDED: Defer to Town Meeting.**

You are directed to serve this Warrant by posting a copy thereof, attested by you in writing in each of two public places in each voting precinct of said Town, fourteen (14) days at least before the date of holding the first meeting called for in this Warrant.

Hereof fail not to make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twenty-sixth day of November in the year of our Lord, One thousand nine hundred and eighty-four.

Given under our hands and seals this twenty-second day of October, One thousand nine hundred and eighty-four.

TOWN OF WEYMOUTH  
SPECIAL TOWN MEETING  
MONDAY  
DECEMBER 10, 1984

Pursuant to a Warrant duly issued, the Special Town Meeting of the Town of Weymouth was held on December 10, 1984 at East Junior High School. Mr. Raymond Jennings, Town Moderator presiding. The Meeting was called to order at 7:50 P.M. The Town Clerk, Franklin Fryer, read the Call of the Meeting. Tellers were appointed and given the oath by Mr. Jennings: Thomas Lindsay, Joseph Piper, and Mary McElroy. Prayer for Divine Guidance was offered by Rev. Fr. Bernard Sullivan, St. Jerome's Church, North Weymouth. Mr. Jennings led the group in the Pledge of Allegiance to the Flag.

The Town Meeting Members were led in a moment of silence in memory of Thomas K. Rober, Town Meeting Member, and former Registrar who passed away recently.

Mr. David Jones offered the following resolution:

RESOLUTION

Congratulating Edward W. Owens, Jr. on this the occasion of his retirement from Weymouth Town Meeting which culminates many years of active participation in the Town of Weymouth. By his outstanding contributions of both time and effort he has proven himself to be a most faithful and competent public servant.

WHEREAS, Edward W. Owens, Jr. has been a Town Meeting Member in the Town of Weymouth, Massachusetts for twenty-two consecutive years from nineteen hundred and sixty-two until his resignation on December Tenth, Nineteen Hundred and Eighty-four; and

WHEREAS, Edward W. Owens, Jr. served as a member of the Weymouth Board of Selectmen from nineteen hundred and seventy-eight to nineteen hundred and eighty-two, and was for three years Chairman of the Board; and

WHEREAS, in 1978 during the blizzard, Edward Owens took charge and was instrumental in obtaining the use of additional equipment from upper New York State at a minimum cost to Weymouth; and

WHEREAS, in nineteen hundred and eighty-one Edward W. Owens, Jr. served as Chairman of the Task Force Committee on Proposition two and one half; and

WHEREAS, from nineteen hundred and seventy-eight to nineteen hundred and eighty Edward W. Owens, Jr. was chairman of the Town Administrator need study committee; and

WHEREAS, Edward W. Owens, Jr. served as Chairman of the Norfolk County Advisory Committee; and

WHEREAS, Edward W. Owens, Jr. was a member of the Weymouth Board of Public Works from nineteen hundred and seventy-two to nineteen hundred and seventy-eight, and was Chairman from nineteen hundred and seventy-four to nineteen hundred and seventy-six; and

WHEREAS, in 1975 Edward Owens led a delegation of Town Officials to Washington, DC which enabled Weymouth to continue to operate its incinerator during a four year court battle thus saving hundreds of thousands of dollars; and

WHEREAS, in nineteen hundred and seventy-two Edward W. Owens, Jr. served as a member of the Weymouth conservation commission; and

WHEREAS, Edward W. Owens, Jr. was Chairman and a member of the Weymouth Industrial Development Commission from nineteen hundred and sixty-two to nineteen hundred and seventy-two; and

WHEREAS, from nineteen hundred and sixty-nine to nineteen hundred and seventy-two Edward W. Owens, Jr. was Chairman of the Zoning By-Law Committee; and

WHEREAS, Edward W. Owens, Jr. was Vice-Chairman of the Zoning By-Law Study Committee from Nineteen Hundred and Sixty-seven to nineteen hundred and sixty-nine; and

WHEREAS, Edward W. Owens, Jr. served as President of the Norfolk County Tourist and Development Council; and

WHEREAS, from nineteen hundred and seventy to the present time, Edward W. Owens, Jr. has been a member of the Weymouth Democratic Town Committee and was Chairman from nineteen hundred and eighty to nineteen hundred and eighty four and was Vice-Chairman from nineteen hundred and seventy six to nineteen hundred and seventy-nine; and

WHEREAS, Edward W. Owens, Jr. served on the Democratic State Charter Commission; and

WHEREAS, Edward W. Owens, Jr. during his tenure on the Board of Selectmen and the° Public Works had one hundred percent attendance at their respective meetings; and

THEREFORE BE IT RESOLVED, That This Special Town Meeting congratulates Edward W. Owens, Jr. for his more than twenty-five continuous years of exceptional dedicated public service and hereby extend its best wishes for many years on continued success and good health, and

be it further resolved, that this resolution be recorded in the Annual Town Report and that a copy hereof bearing the Town Seal be presented to Edward W. Owens, Jr.

THANKS FOR A JOB WELL DONE!

Mrs. Peg Goudy, Chairman of the Board of Selectmen presented Mr. Francis L. Kelly with a plaque in recognition of his retirement as Town Counsel. Mr. Kelly also served on the Board of Selectmen, Personnel Board and other various Boards. Citations were also presented by the House of Representatives, and the Senate.

ARTICLE 2

FAVORABLE ACTION and that Section 32.7 of the Town By-Laws be amended by substituting the left hand column as shown in Appendix A set forth in this warrant including the corrections made at this meeting for the Schedule A (classification) set forth in the By-Laws; and further that the Schedule shown in Appendix B in this Warrant shall be substituted for the Compensation Plan set forth in Section 32.5 of the By-Law. Further that the following provisions be adopted:

1. Accept the report of the Personnel Board and Towers, Perrin, Forster and Crosby.
2. Bring to the minimum those employees whose current salaries fall below the salary range.
3. Grant a 6% increase to the current salaries of all those included in the study, provided however no position will exceed the maximum salary.
4. Bring up to the next point in the salary range, if one exists, all salaries of those employees included in the study.
5. These changes are to be effective July 1, 1984.

In addition, the sum of \$186,000 from account 900-5101, Reserve Salary Account, be appropriated to fund this, and that Schedule F, Miscellaneous Salary schedule and Section 8 Part-time Positions be increased by 6% effective July 1, 1984, except that Seasonal and Recreational employees increases be effective January 1, 1985. Also that the Town Accountant be authorized and directed to apply this sum to the applicable salary accounts as if each line was detailed herein.

SO VOTED

ARTICLE 3 VOTED to refer to May 1985 Annual Town Meeting and furthermore, the Board of Selectmen shall report to the Annual Town Meeting recommended changes, if any, in the job description, duties, responsibilities and/or accountability of the Town Administrator.

SO VOTED

ARTICLE 4 Favorable Action and the Board of Public Works be authorized to enter into contract negotiations with Power Recovery Systems, Inc. and obtain suitable legal and engineering expertise to accomplish this. Further, the Board of Public Works is directed to complete its work by April 1, 1985 and present a proposed contract to the appropriate town bodies for their review and changes, if applicable. The final proposal will be presented at the May 6, 1985 Annual Town Meeting for final approval, if acceptable.

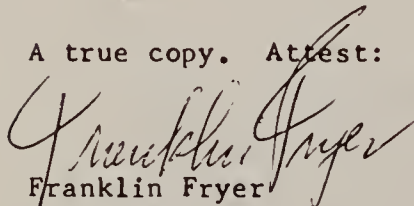

SO VOTED

ARTICLE 5 VOTED to amend the most recent zoning map of the Town of Weymouth by changing the so-called "Municipal Refuse Disposal Area" as shown on the Assessors Maps dated January 1, 1984, Sheet 15 & 19, Block 172, Lot 2, from Public, Semi-Public & Open Space to Planned Industrial Park PIP.

Selectmen of Weymouth

RETURN OF SERVICE

NORFOLK, ss.

Weymouth, August 27, 1984

Pursuant to the within Warrant for State Primary Election, I have this day notified and warned the inhabitants of Weymouth aforesaid to meet at the respective places and times as set forth in said Warrant, by posting true and attested copies of the same in two public places in each voting precinct in said Town, seven days at least before the holding of said State Primary Election.

WILLIAM J. MURPHY  
Constable of Weymouth

Received in the Office of the Town Clerk, August 27, 1984.

January 10, 1985

Honorable Board of Selectmen  
Town Hall  
Weymouth, Ma. 02189

Honorable Selectmen:

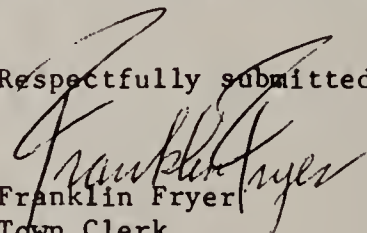

Herewith submitted is the Annual Report for the Town Clerk's Department. In the year 1984, we handled the Annual Town Meeting and one (1) Special Town Meeting, along with four (4) Elections, Annual Town Election, Presidential Primary, State Primary and the State Presidential Election.

The four elections brought out many new voters, to bring our total of registered voters to 31,081. Our office spent many hours preparing and mailing many absentee ballots to our citizens in the service, out of Town or physically unable to go to the polls.

We had an extremely busy year due to the increase of births and deaths from the South Shore Hospital.

Once again, I wish to extend my sincere thanks to the Board of Selectmen, our staff, the various Boards and Committees, Town Meeting Members and especially to the Citizens of Weymouth.

Respectfully submitted,

  
Franklin Fryer  
Town Clerk

Honorable Selectmen:

Herewith submitted is the annual report of the Board of Registrars covering the activities for the year 1984.

Business meetings	4
Special Registration Sessions	52
Elections	4

The registration sessions were held at the following places: Nursing homes, high schools, all eighteen (18) precincts, veterans' housing, senior citizen housing, shut-ins at home, and at Town Hall. The total number of Registered voters in the Town by precincts as of December 31, 1984 is as follows:

Precinct 1	1,688	Precinct 10	1,605
Precinct 2	2,077	Precinct 11	1,958
Precinct 3	1,746	Precinct 12	1,771
Precinct 4	1,992	Precinct 13	1,508
Precinct 5	1,860	Precinct 14	1,961
Precinct 6	1,731	Precinct 15	1,683
Precinct 7	1,870	Precinct 16	1,567
Precinct 8	1,561	Precinct 17	1,237
Precinct 9	1,741	Precinct 18	1,525
		Total	31,081

(Note: The Presidential Election brought out many new voters, especially the last day of registration, when we registered 1,548 new voters.)

Once again, we extend our thanks to your Board, our Staff and all departments for their assistance and courtesies during the year.

Respectfully submitted,

*Franklin Fryer*

January 28, 1985

Honorable Board of Selectmen  
Town of Weymouth  
Massachusetts

Gentlemen:

Nineteen eighty-four marked the tenth anniversary of the Planning Board's hiring of a full-time professional staff person. That step marked a drastic change in the manner that the Board was able to respond to day-to-day and long range planning issues. Since 1974, additional staff have been added, the functions and responsibilities of the office have multiplied, and the office has taken its place along with the other departments in the Town. The following summary of activities handled by the Planning Board and its staff during 1984 reflects the diversity of projects undertaken by the Board over the past ten years.

Planning Activities

Under the Planning Board's subdivision, site plan review and special permit procedure, the following actions were taken.

1. Definitive subdivision plans - 4 approved, 1 denied, 1 revised, 1 under consideration.
2. Preliminary subdivision plans - 7 approved.
3. Approval under Subdivision Control Law not Required - 47 plans reviewed.
4. Waiver of Class A roadway requirements under Section 60.3 - 12 streets reviewed.
5. Site plans reviewed - 4 multi-family, 2 industrial.
6. Special permit applications - 9; six floodplain permits, 3 surplus public property permits.
7. Zoning articles reviewed - 2.

At Town Meeting during 1984, several articles proposed by the Planning Board were favorably received. These included provision of access easements for abutters to Libbey Industrial Parkway, approval of intermunicipal agreements with Hingham and Rockland for the cleanup of Whitman's Pond and change of the deadline date for street acceptances by Town Meeting.

The long range planning focus was on natural resources during the past year.

The Watershed Protection Plan was completed in June and approved by the Board the following month. The Plan includes numerous recommendations to insure continued protection of our groundwater supplies. Actively being pursued by the Board are a Watershed Protection zoning district, Underground Fuel Storage Bylaw, Hazardous Waste Cleanup Day and many other regulation changes to be implemented by Town agencies involved with potential groundwater contaminants.

Dovetailed with the Watershed Plans is the Whitman's Pond restoration plan, which is a three year project to arrest the eutrophication of the pond and restore it to its natural beauty. After receiving notification of funding approval by state and federal authorities, the permit process was initiated by the filing of an Environmental Notification Form with M.E.P.A.

The Libbey Industrial Parkway project was also reactivated during 1984. The acquisition by one owner of approximately sixty acres removed a major stumbling block to development of the industrial land. The Planning Board's Subcommittee on Libbey Park has been meeting every two weeks with the Libbey property owners to insure timely action on issues that might delay the project.

#### C.D.B.G. Activities

##### 1. North Weymouth Branch Tufts Library

This project consisted of architectural design and installation of a new heating system for the North Weymouth Branch of Tufts Library. Design and construction costs totaled approximately \$39,000.00 and the project was completed in December, 1984.

##### 2. Tufts Library Handicapped Bathroom Facility

The Planning Board approved \$7,300 for the installation of handicapped toilet facilities in the lower level of the Tufts Library main branch. Construction took place in March and April of 1984, by Calda Construction of South Weymouth.

##### 3. Great Esker Fencing and Drainage

Two projects were funded by the Planning Board in 1984 at the Great Esker Park in North Weymouth. The first project consisted of fencing along the property line between the Harborlight Mall property and the Esker.

The Cleveland Fence Co. of Stoneham, MA installed approximately 1,700 feet of chain link fence adjacent to the Harborlight Mall and 300' at the end of Puritan Rd.

The second project was completed by South Shore Sand and Gravel Co. of East Weymouth in August of 1984. This project called for the installation of 250 feet of 8 inch drain pipe with 2 catch basins and a manhole in the parking area of the Great Esker Ranger Station at the end of Julia Road. The new drainage alleviated a chronic flooding condition.

##### 4. Orlando Avenue Closing

One of the recommendations of the North Weymouth Revitalization Plan, approved in 1982, was the closing of five streets which intersect with Bridge Street. This was to improve traffic flow and clearly delineate the commercial and residential zones. Orlando Avenue was the first street scheduled to be closed. A contract with R. J. Delmonico was signed in July, 1984 and construction was completed in October, 1984. The construction, a combination

of plantings and brick work, successfully achieves the goal of closing the street and providing the neighborhood with a small passive streetscape amenity which accents the street area.

#### 5. North Weymouth Business Assistance Program

Another outgrowth of the North Weymouth Revitalization Plan, the North Weymouth Business Assistance Program has successfully completed several major business renovations in 1984. Wrye's Country Store, Emmanuel Real Estate and Cazeault's Hardware have completed extensive exterior remodeling, while Kelly's, Tom's Barber Shop and Clip'N'Curly obtained new signage. Kelly's also made landscape and parking lot improvements.

This program will continue through 1985 in assisting eligible store owners and businesses in North Weymouth with architectural design services and financial rebates up to 25% of the cost of eligible approved rehabilitation work.

#### 6. Public Service Projects

The Planning Board, as in the past, funded several types of public service activities aimed at reaching a wide variety of needy Weymouth citizens. Services included Country Academy and South Shore Day Care programs, youth outreach programs and senior services through the Council on Aging.

#### Other Projects

The Planning Office also continues to assist the Weymouth Housing Authority, Lakeview Tenants Association and the Executive Office of Communities and Development as a member of the Lakeview Steering Committee. The Committee has been instrumental in the selection of architectural services which are underway for a 5.2 million dollar scheduled rehabilitation to Lakeview Manor Housing Complex. Presently the Committee is selecting a private management firm to manage and operate the facility in the future.

#### Jobs Bill Program

The Planning Board continues to administer the "Jobs Bill" funding, which was enacted in 1983. Weymouth's original appropriation of \$134,000 allocated by the U.S. Department of Housing and Urban Development has for the most part been expended. This past year, these funds were expended on a variety of programs, public services, such as a crime watch program at Lakeview Manor, program staffing at the Rainbor Club, East Weymouth and construction projects such as the installation of curbing and sidewalks at Moreland Road, repairs to the bases and new flag poles in front of the Veterans Wall on Middle Street and both interior and exterior painting and repairs at the Abigail Adams House on North Street.

The balance of "Jobs Bill" funding, approximately \$30,000, is committed to specific projects and should be expended early in 1985.

#### Housing Rehabilitation Loan Program

During the past year, the innovative HRLP was implemented. Under the HRLP, the Town provides low interest rehabilitation loans funded through a \$120,000 revolving loan account. The Housing Rehab. staff provides complete financial and technical assistance for low and moderate income homeowners. The Town has signed a deposit agreement with South Weymouth Savings Bank that provides earned interest on the loan account and complete loan payment servicing

assistance. The program has proven to be very successful during the past year and we look forward to a continuation of this success during the coming year.

Number of loans - 21

Loan funds committed - \$102,083.20

Program income (interest/repayments) - \$12,902.84

#### MHFA Neighborhood Rehabilitation Program

Due to the demand for affordable mortgage financing, the Mass. Housing Finance Agency continued to sponsor bond financed mortgage/rehab. programs during 1984. Due to the Town's successful participation on the MHFA's 1983 program, John Parnaby served on a State "task force" whose purpose was to design a program providing mortgage financing in conjunction with rehabilitation assistance. The program was offered in two phases and was administered in cooperation with South Weymouth Savings Bank, the local MHFA approved lender. The total funding allocation and number of applications approved was as follows:

Series "A" allocation - \$360,000

Number of applications approved - 6 mortgages

Total dollar mortgages - \$327,200

Total rehab. value - \$29,520

Series "B" allocation - \$140,000

Number of applications approved - 2

Total dollar of mortgages - \$123,500

Total rehab. value - \$9,570

#### Section 312 Loan Program

The Section 312 Loan Program provides federal low interest loan assistance for substantial code related rehab. projects. Funding for the program was made available in 1984 for the first time since 1982. Although funds were limited, we were successful at funding one application for a 3 family dwelling. The total amount of funding received was \$19,600.

#### Rental Rehabilitation Program

In an effort to increase the availability of affordable rental housing, HUD has designed the Rental Rehab. Program to provide rehab. financing in conjunction with rental subsidies for low income tenants. The Town has applied for \$100,000 in rehab. financing and 20 subsidy certificates over a two year period. The application is currently being reviewed by the Executive Office of Communities and Development with approval expected in 1985.

#### School Reuse

The Planning Board continued its role as staff for the School Reuse Committee in 1984. The assistance included securing the closed schools, preparing developer kits, and hearing special permit applications for the reuse of the schools. Sale of the John Adams and Washington Schools was approved at Town Meeting. Preparations are underway to dispose of both Bicknell and Central Junior High School.

## Liaison

Board members and staff are requested to assist on certain projects or sit on committees throughout the year. Board member liaison included William Begley on the School Reuse Committee and Libbey Park Subcommittee; Martin Joyce on the Libbey Park Subcommittee and Fair Housing Committee; Joseph Hayes on the Conservation Commission; Robert Lang on the Metropolitan Area Planning Council, Sign Bylaw Committee and Libbey Park Subcommittee; Francis Murphy on the Zoning Bylaw Committee and Libbey Park Subcommittee; and John Youngclaus on the Sign Bylaw Committee. Staff served on the following committees: James Clarke - School Reuse and Redevelopment Authority, Joseph Nugent - Fair Housing Committee, Rod Fuqua - Zoning Bylaw Study Committee and School Reuse Committee, and Amintha Cinotti - Lakeview Manor Steering Committee.

## Transition

Nineteen eighty-four was a year of personnel changes to both the Board and staff. Francis E. Murphy, a Board member for ten years, was elected to the Board of Selectmen in May, 1984. We wish him the best and hope that his leadership and good judgement shown during his years on the Planning Board will serve him well as a Selectman. Alan Perrault, Alfred Charpentier and Frank Vinitsky all left the Town's employ during the year. Alan coordinated the Town's Community Development Block Grant Program and played an important role in revitalization of Jackson Square and Lovell Playground.

The Board welcomes Paul Dillon, who replaced Francis Murphy and staff members Amintha Cinotti and Brian Currie.

The Board wishes to thank Martin Pillsbury from M.A.P.C., who along with student volunteer Mary Beth Froncillo researched and prepared the Watershed Protection Study. A special thanks from the Board is reserved for the following citizen volunteers who served on the Planning Board subcommittees during 1984.

### Sign Bylaw Committee

Robert S. Lang, Chairman  
Jerry Freeman  
Ed Meehan  
Louise Oteri

REDEVELOPMENT AUTHORITY

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

*East Weymouth, Mass. 02189*

January 29, 1985

Board of Selectmen  
Town of Weymouth  
Massachusetts

Gentlemen:

The Redevelopment Authority held several meetings during 1984. Although the Authority was not actively involved in any ongoing projects, we kept abreast of economic development in the Town and began preparation for several potential projects. The Authority continued to support the development of Libbey Park and is prepared to offer any assistance necessary to insure the development of a quality project.

The examination of surplus property owned by the Town continues, focusing on areas zoned for industry that could be assembled and marketed by the Town. The Authority hopes to move forward on this project in 1985.

Respectfully submitted,

Weymouth Redevelopment Authority

Richard W. Blazo, Chairman  
John P. Reilly, Vice-Chairman  
James Rodick, Secretary

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS  
STREET LIGHTING COMMITTEE

January 9, 1985

Board of Selectmen  
Weymouth Town Hall  
75 Middle Street  
East Weymouth, MA 02189

ANNUAL REPORT 1984

Honorable Board:

The Street Lighting Committee is pleased to report that in the year of 1984 we have continued the practice of trying new ideas in municipal lighting, in an effort to bring better lighting for greater safety.

New modern, underground utility developments will have to be evaluated for street lighting, because of the high cost of installation.

Numerous request from the residents of the Town were received during the year for additional lighting and those requests were processed in accordance with the best lighting practices and we tried to stay within our budget, even with added fuel costs.

We assure the taxpayers of the Town that the only additional street lighting that we approve is essential and authorized by this Board.

Respectfully submitted,

Robert L. Quindley Chairman  
Marilyn J. Quindley, Secretary  
John Deveau

Karl F. Heine

## ANNUAL REPORT OF THE LIBRARY DIRECTOR

The Tufts Library is the center for the educational, cultural and recreational reading needs of the residents of Weymouth. The library is one of a group of local libraries under the auspices of the Quincy sub-region; which in turn is part of the Eastern Regional Library System; one of the areas that together make up the Massachusetts State Public Library Association. This ever widening network enables the local library user to access the resources of many library collection.

In his report, the chairman of the Trustees addresses the issue of automation as a major concern of The Tufts Library. The library has been represented on various committees of the 26 member libraries engaged in assessing the needs and costs of this on-going project. It has become apparent that no library will be able to raise enough funding to advance in automation under local monies. It is therefore both prudent and wise that Weymouth seek membership on this sub-regional level so that in the future The Tufts Library will not be an isolated community with the town finding it necessary to underwrite the total expenditure.

The library has been fortunate to qualify for Block Grants administered through the Planning Office. A complete new heating system was installed at the North Weymouth Branch and is now operational. Another grant has allowed the Trustees to sign a contract with an architectural firm, recommended by a Designer Selection Committee of The Tufts Library to assess the structural renovation needs of the Fogg Library. We appreciate all the time and effort expended by the Planning Department in helping achieve these goals.

The Arts Lottery Council and the Friends of the Weymouth Libraries once again have purchased the family pass program to the Boston museums; also, a professional team of storytellers was available during Christmas vacation through the generosity of these groups. It is always a pleasure to see how well received these programs are each year. We have purchased an additional number of records with funds received from the Arts Lottery Council. This money helps us to extend the book budget which, because of the rising cost of books, has inhibited the purchasing power of the library.

Reading programs sponsored by the schools and the library have had an impact on the usage of the Children's books and areas; both increased dramatically during the Summer months. The pre-school story hour has continued to thrive for well over twenty years. This popular weekly event is sometimes accompanied by other programs offered to parents of children attending the story hour.

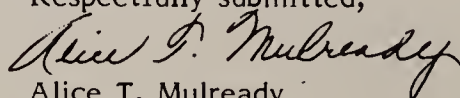

In December an open meeting was held to enlist new members for the Friends of the Library Group. The coffee hour was quite successful and we are looking forward to more meetings and ideas in the coming year to aid the library. We are always mindful of the need to once again be able to offer more branch hours and we will continue to pursue all avenues that will give additional monies to assist in this project.

After twenty years of dedicated service, Miss Helen Nye retired as Young People's Librarian. While this was her official title, there are many residents, both young and old, who will miss the presence of Miss Nye at the entrance to the Main Library.

I would like to thank all those who have donated their time to aid the library this year; and all those who have given books both to the library and the book sale. Many people have donated gift funds in memory of loved ones and we are, as always, deeply appreciative of their generosity.

The staff and I are looking forward to another year of providing quality library service to the citizens of Weymouth.

Respectfully submitted,

REPORT OF THE CHAIRMAN OF THE TUFTS LIBRARY TRUSTEES

TO THE CITIZENS OF WEYMOUTH:

Despite the financial restraints placed upon the operating budget of the libraries, Miss Mulready and her able staff continue to provide the maximum of services to the community by sound planning and dedicated performance.

With much appreciated assistance from the Planning Board and Planning Department, the ineffective heating system at the North Branch has been replaced. Also, with the assistance of the Planning Board and Planning Department, the structural problems of the Fogg Library are being investigated. The Fogg Library was constructed in 1897-98 of Weymouth seam face granite and Indiana limestone. Placed on the National Register of Historic Places in 1981, the Fogg is an outstanding example of late Victorian Architecture. The building is in need of many repairs to preserve weather tightness.

Although only in the planning stage, the proposed Old Colony Library Network signals the eventual advent of the computer to our libraries. The proposal seeks both federal and state grant money to link 26 communities to a central computer, and would be similar to the Minuteman consortium for 18 towns in the Westwood-Wellesley area.

During this period of austerity, consideration of possible inclusion in a computer-based network at first, may seem like an extravagant idea, until one realizes that our area is one of the few in the state without a network.

On behalf of the Board of Trustees, I would like to thank the volunteers who have assisted the staff, and the Friends of the Library for conducting the annual book sale and other appreciated assistance.

To the members of the Board of Trustees, my sincere gratitude for your unending cooperation and concern in addressing issues, and your dedication to the community.

Respectfully submitted,

Neil L. Russo

REPORT FROM THE CHAIRMAN OF THE SCHOOL COMMITTEE  
AND  
THE SUPERINTENDENT OF SCHOOLS

TO THE CITIZENS OF WEYMOUTH:

Although the appropriation of funds to pay the costs of educating children in the Weymouth Public Schools has improved somewhat from the early bleak days of Proposition Two and One-half, the struggle to fund public education at a level appropriate for Weymouth children continues. This year the Town Meeting voted that \$147,913 be deleted from a budget which was well below the State average in per pupil expenditure, leaving school administration and School Committee the unpleasant task of cutting back some areas of its recommendations.

Remarkably, the quality of public education in Weymouth has remained high — thanks in part to teacher dedication, to a high commitment by the School Committee and school administration to finding productive solutions to problems, to a strong support by parents — either individually or as parent groups —, and to the students themselves who are working harder to make the most of their educational opportunities.

The evaluation by the National Association of Schools and Colleges of North High School and the Vocational-Technical High School (South's evaluation will be completed the following year.) bore out our own high esteem of the soundness of our programs and curriculum which are available to our students. Rising achievement by students as shown by our testing programs and the College Boards reinforces that quality teaching is being rewarded by steady learning growth on the part of students.

Almost parallel with the highly positive national mood of enthusiasm for future achievement and commitment of purpose, Weymouth students are again demonstrating a "no-nonsense" approach and appreciation of the public education they are receiving in Weymouth.

We do have concerns. Our school buildings need attention. All school buildings undergo enormous stress and wear every year and for the past few years budget dollars have been diverted for more pressing instructional needs. We are preparing a Special Article for Town Meeting to meet the maintenance needs of our buildings. Student textbooks, library books, and other instructional materials must keep pace with the times. Increasing demands for computers by all departments at all levels will require that we continue planning curricular materials and purchasing computers so that all students have access to this equipment and enter the computer age on equal footing with students from other communities. Although a special article at Town Meeting provided \$92,000 for installing computer classrooms in vital instructional areas, a second year of funding is needed so that student computer needs are met in other instructional areas. We have yet to reinstate programs for academically talented students at the elementary level of sufficient scope to challenge these particular students to stretch their learning growth, thereby avoiding an easing off on their own expectations.

Most refreshing this year was the increasing interest that the public is placing in their schools. Attendance at school functions, at open house, and at parent/teacher conferences is up. The activities of individual school parent groups and councils and the Town-Wide Parent Council have done much to involve the public in getting the kind of education they want for their children.

The reports that follow provide more detailed information about the Weymouth schools in 1984.

Respectfully submitted,

Sulo A. Soini  
Chairman, Weymouth School Committee

Leon H. Farrin  
Superintendent of Schools

THE SECONDARY SCHOOLS - Robert D. West, Associate Superintendent

In keeping with required accreditation procedures and by prescribed schedule, external evaluations came to secondary schools in Weymouth during 1984. Separate teams from the New England Association of Schools and Colleges visited both Weymouth North High School and Weymouth Vocational Technical High School and, after an intensive study of materials, classroom observations, and site inspection, issued very positive reports. In its assessment, the Weymouth North evaluators described the school as a "well-run and well-running high school." The school was seen to have "a solid philosophy and set of objectives, an excellent staff, and a curriculum appropriate to the population served. The report of the team that evaluated the Vocational Technical High School commended "a well qualified staff, committed to the implementation of various programs" and for the "effort to meet the needs of students at varying levels of ability." At Weymouth South High School, the self-study phase of the evaluation process has been completed and everything is in readiness for the arrival of a visitation team in the spring of 1985.

Even as these activities with their positive feedback were in progress, the Weymouth Secondary Schools Curriculum Review Committee continued its own work to study and develop the total program. The elevation of standards continued to be an important theme at both the junior and senior high school level. Additions and modifications in academic and student conduct regulations were adopted to clarify existing practice and/or to establish or revise policy where experience had indicated it was necessary. Worthy of particular note in this regard are the following:

- Viewing it as the most important of skills, seventh graders testing below grade level were scheduled into reading classes on a daily basis.
- The number of points that a student must pass to earn a Weymouth high school diploma was increased from 190 to 200, effective with the class of 1987.
- Minimum course load requirements for high school students were increased.
- Effective with the class of 1987, requirements for award of a diploma were increased to include a minimum of 20 points in math.
- Already required to take two semesters of English in the senior year, in the interest of insuring that a balance is maintained, seniors will be required to take at least one semester of literature.
- The attendance policy at the Vocational Technical High School was strengthened and brought in line with the other high schools.

There were other program developments during 1984 and, although simply representative in nature, some brief details are offered below:

- To assist students and parents in the identification of the difficulty of courses in the program, a common terminology and numbering system was adopted. Referencing the last digit in the course number, the new code reads: 1-Honors, 2-Academic, 3-Modified, 4-Basic.
- To encourage and provide opportunity for students to utilize their talents as part of their educational experience, a

Community Service Program was established.

- To expand educational opportunities for vocational students, the director of the school and several department heads combined forces to create and offer new electives such as Typewriting, Italian, and Techniques of Reading.
- To better serve the needs of vocational students, the mathematics and social studies programs at that school were expanded and strengthened.
- To stay current with available technology and instructional methods, new computers were acquired for use in the industrial arts, science, and mathematics programs.
- To help insure that instruction can proceed in an ordered setting, the disciplinary code as found in the student handbooks was refined and expanded.
- To provide clarity and uniformity of interpretation, formal action was taken to include suspension as a form of absence and, therefore, equally subject to the secondary school attendance policy.
- To bring increased attention to the academic achievement of our students, the Weymouth schools participated in the new Presidential Academic Fitness Awards Program. Thirty-three high school students qualified and received presidential awards. In addition, five Weymouth seniors earned Certificates of Academic Excellence, an honor given by the Massachusetts Association of School Superintendents.

Other events of note in 1984 included the election of Mrs. Jean Thomas as Chairperson of the Business Education Department, succeeding Jacqueline Chittenden, who retired. Weymouth's College Board Scores improved again, and the great majority of the Weymouth students continued to demonstrate basic skill attainment through their performance in the State's basic competency testing.

Weymouth students continued to earn distinctions in athletics, art, music, writing, mathematics, foreign language, and science. Along with the staff, they also continued the tradition of giving generously of their time, talent, and finances to many volunteer and charitable activities.

#### THE ELEMENTARY SCHOOLS - John P. Hackett, Assistant Superintendent

The Weymouth elementary schools, under the leadership of the elementary principals, continue to offer to the young children of Weymouth a solid basic education.

Heavy emphasis on the basic skills of reading, writing and computing result in test scores well above the national average on the Comprehensive Test of Basic Skills administered every April. Weymouth children scored well above grade level as indicated in the following summary:

	<u>Grade 3</u>		
	<u>Reading</u>	<u>Language</u>	<u>Math</u>
Grade Level Achievement	4.2	4.5	4.4
	<u>Grade 5</u>		
Grade Level Achievement	7.3	8.7	7.3

A Gates MacGinitie reading test administered to all Grade 6 students shows their mean achievement to be at a middle seventh grade level.

Despite these encouraging test results, the Weymouth elementary schools are continuing to study, review, and improve our basic program in light of the many concerns about public education expressed in the news media.

This year we have implemented a new social studies program in grades four, five, and six. A new homework policy was approved by the School Committee which requires every child in grades one to six to complete assigned reading and work in other basic skills a minimum of three times a week.

The combination of required summer reading for elementary students and the opening of our elementary libraries was a tremendous success. The overwhelming majority of children read during the summer and reported in September on a minimum of three books. Most children read far beyond the minimum requirement. These good reading habits are being extended during the school year.

Nine elementary libraries were open one morning a week during the summer vacation. Over 4000 books were circulated and over 2800 children and parents visited the libraries. There was a marked increase in the use of the Tufts Library.

The reading completed has helped the children to maintain and improve their reading skills over the summer.

A new report card was developed for grades one to three and for the first time kindergarteners received a formal written report card in June.

The elementary staff continues to offer the young children of Weymouth a solid foundation in basic skills so they will be well prepared for their secondary education.

#### SPECIAL NEEDS SERVICES

PUPIL PERSONNEL SERVICES - Lawrence G. Lambros, Director of Pupil Personnel  
Administrator of Sp. Education

Children and teenagers found to have special needs through the core evaluation testing process under Chapter 766 procedures are placed in any one or more of a number of programs. Except for those children most severely handicapped, children with special needs remain in the regular education program and in the mainstream of on-going school life as often as possible, while at the same time attending the special needs programs for specific help.

Sixty-one specially trained teachers and therapists work with close to 1100 Weymouth students who require a variety of special services. Parents, administrators, teachers and specialists work closely together to carry out individualized educational plans for special needs children in support-oriented resource room programs and special class programs.

Nine adjustment counselors and three school psychologists work with students and their parents to help deal with school failure and behavior disorders.

Twenty-one federally funded specialists also work with handicapped students in Weymouth. Federal funds provide for close to twenty percent of services to the handicapped students in Weymouth. Loss or curtailment of these funds would be devastating to the Special Educational program.

<u>Programs Within Weymouth Schools:</u>	<u>Number of Students Serviced</u>
Pre-school - Special Kindergarten Program	32
Slow-learner Program	196
Adjustment Counseling Program for Social and Emotional Problems	274
Learning Disabled and Perceptually Handicapped Program	282
Speech and Language Impaired Program	195
Blind and Partially Sighted Program	2
Deaf and Hearing Impaired Program	5
Physically Handicapped Program	19
Severely Retarded and Sheltered Workshop Program	37
Severely Disturbed Program	19
Weymouth Alternative High School and Junior High School Program	28
Home Teaching (short-term illness) Program	32

Tuition Out Programs in Private or State Schools and Institutions:

Multiple-handicapped - Severe	8
Blind	2
Deaf	2
Physically Handicapped	10
Emotionally Disturbed - Severe	8
Severely Retarded	13
Learning Disabilities - Severe	2
Aphasic	2

SCHOOL BUSINESS SERVICES - David J. Hines, Assistant Superintendent

The Massachusetts Department of Education, Bureau of Nutrition Education and School Food Services conducted a review of the Weymouth School Food Service Program in 1984. The review is conducted every four years and is a requirement of the United States Department of Agriculture. The evaluation criteria is set forth in the Assessment Improvement and Monitoring System, also known as A.I.M.S. The evaluators found that the Weymouth program exceeds the established performance standards and commended the director on his efforts to increase participation. Other areas examined were menu planning and meal analysis, sanitation and safety, equipment and facilities, record keeping and purchasing.

The former manager of the electronic data processing center has returned after a period in private industry. The E.D.P. center has continued to expand its activity as well as upgrade existing programs. The school applications of attendance, report cards scheduling and other miscellaneous programs need to be upgraded in technology. A second printer that will be used for back-up and during heavy printing periods has been acquired from a company without cost to the Town.

The school maintenance department has spent considerable time over this year conferring with engineers about the best way to correct heating problems at South High School. After examining four alternate methods, a final approach was agreed upon between the design engineer, the review engineer, and the Director of Maintenance. Specifications were issued and bid proposals received for this project as well as boiler/burner work in six other schools. The heating work will be accomplished with funds derived from the sale of former school buildings and voted at the Town Meeting.

In 1984 the Vocational-Technical High School was visited by an evaluation team from the New England Association of Schools and Colleges. Among the standards included in the evaluation and incorporated in a report to the Commission on Vocational-Technical Career Institutions were plant and equipment objectives. The visiting committee looked to see that the plan is consistent with the vocational or technical objectives of the school, and the facilities are operated to assure the safety and health of both students and faculty. The equipment used for the purposes of instructing vocational skills must be sufficient in quantity and appropriate in quality and of recent design. The commendations and recommendations included in the Report of the Evaluation Committee are currently being acted upon by the vocational school faculty and administration.

The North High School was also visited by an evaluation team simultaneously with the vocational school evaluation. The report included the comment that considering the age of the facility, the exterior of the building is pleasant as is the general interior of the building. The heating plant has been made more efficient with the recent addition of new burners and computer controls. The school facility has significant structural problems as well as maintenance, and the lack of repair and replacement of equipment increasingly hinders the already complex learning-teaching process. The commission concludes with the hope that the evaluation report, in conjunction with the findings of the self-study of the school will stimulate a result that will make a good school even better.

## REPORTS OF COORDINATORS, DIRECTORS, AND DEPARTMENT HEADS

### ART DEPARTMENT - Hugh J. Sloan, Jr., Coordinator

During the past twelve months Weymouth learners have benefited from the following instructional opportunities in art:

Museum In The School Through completely voluntary efforts and the availability of Mr. Chester Kevitt, curator of the Weymouth Town Museum, interested Weymouth teachers are developing instructional strategies that will allow Weymouth students to personally examine priceless artifacts, diaries, journals, etc., that span over five centuries of time. This unparalleled opportunity results in Weymouth learners' personally examining Indian tools dating back to the fifteenth century, examining an original text of the 1650 Blue Laws, reading the personal diaries and correspondence of Captain Charles Hastings of South Weymouth, who served this country during the Civil War.

A basement resource room has been established at South Junior High, where both teachers and students are meeting and rediscovering our rich heritage which otherwise would have been separately housed in glass cases in remote institutions.

The following Weymouth Public School students have successfully competed in Scholastic Art Competition and have work displayed at Emmanuel College, Boston: Colleen Kelly Emmett (gold key) North High School; Joanne Gubbins, South High School; and Susan Youngworth (both gold keys) South High School.

From approximately twenty commercial design students' submission of cover designs for the Weymouth Town Report, Richard Fox of Weymouth South High was declared the winner: a montage of three Weymouth landmarks - the Abigail Adams Homestead, Weymouth Town Hall, and the Fogg Opera House.

Youth Art Month was celebrated at the John F. Kennedy Library. Eighteen samples of elementary, junior and senior high work representing the Weymouth Public Schools was selected by Mrs. Brown's screening committee for display in this prestigious building.

Art students recently in an independent study/learning program called T.A.G. (talented and gifted) participated with their parents in a drawing and history field trip from Weymouth's highest elevation, Great Hill, North Weymouth. The North Weymouth site provided each student and parent with a personalized station point to visually record from a preserved Weymouth hillside a commanding view of Grape Island and a background of Quincy, Dorchester and Hull. As students and parents sketched, Chester Kevitt, author and Weymouth Town Museum Curator, provided all participants with details as to why the 1775 Grape Island Alarm occurred.

### ATHLETIC DEPARTMENT - William Dempsey, Director

Weymouth High Schools' sports teams had a very successful year. The girls' sports at Weymouth North and the boys' sports at Weymouth South won the Old Colony League All Sports Trophies. One interesting aspect of this honor concerns current enrollment figures. When the League considered the entry applications of our two schools, they were worried about the size of the schools. This past year, Weymouth South has the smallest enrollment in the League. Weymouth North, without the Vocational School, had an enrollment smaller than South.

The lack of freshman teams in some sports continues to impact adversely on the quality of play of our younger team members. We hope to correct this gap in the future.

Volleyball has been introduced as a Fall girls' sport team at North. They competed successfully with an independent schedule.

Although student enrollment continues to drop, we find larger numbers of students are availing themselves of an opportunity to participate in our sports programs.

Mention should be made of the excellent support our Booster Clubs have given our sports teams. Some of the impact of a decreased budget has been alleviated through the financial aid given to both schools by our various

booster organizations. Their help is deeply appreciated.

#### BUSINESS EDUCATION DEPARTMENT - Jean E. Thomas, Department Head

The Business Education Department continues to provide young men and women with knowledge and training which enables them to enter and to contribute to the world of business.

We not only offer occupational preparation but also add to the economic understandings essential to becoming effective members of society.

As a referral agency, the department maintains close contacts with the business community, placing former and present students in full and part-time positions.

Business Education students and their teachers continue to provide secretarial and production services for school administrators and teachers, as well as for school sponsored activities, now with the aid of a word processor.

During the year an interdepartmental activity took place. The Business Principles and Management Class at Weymouth South High underwrote a stock issue for an Industrial Arts project.

This year also saw the retirement of Miss Jacqueline Chittenden, Chairperson. The quality of our offerings, the attitudes inculcated into the students, and their subsequent successes are due in no small part to this very vital person.

#### ENGLISH DEPARTMENT - Beverly Lutz, Department Head

The English Department continued its commitment to a strong basic skills approach in the areas of reading, writing, speaking, and listening.

The required summer reading program was expanded to include all students in grades 7-12 regardless of level. A follow-up testing program was administered in the fall, and grades were recorded on the first term report card.

The Massachusetts State Basic Skills Assessment in Reading and Writing demonstrated continued achievement at the eighth grade level. In addition, the Gates MacGinitie Reading Test (grades 7-11) and the Nelson Reading Test (grades 7-8) were given to students in English and reading classes to assure proper student leveling and to monitor student progress.

Two senior, college preparatory courses were developed during curriculum inservice held in the summer: Contemporary Humanities, an advanced placement course, and World Literature, an academic course, offer challenging programs for students planning to attend a four-year college.

The year-long modified English curriculum was reviewed by staff members during a summer workshop and appropriate texts and materials recommended for grades 7-11.

The English College Board Review elective course for juniors and seniors was opened to capable sophomores for PSAT and SAT preparation. After school courses continue to be offered to students in the fall in preparation for annual PSAT's and SAT's.

Our students continued to achieve in writing contests held nationally and locally. The Massachusetts Colonial Dames of America selected five out of six Weymouth students as state finalists in their national contest. These students and their teacher were honored at the Woman's City Club in Boston last fall. The Weymouth Rotary Club heard two ninth grade students read their prize winning essays at their annual business meeting held last spring.

The staff will continue to assess the English program evaluating curriculum and student performance on a regular basis.

FOREIGN LANGUAGE DEPARTMENT - Edward A. Porter, Department Head

The past year has been very productive for the Foreign Language Department. For the first time in many years, the percentage of high school students who are taking a foreign language is now well over 60%. This increase of more than 10% from previous years is probably due to the Massachusetts Board of Regents' new standard which requires students to have studied at least two years of a foreign language in high school in order to be accepted at a state college.

The Weymouth Foreign Language Department is now offering Italian at the Vocational-Technical High School in response to a survey of student interests and needs which was given to students at that school last year. Many of these students who are enrolled in Italian plan to attend college after graduation; others want to learn more about their language of heritage.

The department is also now offering Russian at South High School, since there were twenty students who signed up for the course. We hope to continue into an advanced sequence in this very important language on an independent study basis under the direction of the department chairperson.

For the 1984-1985 school year, we have also begun a complete revision of the texts and materials used in the high school Spanish program. This revision will take two years to implement. As of this year, the entire French program has been revised with the latest books and materials.

Interest in Latin continues at a high level at both high schools. Many students are finding that a year or two of Latin is helping them considerably in the Verbal Section of the SAT Examination used to determine college admission. Both the Italian program at North High and the German program at South High continue to attract many students who want to take a second foreign language.

For this school year, the department has purchased computer software programs in French, Latin, Spanish, German and Russian. These programs are being used daily in the classrooms at South High on an Apple Computer. We hope to have the same programs available for use on the Apple Computer at North High in the near future. Students have commented very favorably on the assistance provided by the computer software. Classroom usage is almost 100% in terms of student participation and time on task.

Finally, the department intends to revise its program of studies in German during the upcoming summer curriculum workshop.

HEALTH AND PHYSICAL EDUCATION - David G. Lister, Coordinator

The physical, mental, social, and emotional well-being of our young people is constantly being challenged as they seek to survive and develop in our complex society. The Department of Health and Physical Education continually seeks to improve its ability to assist all students to meet these challenges and develop to a happy, healthy, and satisfying adulthood.

Highlights of 1984 include a special introductory physical education course, piloted with all grade nine students to assist them in their transition to high school. Outside professionals in aerobics and square dance were brought in to enrich our efforts in these areas. Under the supervision of the physical education staff, a student teacher organized students at South High to participate in the American Heart Association's Jump-Rope-For-Heart Program, raising over \$335 for the Association. Also, through the continued efforts and cooperation of Pupil Personnel Services Director Lawrence Lambros, the adaptive physical education program was expanded.

In Health we again certified close to 400 students in CPR (Cardio-Pulmonary Resuscitation) and First Aid. There was a revision and updating of the grade 5 and 6 Drug and Alcohol curriculum. An exciting and very successful part of this revision was the development of a peer contact program. High School students visited with grade 6 students, talking and answering questions about life in junior high and high school. Many of the younger students concerns about peer pressure, drugs and alcohol were put to rest. The department also sponsored numerous special programs for secondary students on smoking, alcohol and drinking and driving (presented by the Massachusetts Safety Council).

## HOME ECONOMICS DEPARTMENT - Betsey Erickson, Department Head

The Home Economics Department provides students with training and knowledge they will need as responsible and informed consumers, either as heads of households or single adults. The program is designed to help all students develop abilities, attitudes, appreciations, and understandings necessary for achieving satisfying personal and family living. It emphasizes preparation for the dual role of home and employment responsibilities. The program includes opportunities for preparation for employment in home economics-related occupations. The general areas in which students are trained are foods and nutrition, clothing and textiles, family relationships and child development, housing and consumer education. All courses emphasize good management of time and resources, the realization of logical and rational values, and the development of positive interpersonal relationships. A comprehensive home economics program is required of all grade 7 and 8 students. Approximately 1300 students were enrolled in 1984. At the high school level approximately 1000 in grades 9-12 elected a variety of home economics courses.

The Home Economics Department continues to use federal funding to provide vocational training to special needs students in a food service program. A new project is providing the opportunity for students and teachers to use computer power across the home economics curriculum and to assess the microcomputer's implications for themselves and their families.

An important arm of the Department is the Future Homemakers of America. As a co-curricular activity, FHA has organized chapters in each secondary school. From 200 members have come six state officers. Locally, this organization provides services to families and neighbors by providing baby sitting services and child care parties, to the elderly by presenting special programs, and to merchants by involving them in community service. FHA assists the student body by maintaining "Peer Education" bulletin boards and other informational and fund-raising activities while raising school spirit. Its own members receive training in leadership skills like public speaking and decision making. FHA is an important source of information and training to students to enhance their impact on the public welfare. A special project, "Kids on the Block," a puppet show program designed to help teach able-bodied children about what it is like to be disabled, was presented both locally and outside the community.

## INDUSTRIAL ARTS DEPARTMENT - Dr. Richard Talbot, Department Head

During the 1983-84 school year, the Industrial Arts Department continued to emphasize to students the importance of current and emerging technology. The Industrial Robotics course was expanded so that students at both high schools can now enroll.

The presence of computers is expanding in Industrial Arts programs as in the American workplace. Arrangements were completed for the introduction of computer assisted drafting techniques into a variety of technical drawing courses at both high schools. Recent surveys completed by employers in the greater Boston area indicate that a knowledge of CAD/CAM operations is becoming a necessity for those who develop and utilize technical drawings in their work.

At the junior high level, arrangements were completed to provide image generation via computer for students in the eighth grade graphics arts classes. The facilities for this activity will be shared with students and faculty in the Art Department at South Junior High to begin with, and providing such an effort meets with success, it will be expanded to East Junior High School as soon as facilities can be secured.

At the close of the school year, curriculum workshops were held once again for the purpose of examining existing course content in the subject areas of Manufacturing and introductory Electronics. Revisions were completed which are intended to keep student laboratory activities relevant to today's and tomorrow's employment requirements.

The entire staff and especially the members of the Industrial Arts Department were shocked and saddened by the untimely death of Mr. Lionel (Luke) Schensnol, a member of the department at South High School. Mr.

Schensnol will be missed by his friends, fellow staff members, and students who were such an important part of his life.

Staff within the Industrial Arts Department took part in and were in part responsible for the successful evaluation process which was completed at North High School. The results of the process were seen as supportive of the program in operation and serve to encourage the department to continue to emphasize the role of technology in preparing students for their role as productive employees of the future.

#### MATHEMATICS DEPARTMENT - Gerard Swanson, Department Head

The mathematics curriculum was expanded this year by the addition of a new course in computer programming entitled, "Computer Programming with Pascal." This course, offered at the honors level, is designed for students who may wish to major in the field of computer science at college. Upon successful completion of the course, students may elect to take the Advanced Placement Test in Computer Science, which is given in the Pascal language, and thereby be eligible for college credits. The expansion of our curriculum was made possible as a result of the School Committee's approval of the installation of a computer network system in each high school. Each system can accommodate 12 students simultaneously and may be used to teach not only the Pascal language, but also Basic.

The availability of additional equipment has enabled us to respond favorably to a request by students that a level III introductory course to computer be offered. This new course will be part of the 1985 mathematics curriculum and thus should enable any student who so desires to develop a degree of computer literacy commensurate with his/her ability.

Both the Weymouth North varsity and junior varsity teams were named champions of the South Division of the Greater Boston Math League. In competition with eight other schools, the North teams accumulated the greatest number of points to capture both trophies. David Murphy was the division's top scorer.

In the National Mathematics Exam, sponsored by the Actuary Society, David Murphy became the first Weymouth student ever to be named a finalist, finishing in the top five percent. As a result of his many fine accomplishments, he was named math student of the year.

Weymouth South's Math Team won the Division III championship by defeating eleven other teams in playoff competition. Richard Duseau and Sean Donovan were high scorers.

The recipients of the top three awards in mathematics at South were Richard Duseau, Gold Medal; Kim Kline, Silver Medal; Scott Menice, Bronze Medal.

#### MUSIC DEPARTMENT - Paul Warren, Director

The music program, as in the past, provided opportunities for a wide range of experiences, both vocal and instrumental, to students at all grade levels.

Highlights of the instructional program for 1984 included the provision of new third grade music textbooks and records, a California trip to Disneyland by the North High Band, the performance of a select elementary chorus at a Southeast Philharmonic Orchestra concert, and the awarding of \$3,000.00 in scholarships by the Music Parents' Associations.

In addition, large numbers of students participated directly in these music programs:

- 224 elementary students began their study of a musical instrument.
- 580 elementary students participated in school choruses.
- 190 students at all levels registered for private instrumental music lessons.
- 104 junior high students participated in their school bands.
- 183 junior high students sang in their school choruses.
- 119 students elected band in high school.

298 students registered for the 26th annual Solo & Ensemble Festival.

Other performance highlights included a Music Parents' concert featuring bands and choruses from both high schools. Winter, spring and holiday concerts were held in all secondary schools. Seasonal and special programs were provided in all elementary schools. Weymouth students provided special programs and concerts for nursing homes, churches and hospitals and participated in tree-lighting ceremonies in Jackson and Bicknell Squares.

The following statistics indicate outstanding individual achievement for specific events.

- 5 students qualified for the Southeast District High School Festival which was held in Falmouth.
- 2 students were selected competitively for the New England Concert Festival in Glastonbury, Connecticut.
- 12 students participated in the New England Solo & Ensemble Festival at the University of Lowell.
- 1 student made All-State and participated in the All-State Concert Festival at the University of Lowell.
- 1 student won a trophy at the 26th Weymouth Solo & Ensemble Festival Artist Division Concert held at South High School.

SCIENCE DEPARTMENT - Timothy F. Daly, Department Head

In 1984, the Science Department experienced several changes - an additional science requirement for graduation, a new level 4 course, additional laboratory sciences, a reduction in staff by two, a stable junior high staff, two leaves of absence, and two new level 1 courses for freshmen and sophomores.

Science education continues to be strong for interested staff. Two staff members attended a physics workshop at Boston College and earned 18 credits; one attended a monthly seminar at Boston University; another attended a 16-hour workshop on safety. Fifteen staff members attended the National Science Teachers Convention in Boston. Students participated in the judging of elementary science fairs.

Tremendous energies were devoted to securing computers for science at both high schools. Through efforts at town meeting, fifteen Apple IIe computers are in place system wide.

SOCIAL STUDIES - Douglas Blake, Department Head

A Curriculum Workshop was held during a two-week period in July with six teachers participating. The Workshop developed updated curriculum guides for Grade Seven and the high school course Sociology. New curriculum guides were developed for the Basic Level grade eight and nine U.S. History courses. Recommendations were also made for the acquisition of new texts and audio-visual materials for each course. Recommendations were also developed for additional courses and requirements in the social studies area to be adopted for the 1985-1986 school year.

SCHOOL EXPENDITURES FOR 12 MONTHS BUDGET ENDING June 30, 1984

Account Classification	Expenditures
ADMINISTRATION	
School Committee Consultants	\$15,441.74
Legal	4,678.50

# WEYMOUTH ARTS COUNCIL

14 LANTERN LANE  
WEYMOUTH, MASS. 02188

January 10, 1985

To: The Honorable Board of Selectmen  
Annual Report - 1984

Dear Madame and Gentlemen:

The January and July funding periods brought in excess of \$42,000 in grant requests from the Arts Council. Arts Lottery funds totalling \$27,875 were awarded to the following grant recipients for projects ranging from concerts, plays, new records to the library, a quilt, murals and films:

The Company Theatre, Fine Arts Chorale, Southeastern Philharmonic Orchestra, Weymouth Art Association, Abigail Adams Historical Society, Weymouth Historical Society, Friends of the Weymouth Library, Weymouth South High School Parent Council, North Weymouth Civic Association, "Folio", Carolyn Sammon, Elliot Hoffman, Tony Osgood and the Art Council.

On Sunday, August 19, we sponsored our first "Seaside Celebration", a very successful afternoon of music and entertainment at Webb Park. In cooperation with the Webb Park Advisory Committee we paid tribute to Mr. & Mrs. Theron Cain for their large contribution and years of community service to the Town.

A reenactment of the old fashioned Quilting Bee was held on November 10th and 11th for the "Weymouth Quilt". This attracted some fifty women of all ages to participate in stitching this original art work symbolizing Weymouth's history. In the weeks following, many returned afternoons and evenings to work on it. Over twelve hundred hours went into the completion of this exquisite work. Our sincere thanks to Carolyn Sammon for proposing, designing and executing this project through it's completion.

On December 17th, the Arts Council formally presented the Quilt to the Town of Weymouth as a gift to commemorate the 240th anniversary of Abigail Adams' birthday.

Respectfully submitted,

Dolores E. Nourse, Chairman

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

402 ESSEX STREET  
WEYMOUTH, MASS. 02188  
335-2000 EXT. 44

January 23, 1985

The Honorable Board of Selectmen  
Town of Weymouth  
Weymouth Town Hall  
75 Middle Street  
East Weymouth, MA 02189

Gentlemen and Mesdames:

The Park Commission herein submits the Annual Report for the year ending December 31, 1984.

Following the Annual Town Election, the Commission welcomed Robert G. Howley of North Weymouth, a civic minded gentleman of broad experience in recreation and athletic programming; who replaced former Commissioner Michael S. McGlynn, who did not seek re-election in favor of personal commitments.

With only a slight increase in the over-all budget the only encouragement for financing necessary facility repairs came via the HUD Program. The Planning Board recommended such funding for fencing; the correcting of erosion and drainage at Great Esker Park. These projects have been completed; and the Commission is looking forward to the renovation of Humphrey Field which was transferred to the jurisdiction of the Park Commission from the School Re-Use Committee via Town Meeting action this year. The Planning Board has recommended funding for this project which should be initiated this spring.

The following is a summary of the year round recreation program as offered by the Commission.

The 2nd annual Herring Run Road Race was held. An eight mile course, winding along the route taken by the herring as they make their way to Whitmans Pond from the ocean, was followed as parallel as possible along the Back River through Esker Park, from North Weymouth to the Herring Run Park. The winner was Chris Gorman of South Weymouth and the first lady to cross the finish line was Lou Ann Ashburn from Hull.

Supervised facilities sponsored by the Weymouth Park Department at Wessagussett Beach and Lake Street Beach were made available to the residents of Weymouth during the Summer of 1984 from June 24 through September 3rd from 9:00 A.M. to 6:00 P.M. daily.

Swimming, Lifesaving, First Aid and Small Craft classes were conducted for 2,275 students by twenty competent American Red Cross Water Safety, First Aid, Small Craft and Handicapped Instructors who were graduates of the American Red Cross Aquatic School in Lennox, Massachusetts.

Classes were taught throughout the summer in two sessions, five days a week, Monday through Friday; June 28 through July 23 and July 27 through August 20. Registration and Pre-testing were held on June 26 and June 27. Registration for the second session was held on July 25 and July 26. August 21 through August 23 were reserved for water show preparation and Red Cross, Park Department, and instructor administration.

Instruction was offered to Tiny-Tots, Pre-Beginners, Shallow Water Beginners, Advanced Beginners, Basic Rescue and Water Safety students, Advanced Life Savers, Water Safety and Small Craft Instructor Aides, First Aiders, Adults, Racers, Synchronized Swimmers, Basic Sailors, Kayakers, Basic Boaters, Canoers and Handicapped and Exceptional children. Weekly schedules and program information were published in the Weymouth News. Announcements, interviews, and class cancellations were aired over radio station WJDA in Quincy and Bay Shore Cable TV in Weymouth.

Both Beaches were patrolled daily from 9:00 A.M. to 6:00 P.M. by twenty four lifeguards. Head Lifeguard Mary Cole proudly provided guidance to the fifteen lifeguards assigned to Wessagussett Beach, while Charles Joy served as Head Lifeguard to the six lifeguards assigned to Lake Street Beach. Assisting lifeguards in maintaining safe waterfronts at both beaches were three Special Beach Police.

Administrators for the 1984 season were: Anthony Cavallo and Assistant Supervisors David Connolly and Gail Hall. Dave's responsibilities included administering the swimming program and organizing the annual Water Show at Lake Street Beach.

Gail was responsible for organizing the swimming program at Wessagussett Beach and directing the annual Water Carnival. As expected, Dave and Gail carried out their assignments in a very professional manner.

The summer programs were implemented on June 24th and June 28th after Supervisor/Assistant meetings and staff organization programs. Twenty lifeguards and three Beach Police needing to be re-certified in C.P.R. attended a re-training session from 9:00 A.M. to 5:00 P.M. on June 22th. All lifeguards (new and veteran) attended orientation on June 23rd where they were re-trained in various methods of resuscitation and up to date First Aid techniques. Lifesaving techniques were discussed, demonstrated and practiced by all participants. Also, at this time, all scheduling, general procedures, duties and responsibilities were clearly explained by the Supervisor and Assistant Supervisors. The instructor preparation (June 24th and June 25th) consisted of updating Red Cross courses and First Aid and Water Safety skills, swimming workshops and discussions of general procedures and responsibilities.

Staff in-service training continued throughout the summer with many members completing courses in C.P.R. training and standard First Aid to the injured. Staff members were also responsible for completing a weekly workout schedule.

Under the direction of Head Coach Donna Dempsey and Assistants P.J. McCue and Susan Bates, The Weymouth Park Department's Swim Team completed a successful season in the Wataqua League. Over one hundred and five youngsters trained daily at Wessagussett and Lake Street Beach in order to prepare themselves for competition.

During the summer season, instructors Susan Bates and Donna Dempsey directed the activities of our Synchronized Swim Team.

Our Small Craft Program at Wessagussett Beach was once again a popular part of our program under the supervision of American Red Cross Small Craft Instructors Kevin Mahoney, Susan DeLuca, Jeanne Mackin and John Beady. Several of our small craft students participated in the Quincy Bay Race Week and finished in the middle of the field. On August 23rd over thirty students from our program put their canoeing and kayaking skills to the test on their trip to the Cohasset Rapids.

American Red Cross Adapted Aquatics Instructors Susan DeLuca and Robert Connolly organized and taught an excellent program for the Handicapped and Exceptional children of Weymouth.

In addition, on July 4th, the staff of Wessagussett and Lake Street Beach combined to run a family day at the beach. The activities included small craft rides for all, relay races on land and sea, and concluded with our always popular Sand Castle Building Contest. This year's 4th of July events attracted dozens of participants and prizes were awarded in various categories.

The summer's activities concluded with the presentation of the annual water shows. "Ghostbusters" and "Winnie the Pooh" were the themes of the aquatic shows. The water show at Lake Street Beach was based on the all time favorite "Winnie the Pooh". The thirtieth annual Wessagussett Beach show featured "Ghostbusters", the characters in the show being portrayed by the students who participated in Park Department programs throughout the summer.

The cast demonstrated swimming, First Aid, lifesaving, C.P.R. and synchronized swimming as part of the show. Awards were also presented at this time to students who had excelled in Weymouth's aquatic program.

The unofficial attendance at Great Esker Park Summer Program was approximately 3,031, which was 111 less than in 1983. This slight drop is due directly to the cancellation of 17 sessions of classes. Of the 17 cancelled, 11 were due to the inclement weather and 6 due to special events, such as W-Day, Senior Citizens Cook-Out, etc.

The attendance figure does not reflect the total year attendance of patrons who use the Park under non supervised activities such as jogging, walking, bird watching, etc. during the off season.

The Sunday family canoeing was again very popular. Participants met at the Park building on Sundays at 1:30 P.M. where they were taken into the Park to a place called Rocky Bottom Pond where they enjoyed an afternoon of canoeing on the Back River.

On maintainance and construction: erosion control using wood chips; mowing of grass around the building; tree pruning; litter pick-up(some 150 trash bags were filled during spring clean-up); forest fire fuel reduction; roadside brush cutting; brush clearing for new fence; drainage work at the Park building parking lot.

This year's staff included six instructors in addition to myself. There were no CETA workers this summer as there have been in previous years.

The summer program for exceptional children grew dramatically in 1984, due to the inclusion of 3-6 year olds in our program. Finances were worked out with Larry Lambros to cover the cost of 2 additional instructors and an increase in the supervisor's pay.

This money reflects funds not spent by the Town to send 3-6 year olds to the summer program at St. Coletta's in Braintree. In the past, the Town has paid approximately \$800.00 per child for this program. This was necessary because we were not accepting children under the age of six. This past summer, we accepted eight children in this age group. This represents a savings to the Town of \$6,400.00, with an outlay of only \$2,700.00.

Consideration should be given to beginning a separate program for the 3-6 year olds if it is determined that their numbers will increase significantly. These children require one-to-one supervision. This past summer we established a rotating assignment list which provided this supervision, but with a staff size of nine and an enrollment of eight children under the age of six, we would not be able to give adequate coverage to many more without seriously neglecting the needs of the older members of our program.

Currently, the Exceptional Program enjoys a very positive public image. We have received many complimentary letters of gratitude and recognition from parents and the public who have observed our program. It is important to see that the program continues to grow and improve. It was thrilling to see the 3-6 year olds become a part of the program after three years of trying. There are all kinds of possibilities for the future if we continue to demand and support excellence.

At this time, the Park Commission would like to express its sorrow at the loss of Thomas K. Rober in October, 1984. A long time volunteer for the Park Police as a radio dispatcher, he will be missed by all.

The following is a record of the number of Park Commission Police cases handled in 1984: General complaints, 69; vandalism, 14; injury assistance, 0; arrests, 11; equalling a total of 94.

For the 5th consecutive year, the Handicapped Program was home-based at the Henley Building in Webb Memorial Park. Many happy days were spent by the children picnicing, playing ball, walking and enjoying the magnificent ocean view in this park. On Tuesday mornings, the children were instructed in arts and crafts by Carolyn Ryan. Carolyn reported promptly each week with a well planned activity. Even with the shortage of materials, Carolyn was able to conjure up special projects which delighted the campers. Instruction was presented in such a personalized manner that each child was able to participate and follow through to completion with a sense of accomplishment. These specialists should be complimented for their endearing ways with the children, enthusiastic attitudes and dedication to duty. The Henley Building is a wonderful resource. Not only is it used as a recreation center, but also as a laboratory for the development of vocational skills. This was demonstrated by Mary Anne Kahler's mini-culinary arts classes and Debbie Allen's seminars on the conversion of scrap material to useful artifacts. Also, Elaine Shea conducted a music appreciation course of favorite camp songs.

Two days each week were devoted to swimming lessons at Wessagussett Beach. All the campers were registered in classes and each received an adapted aquatic certificate. Swimming instruction was given by the Weymouth Park Department Aquatic Staff, who taught the fundamentals of swimming to the children on a group and individualized basis. Their sensitivity in motivating the children is admirable. Also, these instructors made the beach part of Weymouth a success.

On Tuesday afternoons, the Handicapped Program could be found at the East Weymouth Bowling Alley competing in their favorite activity. As always, Kahler's Killers devastated Kalaghan's Crew for a well earned championship. This sport, providing fun and much needed exercise, was made possible through the graciousness of Mr. Hal Larsen. Several times during the summer, the Handicapped Program ventured to Legion Field for tennis instruction. Once again, Joanne Powers did a fine job in adapting the game to suit the needs of the children.

The remaining days of each week occupied by field trips. These included: The Children's Museum, College Pond, Cran World, Paragon Park, Peter's Pond, The Museum of Science and The Thompson Center. The program embarked on several night trips to the Braintree Cinemas, Starland and the Rockland Skating Rink. Special thanks goes to Joanne Powers for her help and presence on some of these trips.

On June 25, 1984, the Commission assigned qualified instructors to supervise fifteen playgrounds for an eight week program.

The annual competitive examination for the playground instructor position was administered to 36 applicants to fill 16 vacancies. The examination was offered on Easter Saturday at East Junior High School.

Leagues were formed for playground competition in baseball, kickball, softball, basketball, soccer and volleyball. Transportation was provided for the traveling teams and the various league champions were awarded trophies.

The Commission acknowledged with gratitude the generosity of the South Weymouth Babe Ruth Baseball League for their matching gift of five thousand dollars used towards the renovation of the Stella Tirrell baseball diamond.

We wish to express our appreciation to the Committees and Departments of the Town for their cooperation and assistance over the past year.

Respectfully submitted,

Richard F. Waite, Chairman

Town of Weymouth 75 Middle Street E. Weymouth, MA 02189 (617) 335-2000

January 28, 1985

Board of Selectmen  
Town of Weymouth  
75 Middle Street  
East Weymouth, MA 02189

Dear Honorable Board:

## Annual Report for 1984

The Conservation Commission held twenty-four meetings in 1984. Twenty-nine Public Hearings were held with the issuance of twenty-nine Orders of Conditions. Also, fourteen Public Hearings for Determinations of Applicability to the Wetlands Protection Act, were held. The Commission has had a heavy workload this past year, often with three or four Public Hearings at a single meeting.

Several serious violations which started in 1983, were finally resolved by legal action in favor of the Commission and the Town by a Court of Law. Perhaps the message conveyed through the news media on the most recent case, will help to eliminate these violations.

A little over a year ago, Charles Katuska assumed the position of Conservation Administrator, first as part-time and later on a full time basis. On November 18, 1984, Chuck informed the Commission that he planned to accept a position in Braintree, for financial reasons. The Commission regrets the loss of Mr. Katuska because he has been a superb asset to the Town in so many ways, too numerous to describe. We all wish him well.

The Commission will present a local non-zoning Wetlands Protection By-Law under the Home Rule Authority to the Town Meeting soon. It was decided recently to delay this to the Annual Town Meeting in order to draw up the Guidelines to expedite the implementation of the By-Law as soon as approved.

The Commission takes this opportunity to thank all Town Board and Departments which have assisted it in its task of regulating the Town's Wetlands. It is our aim to work even more closely with all departments having similar regulatory authority to preserve the natural resources of the Town of Weymouth.

Respectfully submitted,

## ANNUAL REPORT

The 1983-1984 year at "Pond Meadow Park" was highlighted with the completion of our new 2.2 mile bike and jogging path.

The George Cairns & Son Company of Methuen, the low bidder for the job, constructed the bike path along with help from both towns and special efforts from Mr. Joe D'Ambrosio of Braintree's Engineering Department.

The bike path was officially opened on October 14, 1984 with a grand opening celebration.

Several personnel changes took place in 1984 with the resignation of Park Supervisor Robert MacKenzie who took over at Wompatuck State Park. Park Ranger Sean Cleaves was promoted to Supervisor and Chris Folan from Weymouth was hired to fill the Park Ranger's position.

Our first annual fishing derby was held in the spring of 1984 and we look forward to even bigger fish and greater participation in the years ahead.

For the third successive year a summer day camp was conducted by Miss Pamela Irvin. This was sponsored by the "Friends of Pond Meadow Park". Our rangers did not participate in the program but reported that the day camp was booked to capacity and well received by both children and parents.

Our Project Outreach program was completed with a sound and slide presentation which is shown to various community groups and nursing homes throughout both towns.

In order to increase our park ranger's effectiveness in patrolling and policing the park an "All Terrain Vehicle" was purchased. The vehicle enables greater ranger mobility and visibility throughout the park.

Mr. Steve Clements, a new commissioner from Weymouth, was appointed by the selectmen.

1983-1984 was an eventful and productive year for Pond Meadow Park.

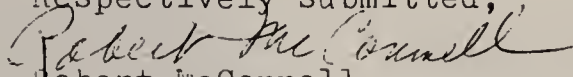

The commission looks forward to the new year with great optimism. Future plans include exercise stations to coincide with the bike path, possible construction of permanent public

rest room facilities and creation of an outdoor educational program.

The Board of Commissioners would like to thank the Boards of Selectmen and various departments for their assistance and support during the past year.

Respectively submitted,

  
Robert McConnell  
Chairman

RMC/jf

## BACK RIVER COMMITTEE

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

75 MIDDLE STREET  
EAST WEYMOUTH, MASS. 02189  
(617) 335-2000

### 1984 REPORT OF THE BACK RIVER COMMITTEE

The Back River Committee focused its attention on a variety of topics relating to the river.

The final phase pertaining to the Area of Critical Concern designation - that of placing restrictions on the marshes bordering the river - was begun by DEQE and CZM in September. This work will be completed in 1985.

The Committee examined the area north of Route 3A. Although this section lies outside of the Area of Critical Environmental Concern (ACEC), its use naturally affects the restricted area. Harbormasters of Weymouth and Hingham addressed the Committee concerning the number of boats and marinas located there. The total number of boats was approximately 1300. Other aspects of this study included the State boat ramp, viable clam flats, and privately owned parcels bordering the river. The Committee noted the problems which have arisen as a result of the Coast Guard removing their markers, and voted to request that they be restored.

The Committee also reviewed the problem of pollution. EPA supplied figures showing that, despite corrections made at the Stodder's Neck Pumping Station, 24 million gallons of sewage overflowed into the river during 1983. These spills occurred during 59.4 rainy days. The Committee will monitor the figures tabulated for 1984 to see if there is an improvement. Also to be checked are all drains emptying into the river, to make sure they all have sedimentary traps which are properly maintained.

1984 saw the completion of needed improvements to the Weymouth Herring Run, which had its best season in twenty years according to Joseph DiCarlo of the Department of Marine Fisheries. The second Annual Herring Run Festival and the Road Race sponsored by East Weymouth Merchants and the Weymouth Park Department were both well attended.

To better protect the public, the new Wildlife Center and its activities, and the wildlife populating the Back River area, the Committee decided to request Selectmen of Hingham and Weymouth to support Town Meeting articles providing the status of Wildlife Sanctuary for the Back River area, and also to prohibit shooting and all other forms of entrapment with accompanying fines. George Dolan of Hingham and Barbara Johnson of Weymouth chair this sub-committee.

The new plans for a regional trash-burning plant at the old Weymouth Incinerator were reviewed, with the Committee submitting to the Weymouth Town Counsel, the DPW, and Power Recovery Systems of Cambridge, recommendations they wished to see included in the contract to be drawn up. These would insure the protection of the Back River and its marshes adjacent to the proposed plant.

Two pieces of good news were received: the donation of eight acres of land on the Hingham side by the Linpo Corporation to preserve the Blue Heron Rookery; and the offer of space at the DEM shipyard headquarters for memorabilia and historical displays pertaining to Back River. David Malone of Hingham will chair this sub-committee.

The Committee was pleased by the interest of the Department of the Interior in the work to preserve the Back River resources. The Department plans to present a Saturday morning workshop early in 1985 for the Committee and all interested board members of Weymouth and Hingham.

The Chairman wishes to thank Committee members, Selectmen of both Towns, and all other boards of both Towns for their continued excellent cooperation.

Respectfully submitted,

Mary F. Toomey, Chairman  
Back River Committee

HERRING RUN COMMITTEE

75 MIDDLE STREET  
EAST WEYMOUTH, MASS. 02189  
(617) 335-2000

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

### REPORT OF THE HERRING RUN COMMITTEE - 1984

According to Joseph DiCarlo, supervisor of herring runs for the Massachusetts Department of Marine Fisheries, the Weymouth Herring Run had its best season in twenty years during 1984.

The majority of necessary improvements were completed, and all worked out well. The steel gate installed in the run at Herring Run Park prevented fish from going up the siphon to their deaths. During early 1985 the Weymouth Vocational School will construct new wooden baffles from lumber provided by the Planning Board. These baffles will replace the old worn ones, and will be removed during the winter season by Robert O'Connor of the Highway Department.

Mr. O'Connor, designated by the Director of Public Works to adjust the water levels and ladders in the run, has done an excellent job, and was complimented by the State Supervisor for his cooperation and ability to keep the water level at the exact height specified.

The second annual Herring Run Festival and the Road Race, sponsored by the East Weymouth merchants and the Weymouth Park Department, were well attended, and showed an increase in public interest in the Herring Run.

The educational program undertaken by the Herring Run Committee continued, as more folders describing the run were printed by the Vocational School. Also, each class in the Pingree and Academy Schools was visited by the Chairman of the Herring Run Committee who explained the value of the run.

There are still many items left which must be attended to by the Committee. Some problems exist in the underground pipe sections of the run which can easily be corrected. Fencing is needed along some sections, the DPW has yet to survey property lines along one end, and there are some dumping problems. Water quality should be tested and drains emptying into the run should be identified and checked for sedimentation traps and maintenance.

Another extremely important point is the general supervision and maintenance of the Run, now that it has been restored. This is not the responsibility of the Chairman, but of a working warden, one who has the time and interest to see that the run is kept up and the fish are protected.

In the past, Weymouth's fish have been taken out of Town without payment to the Town, as is done in other communities. Also the Run was allowed to deteriorate to a deplorable state. This must never happen again. The Herring Run is an amenity to the Town, and a valuable resource for which Weymouth is responsible. It is now time to reassess the responsibilities for the care of the Run, and make sure they are carried out. Now is the ideal time, as much money has been expended, and the Run is in good condition.

The Police Department has shown great concern and is willing to assist and support the warden, but it cannot do the job of the warden. Neither can the Chairman of the Herring Run Committee. The Selectmen must examine methods used by other Towns with large Runs to see how they handle the supervision and enforcement during the weeks when the Run is at its peak. The fish must be protected. Penalties must be enforced. Also, as the number of fish increases and more permits are sold for the taking of fish, the warden must be present at the stated times. This is only fair to the buyers of the permits. Things must be put on a business basis and responsibilities carried out.

I have recently submitted my resignation as Chairman of the Herring Run Committee, as I find that there seems to be confusion between the duties of the Chairman and those of the warden. The Chairman cannot undertake the duties which rightfully belong to the warden.

As Chairman, I have worked with a very fine Committee which has worked hard to restore a good working Run to the Town of Weymouth. The fish are now able to reach

Whitman's Pond - there to spawn and also help to keep the pond clean by eating the algae as nature intended. Without them, the algae will choke the pond and cause it to die. It is indeed to the advantage of the Town that the Herring Run be properly cared for. I sincerely hope that this will be done!

Respectfully submitted, .

Mary F. Toomey, Chairman  
Herring Run Committee

MFT/kmp

**Town of Weymouth**  
ENVIRONMENTAL PROTECTION COMMITTEE  
Town Hall  
Weymouth, Massachusetts 02189

January 11, 1985

The Honorable Board of Selectmen  
Weymouth Town Hall  
75 Middle Street  
East Weymouth, MA 02189

Dear Selectmen:

The Environmental Protection Committee has been in operation for two years after having been defunct for a brief period. Evelyn Gallagher has been active on the Committee for this two year period, serving as Secretary.

The Committee has had three (3) new appointments in 1984. They are; David Kahler, Michael Schleffler and Peter Joseph.

The Environmental Protection Committee is a supportive and advisory Committee to the Town of Weymouth, regarding environmental affairs. It's primary purpose is to support and assist other Town committees in decisions on environmental issues, as well as educate the people of Weymouth on those issues.

The topics which the Committee has addressed include the following:

Residential Hazardous Waste Day

The Committee has been actively involved in the arranging of the first Residential Waste Day which is proposed for May, 1985. Further information may be obtained through the Selectmen's Office.

Material Safety Data Sheets

The Committee has requested that local businesses provide material safety data sheets and submit them to the Selectmen's Office.

Mosquito Control

The Committee drafted recommendations regarding the Equine Encephalitis problem.

Groundwater Protection

The Committee has been working with the Planning Board and the Groundwater Protection Committee in regard to the safekeeping of the Town's water supply.

Proposed Weymouth Incinerator Conversion

The Committee has been working with the DPW on the proposed conversion of our incinerator to a gasification plant. Final approval of this proposal lies with the Town Meeting Members at the Annual Town Meeting in May, 1985.

Respectfully submitted,

David Kahler, Chairman

The Honorable Board Of Selectmen  
Town Hall  
East Weymouth, Ma 02189

Gentlemen:

The Environmental Protection Committee has been in operation for two years after having been defunct for a brief period. Evelyn Gallagher has been active on the committee for two years serving as secretary. The Committee has had three new appointments in 1984. They are David Kahler, Michael Schleffler and Peter Joseph,

The Environmental Protection Committee is a supportive and advisory Committee to the town of Weymouth, regarding environmental affairs. Its primary purpose is to support and assist all committees in decisions on environmental issues as well as educate the people of Weymouth on those issues.

Among the topics we have addressed include:

## Residential Hazardous Waste Day

The committee has been actively involved in the arranging of the first residential waste Day which is proposed for May 1985. Further information may be obtained thru the Selectmens' office.

## Material Safety Data Sheets

Our committee has requested from the business community that they provide material safety data sheets and submit them to the Selectmens' office.

## Mosquito Control

Our committee drafted recommendations regarding the Equine encephalitis problem.

## Groundwater Protection

Our committee has been working with the planning Board and the Groundwater Protection Committee in regard to the safekeeping of the Town's water supply.

## Proposed Weymouth Incinerator Conversion

Our committee has been working with the DPW on the proposed conversion of our incinerator to a gasification plant, final approval of this lies with the Town Meeting members at the Annual Town meeting in May 85

Respectfully submitted, David Kahler, Chairm

## Weymouth Council on Aging

200 MIDDLE STREET • EAST WEYMOUTH, MASSACHUSETTS 02189 • 335-2000

January 1985

To: The Board of Selectmen  
and the Citizens of the Town of Weymouth

Ladies and Gentlemen:

We submit to you the Annual Report of the Weymouth Council on Aging.

The Weymouth Council on Aging continued to increase its services and programs for the town's approximately 10,000 senior citizens in 1984.

With a part time staff of four, a full time director, and over 50 volunteers, the Council on Aging office is open 40 hours a week. While proud of the work being done, the Board and Staff are aware of many more programs and services that could be part of this office and know that, with more space, so much more is possible.

The Weymouth Council on Aging, in the past few years, has become much more prominent and visible. In the spring, Town Meeting voted to make the salary of the director part of the town budget and upgraded that position to S-22 status. Also noted and approved was an increase in the hours of the secretary and a re-classification of that position. It is the hope of the Board of Directors that the townspeople and town authorities will continue to recognize the contributions of the Council on Aging to an important and significant portion of our population - our senior citizens.

Below, please find a brief overview of the Council on Aging from January 1, 1984 to December 31, 1984.

Transportation - Our van is now on the road almost 8 hours a day, not only taking people to medical and dental appointments, but also taking older people to visit loved ones in local hospitals and nursing homes on a seats available basis.

Initial Calls - Since November we have been identifying, through the Town Registry, all residents over 60 and calling thirty people a week to talk about the Council on Aging. Through this program many people have heard of the Council on Aging for the first time, then come in to get ID cards and participate in our activities. Others have been grateful for the call to discuss problems which we have then followed up on. It will take at least three years to complete this project.

New Site Committee and Survey - The biggest single issue for the Council on Aging Board has been a plan to secure new quarters for a Senior Center. The New Site Committee, chaired by Francis Whipple, was formed in September and is readying a comprehensive proposal to present to town authorities. A survey encompassing the opinions of almost 800 older people showed that 100% want a Senior Center and that 47% prefer Central Junior High School as a site with the McCulloch School a close second. 14% of those surveyed said either location would be fine. It is hoped that our next Annual Report will be written from a Senior Center adequate for the needs of a town whose elderly population is 19% of all its citizens - and growing.

Continuing Activities - The Council on Aging continues to regularly offer the following programs and services:

- Daily Drop-In Center
- Blood Pressure Clinic (through the Board of Health)
- Van Transportation
- Painting, Sewing, Knitting Classes
- Information and Referral
- Legal Services Clinics
- Newsletter Publication
- Lecture Series
- Income Tax Assistance Program
- Outreach Program
- ID Cards
- Shopping and Recreational Trips
- Volunteer Corps

Board - The Board of the Weymouth Council on Aging is composed of 13 persons appointed by various town authorities. The Executive Committee is elected by the Board and its officers are Chairman Philip W. Henley and Vice-Chairman J. Francis Martin. The Board meets once each month and is responsible for setting policy and ensuring that the staff, through programs, serves the needs of the older people of Weymouth. Several Board members of the Weymouth Council on Aging also serve on the Board of South Shore Elder Services, the Area Agency on Aging, to ensure that Weymouth's concerns are represented and responded to.

Staff - Our Secretary, Mary Smith, also acts as bookkeeper, office manager, editor and assistant to the Director, and since May has increased her hours to 21 per week. In June, the new position of Volunteer Co-ordinator was established and working 22 hours a week, Gloria Goldberg has organized our volunteer corps of over 50 older people in donating about 250 hours a month to assist other older people and the Council staff. The Outreach Administrator, Connie St. Peter, has resolved many complex problems facing clients including those concerned with housing, SSI and health benefits, and has also organized a Caregiver's Support Group for those living with victims of Alzheimer's Disease. Our Senior Aide, Fran Shaw, works mornings to effectively channel older people's questions to the proper person or agency and in scheduling the numerous van appointment requests we receive. The Director is full time and since August has been Barbara Baker Temple, the previous Director having resigned in June.

Social Day Care - Joint proposals from the Braintree and Weymouth Councils on Aging to open a Social Day Care Center to be located in Braintree, but equally accessible to residents of both towns, were submitted to South Shore Elder Services and the Department of Elder Affairs in October. Attendees will be those victims of Alzheimer's and similar diseases. All indications are that the proposals will be funded and the program operating in the summer of 1985.

Records - Some statistics for 1984 - Units of Service

Drop-In	980
Blood Pressure Clinic	3,399
Information and Referral	5,180
Round Trip Transportation	1,449

In September we instituted a more comprehensive record keeping system that enables us not only to show units of service but also shows the number of individual senior citizens served.

Public Relations - The monthly newsletter of the Council on Aging "Elder Horizons" has a distribution of 3,000. Through this publication we inform senior citizens

about matters of interest to them. In addition, the Director writes a weekly column for the Weymouth News, special announcements can be heard on WJDA, and news releases are regularly sent to The Patriot Ledger. Staff members of the Council on Aging also frequently address civic and professional groups.

Grants - While the Council on Aging employs five people, three of them are supported totally by grants and one is supported partially. Funding from the State Department of Elder Affairs has also added support money for van maintenance and enabled the office to purchase a copier.

1984 was a year of progress for the Council on Aging and 1985 appears to be shaping up as one in which more programs, services and activities will be available to citizens over 60 in Weymouth. Our primary goal of a Senior Center is being supported by many officials, groups, and townspeople and the accomplishment of this goal seems very probable within the next year.

In closing, the Council on Aging wishes to thank the Board of Selectmen and other town officials for their assistance and co-operation in past successes and looks forward to continued support in 1985. We also wish to thank the many volunteers who unselfishly donate hours of service to our programs and activities and, last but not least, we wish to express our appreciation to the thousands of people over 60 in Weymouth who call on the Council on Aging as their first line of defense when problems appear and see us as one part of their hope for a better future.... your confidence in us encourages us to ever strive harder.

Respectfully submitted,

Weymouth Council on Aging

Honorable Board of Selectmen  
Town Hall  
East Weymouth, Massachusetts

Honorable Selectmen:

Submitted is the annual report of the Weymouth Youth Office for 1984. The Youth Office continues to operate on a small minimal budget, but through cooperative programming with other agencies and organizations and federal grants, gives back to the Town thousands of dollars in free services. The Youth Office staff is proud of the services that are offered through the Weymouth Youth Office.

In the following paragraphs, there will be a brief overview of the Youth Office programs.

A. Counseling

This past year the counseling staff spent over 6,120 hours in face-to-face counseling and advocacy work. This service helped families in crisis cope with such problems as; child abuse and neglect, lack of housing and inadequate housing, alcoholism and alcohol abuse, drug abuse, runaways, divorce and separation, death of loved ones, suicide attempts, depression, long term unemployment, lack of self-confidence, alienation, breakdowns in family communication systems, delinquency, pregnancy and sexual identity problems.

In addition to acting as a counseling resource for; the Weymouth Schools, Quincy Court, Hingham Court, Weymouth Police, Coastline Council for Children, Children's Protective Services and Department of Social Services, the Youth Office continues to provide emergency referral services to the South Shore Hospital in cases of adolescent drug and alcohol related crises.

10 Commercial St.  
Weymouth, MA 02189

Tel. 331-1719 or  
335-2000 Ext. 47

## B. Rent-A-Kid

The primary purpose of this program remains the same, that of enabling young people to earn money for work they themselves do, thus encouraging the development of a sound work ethic at an early age. The second purpose is to provide a service to the Town. During 1984, the office has filled odd-jobs for 363 young junior high school and high school age boys and girls. Jobs have required from one to as many as ten workers with the jobs lasting several hours to year round part-time positions. We have helped young people find jobs as babysitters, car washers, housekeepers, yard rakers and mowers, snow shovellers, window washers, and errand runners for the sick and elderly.

## C. Employment Bureau

The purpose of the Employment Bureau is to reach out to young people, age 16 to 25, who express a desire or need to find employment. The job development process involves contacting local businessmen on a personal level and by making complete use of the media by advertising its services to the employers and those seeking employment. In 1984, the Employment Bureau successfully matched over 87 young people with full time and part time employment from local businesses. It should be noted that all of these jobs are in the private, unsubsidized sector.

## D. Volunteer Program

The Volunteer Program finished its seventh full year of operations in the summer of 1984. There were 25 youngsters, ages 11 to 16, who participated in this year's program. These young people donated their services to a local nursing home, programs providing service to the elderly and the Youth Office. Over twelve hundred fifty hours of volunteer time to the Weymouth community were donated by these young people.

## E. Cooperative Programming

Over the years, the Youth Office has had a close affiliation with our senior citizens through our Volunteer Program and the Rent-A-Kid Program. This year the Council on Aging has come to our aid by assisting us with our Special Projects program. They have donated quantities of food, clothing and many volunteer hours toward our Thanksgiving and Christmas programs. We are looking forward to working closely with the Council in the coming year.

## F. Community Education Program

The purpose of the program is to provide a forum of individuals in the community to discuss youth related issues, exchange information, values, feelings and suggestions with each other on how to better understand and improve relations with others.

These community forum groups have directly served over one thousand people who participated in group sessions held in different locations throughout the Weymouth community. These groups discussed a wide range of topics, such as; parent-child relationships, alcohol and drug abuse, marital problems, assertiveness training, stress management, consumerism, rape prevention, women's issues, etc. These parents participating in the groups had on the average, four (4) children in their family, therefore, indirectly 2,000 children derived special benefits from the programs through the participation of the parents.

#### G. Outreach - East Weymouth

The Youth Office Outreach Program continues to serve the youth in the East Weymouth area with a variety of programs designed to meet their needs and develop their character. Participation has been enthusiastic, with large numbers of youth receiving direct service.

Daily and weekly activities include; arts and crafts, tutoring, gym nights, rap sessions, cooking classes, games, dances, parties, and general activities. In addition to the regularly scheduled programs, the youth participated in a number of field trips, such as; a trip to Boston for a Red Sox game, Barnum and Bailey's Circus, an all day outing to Grape Island with the Weymouth Police Department, cookout and break dancing contest in coordination with the North Weymouth Outreach and Christmas Caroling on Bay Shore Cable at the Weymouth Town Hall. Individual counseling and an increasing number of "impromptu" counseling cases remain a prime objective of our Outreach Workers.

A monthly calender is available, stating the hours and services. All Weymouth residents are welcome to attend the activities at the Lakeview Manor Community Center.

At this time, the Weymouth Youth Office would like to thank the Lakeview Manor Tenants Association for their cooperation and assistance during 1984.

#### H. Outreach - North Weymouth

The Outreach Program is now in its second year of operation at the North Weymouth site. Attendance continues at the level of 4,000 per year. Regularly scheduled activities include; pool, ping-pong, games, sports, crafts, parties and theme nights. Large crowds were present for our Halloween and Christmas celebrations, and the North Weymouth Civic Association hosted our first anniversary party. The youth participated enthusiastically in the Youth Office's Christmas project, and enjoyed several joint activities with the East Weymouth Outreach center. A monthly park cleanup was instituted.

Special activities during the year included a six week course in self-defense, an ambulance/EMT demonstration, a blood pressure clinic, and field trips to a Red Sox game, the circus, and the Museum of Science. The Weymouth Police also hosted a day-long trip to Grape Island. This trip helped establish better relations between the police officers and the youth.

The young people continue to take advantage of the services available at the Weymouth Youth Office. Individual counseling and "impromptu" group sessions occur at regular intervals, covering a wide diversity of issues of concern to young people and their families. North Weymouth youth also are involved in Rent-A-Kid and individual counseling at the Youth Office. Making the North Weymouth community aware of programming and services will be one of the priorities for the coming year.

At this time, the Weymouth Youth Office would like to thank the North Weymouth Civic Association for their cooperation and assistance during 1984.

## I. Juvenile Counseling Program - Project REVAMP

The Weymouth Youth Office has taken advantage of the Norfolk Prison - Project REVAMP Program. It is a short term, one-on-one counseling program with specific clients that benefit from exposure to those who have failed to survive in the real world, and now are making every attempt to divert potential failures from following in their footsteps.

## J. Peer Counseling

The K.I.P. (Kids Intervention Program) is a peer counseling program sponsored by the Youth Office. Peer counseling is an attempt at involving young people in helping each other. The K.I.P. training program consists of a 20 hour training course where youths learn "helping skills" such as; problem solving, decision making, communication skills, and active listening. The K.I.P. program is not intended to substitute for what the professional counselor provides. It is more of an opportunity for one youth to offer listening, support and friendship to another youth. And, since the counselors are trained in referral, they can provide a link between troubled youths and the services they are reluctant to approach for help. Peer counseling training is a group experience which is exciting and fun and has a positive impact on the community.

## K. Task Force

The Weymouth Drug and Alcohol Task Force was established by the Weymouth Youth Office after the viewing of "The Chemical People" shown on national television and narrated by the first lady Nancy Regan. It is a group of concerned citizens who are committed to the task of lessening substance abuse by the young in their community. All members are concerned about the health and well being of all children in a society that accepts the use of alcohol and drugs. The Task Force focus is local.

The Task Force is a community action group made up of parents, school personnel, local government officials, and interested citizens. The Youth Office encourages any interested citizen, who would like to fight drug and alcohol abuse, is welcome to join the Task Force.

## L. College Intern Program

The Youth Office continues to supplement the counseling staff through the use of Masters Degree level interns. This program is of reciprocal benefit to both the interns and the Youth Office. The intern benefits through the provision of hands on experience while the Youth Office can expand its counseling service capacity at no additional cost to the Town. The Youth Office can also provide training for staff participating colleges at no cost.

## M. Additional Services

1. Informational and referral services for young people and their families
2. Young people's "AA" meetings
3. 24 hour access to Rape Crisis Unit, District Attorney's Office
4. Consumerism classes - how to shop, cook and getting the most out of our food dollar
5. Consultation with South Shore Hospital regarding Weymouth's young people

6. Assist Weymouth Police with crisis calls
7. Referral agency for Quincy Court Juvenile Diversion Program
8. Referral agency for South Shore Council on Alcoholism

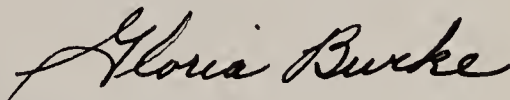

N. Special Projects

The Youth Office hosted a Valentine's party and puppet show for over 100 young people. Easter was celebrated by a very successful Easter Egg Hunt held at Weston Park. It was estimated that close to 500 children attended this event. This year's annual Thanksgiving and Christmas programs were a colossal success. Local organizations, schools, civic associations, businesses, and individuals made generous donations enabling the Youth Office to provide 63 dinners for needy families at Thanksgiving and 208 families received food and toys during the Christmas season.

The Youth Office would like to take this opportunity to thank everyone in the community for their warm hearted support.

The Weymouth Youth Office asserts that young people must be allowed an opportunity to develop certain roles based upon responsibilities, independence and cooperation. Our programming reflects this assertion and the direction, which we have planned to undertake, will encourage young people to become actively involved in positive, productive decision making which promotes effectiveness as adults and community members.

Respectfully submitted,

A handwritten signature in cursive script that reads "Gloria Burke". The signature is written in dark ink and is positioned above the printed name and title.

Gloria Burke  
Director

**TOWN OF WEYMOUTH  
DEPARTMENT OF PUBLIC WORKS**

**1984  
ANNUAL REPORT**

**120 WINTER ST.  
WEYMOUTH, MASS.**

Dear Citizens and Taxpayers:

The Board of Public Works is pleased to present the following Annual Report for your information covering the 1984 calendar year together with approved budget programs for the current fiscal year ending June 30, 1985.

As Chairman of the Board of Public Works I am proud to list some of the progress the Department has made over the past year.

1. The necessary funding was received to virtually complete our master sewer program. This was accomplished with the enormous help received from Rep. Robert B. Ambler's office.
2. The past year saw the institution of the new winter night shift, resulting in a cut in the response time on calls from the Police Department for plowing and sanding from 1½ hours to an average of less than 17 minutes. This cooperation between departments is another step toward our aim of increased efficiency.
3. The first full year of Phase I of the Department of Public Works' reorganization program has shown the fruits of dedication, experience and responsiveness as well as an improved budgeting system, with the end result of less cost to the taxpayers and more efficiency in the Department.
4. A great undertaking by the Department of Public Works, and especially by its Director Frank S. Lagrotteria, working towards the re-opening of the Town's solid waste facility (incinerator), has resulted in a new concept of solid waste disposal by gasification. Hopefully, this will be accomplished at a huge cost savings to the Town by converting municipal solid waste into electricity in an environmentally safe manner.

Other projects, along with the above, that will also be scheduled this year, hopefully to completion, are:

- Commercial Street, from the Hingham line to Jackson Square.
- Elimination of the "S" curve on Green Street at the Shaw Street end.
- Alleviating M.D.C. sewer problems that affects the Town system in certain sections of the Town.
- Resurfacing of the roadways.

In closing, I would remind you that the Board of Public Works has adopted a mythical motto "Service above politics" and it works when decisions are made on the basis of funds available and the ability to produce, with the end result being far more rewarding. Therefore, I, along with the Board of Public Works, Director Frank S. Lagrotteria, and the employees of the Department, commit to you that we will provide the highest quality of service that the budget will allow.

The members of the Board want to thank all the Town Boards and Committees for their cooperation and efforts, as well as the Town Meeting Members, Federal, State and local officials, and especially the support and confidence received from the citizens of Weymouth. We will continue to be responsive to your needs and do everything possible to maintain the services of our Department in the most efficient and economical manner.

Sincerely,

Thomas E. Tanner, Chairman  
Raymond J. Bailey, Vice-Chairman  
Thomas H. Keough, Clerk  
Gerard F. Cullivan  
Donald L. Hanifan  
Jeffrey J. Nourse  
\_Michael J. Sheehan

## ANNUAL REPORT OF THE DIRECTOR OF PUBLIC WORKS

To: The Board of Public Works and  
the Citizens of the Town of Weymouth

Respectfully submitted herewith is the 27th Annual Report of the condition and needs of the Department of Public Works.

Following are updated statistics and reports of the various divisions of the Department, reports on various programs, budget comparisons and appropriations of the past fiscal year and objectives of the Department.

Again the Department accepted the challenge of financial restrictions for the sixth consecutive year - two years with the 4% cap and the past year being the fourth year under Proposition 2½. Although the result was again positive, the regular "house-keeping chores", such as, catch basin cleaning, street sweeping, drainage and street improvements, park maintenance and equipment repair and replacement, to name a few, have not been given the proper attention required. However, the completion of the first year under the new reorganized structure of the Department has resulted in improved efficiency and proved to be a more effective way to better serve and meet the demands of the taxpayers. The greatest impact that the reorganization had was in the uplifting of the morale of the employees, which in effect had an impact on the level of services performed.

The word most commonly used today pertaining to Public Works - National, State and Local - is "infrastructure". Pertaining to the Public Works field, "infrastructure" means the basic facilities, equipment, and installation needed for the functioning of a system; drainage, sewer and water systems, highways, bridges, etc.

With the reconstruction of Commercial Street, from High Street to the Hingham town line, and the proposed elimination of the "S" curve on Green Street, the Master Highway plan, established by the Board of Public Works in 1958, will be completed in 1985. However, from the moment they are built, roadway pavements begin deteriorating. With routine maintenance, a pavement may "ride" well for many years. After a critical point, however, the materials begin to lose their ability to resist water and carry weight. Since many of our roads and streets were built during the building boom of the late 40's and 50's, many of them have passed the end of their design life, depending on how they have been maintained. But age isn't the only problem. The amount of traffic has dramatically increased, effectively shortening the life of the pavements.

With State Aid-Highways Ch. #637, a program of 100% State aid over a two-year period, the resurfacing of our primary roadways began during the past year on Evans Street and portions of Front and Broad Streets. This program will continue into FY'86 with a total of a quarter of a million dollars from the State for this purpose over the two-year period. It is ironic with State aid for local highway improvements that the streets in the worst condition today are State highways; Bridge Street, Park Avenue and sections of Main Street.

The program established in 1980, to resurface streets following sewer installations, will be completed during this next construction season. A breakdown in this report indicates a projected balance of approximately one-half million dollars after completion of the streets scheduled. The Department will seek approval to use this balance to resurface older streets previously sewered but never resurfaced with permanent pavement.

The infiltration/inflow study of the sewer system has been underway since the spring of this year, with a 90% State Grant, and will be completed in February 1985. The study will indicate what improvements, if any, are necessary to the system. Although approval of a 50% State Grant has been received for extension of the final portions of the sewer system to complete the master sewer plan throughout the Town, bids for construction have been delayed by the State pending the solution to the litigation problem of the M.D.C.

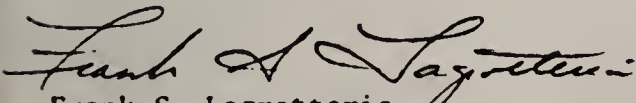

Bids have been received and the contract awarded for cleaning and lining of water mains and bids have been received for new main installations, to complete the distribution system improvements. Both contracts have received State approval for 50% State Grant. Study and design is nearing completion for renovations and new automated control system of the Water Treatment Plant to improve the water quality and it is anticipated that bids will be received early in 1985. This is a two and one-half million dollar project, for which an application for a State Grant has been filed.

With the use of funds from the sale of unused and obsolete equipment, along with additional funds allocated by Town Meeting, the Department was able to purchase new equipment for the first time in 5 years, other than Water and Sewer Division equipment. A study is being made to reduce equipment and still be able to operate properly in order to maintain the same level of service. Much of our most heavily used equipment is 15 years of age or older and it is next to impossible to purchase parts for the maintenance and repair of these vehicles. Our life span of equipment has been too long and, therefore, expensive to maintain. A regular renewal program must be re-instituted to operate more efficiently and be cost effective.

The main issue, in the Public Works field, facing the nation, state and municipalities, is a solution to the solid waste disposal problem. The most commonly used method today, sanitary landfill, has proven not to be the long-term answer to the problem. Anyone in the industry will tell you that the Weymouth incinerator was the most efficient and the cleanest incinerator in operation before the so-called "experts"(?) forced it to close in 1976. These "experts" first establish guidelines that do not make sense and then proceed to enforce the "ridiculous". They never come up with any solutions. Since its closing, this Department has kept the door open to all ideas, new methods and any proposal that has come along to re-open the incinerator. The latest proposal appears to be the best that has been considered, of many, over the past few years. It is an energy resource recovery system that, if it proves to be effective, will be both environmentally and economically sound and solve the Town of Weymouth's solid waste problems for a long time to come. With preliminary approval given by the Special Town Meeting on December 10, 1984, to proceed with studies and agreements, full details and plans will be presented prior to the Annual Town Meeting 1985, with the hope of being on line in early 1987.

Grateful appreciation is extended to the Board of Public Works for their continued support, to all employees in the Department for their continued loyalty, dedication and cooperation, and to all other Town departments for their cooperation during the past year.

Respectfully submitted,

  
Frank S. Lagrotteria  
Director of Public Works

TOWN OF WEYMOUTH

#61-5700 - M&O	\$1,635,622	\$1,582,555	\$1,716,227
#61-5850 - Equipment	38,000	36,751	35,000
#61-5910 - Debt Retirement	358,835	350,835	385,073
	<u>\$2,032,457</u>	<u>\$1,970,141</u>	<u>\$2,136,300</u>

Following is budget comparison of divisional Line Items showing appropriations and expenditures in FY 1984 and appropriations for FY 1985.

Summary of Budget

<u>Line Item Description</u>	<u>Appropriated 1983-84</u>	<u>Expended 1983-84</u>	<u>Appropriated 1984-85</u>
<u>P.W. Administration</u>			
Salaries - Board of Public Works	\$5,800	\$5,783	\$5,800
Salaries - Other	168,865	168,737	195,883
Salaries - Overtime	305	168	321
Longevity	1,200	1,200	1,200
Uniforms and Shoes	9,000	7,638	10,000
Equipment	- 0 -	- 0 -	144,000
Building Maintenance	130,500	127,350	127,900
Other Expenses	10,950	14,324	14,050
Total	\$326,620	\$325,200	\$499,154
<u>Engineering Division</u>			
Salaries	\$209,201	\$178,618	\$204,543
Salaries - Overtime, Regular	6,428	264	5,000
Salaries - Overtime, Snow	1,928	242	2,030
Longevity	1,400	1,900	1,900
Other Expenses	15,600	11,090	15,600
Total	\$234,557	\$192,114	\$229,073
<u>Construction &amp; Maintenance Division</u>			
Salaries	\$916,015	\$853,790	\$890,249
Salaries - Overtime, Regular	25,239	27,723	25,000
Salaries - Overtime, Snow	48,346	49,706	45,000
Longevity	9,000	16,168	16,550
Equipment Repairs	60,370	83,295	75,700
Materials	42,000	22,010	39,000
Bituminous Concrete	- 0 -	- 0 -	- 0 -
Division Functions	16,700	8,228	15,000
Other Expenses	10,300	7,035	9,500
Transfer Station M&O	19,580	16,203	21,300
Collection & Disposal	812,500	812,500	857,500
Transport & Disposal	70,000	79,501	70,000
Total	\$2,030,050	\$1,976,159	\$2,064,799
<u>Snow Removal</u>	\$60,000	\$77,498	\$66,500

<u>Line Item Description</u>	<u>Appropriated 1983-84</u>	<u>Expended 1983-84</u>	<u>Appropriated 1984-85</u>
<u>Sewer Division</u>			
Salaries	\$254,445	\$234,639	\$253,219
Salaries - Overtime, Regular	24,000	20,150	25,500
Salaries - Overtime, Snow	8,000	6,441	8,500
Longevity	3,200	4,375	5,075
Equipment Account	26,000	19,749	43,000
Electric & Pumping Stations	68,000	66,729	77,000
Pensions, Insurance, etc.	64,000	64,068	65,400
Other Expenses	<u>77,100</u>	<u>78,468</u>	<u>78,150</u>
Total	\$524,745	\$494,619	\$555,844
<u>Water Division</u>			
Salaries	\$723,195	\$692,742	\$749,131
Salaries - Overtime, Regular	96,985	76,344	102,125
Salaries - Overtime, Snow	8,900	1,492	9,371
Longevity	6,200	10,617	11,900
Utilities	215,000	177,914	210,000
Chemical & Testing	87,000	90,235	100,000
Materials and Stock	205,000	227,352	220,000
Equipment, Fuel & Maintenance	85,000	88,143	80,000
Engineering & Legal	35,500	78,440	60,500
Pensions, Insurance, etc.	163,201	137,035	163,200
Police & Inspection	9,641	2,241	10,000
Equipment Account	38,000	36,751	35,000
Debt & Interest	<u>358,835</u>	<u>350,835</u>	<u>385,073</u>
Total	\$2,032,457	\$1,970,141	\$2,136,300
<u>TOTAL PUBLIC WORKS</u>	\$5,208,429	\$5,035,731	\$5,551,670

Following is comparison of division totals showing appropriations for FY 1979 through FY 1985.

	1. Appropriated 1978-79	2. 1st Year of 4% Cap Appropriated 1979-80	3. 2nd Year of 4% Cap Appropriated 1980-81	4. 1st Year of Prop. 2½ Appropriated 1980-81	5. 2nd Year of Prop. 2½ Appropriated 1982-83	6. 3rd Year of Prop. 2½ Appropriated 1983-84	7. 4th Year of Prop. 2½ Appropriated 1984-85
Administration	\$396,385	\$321,767	\$361,174	\$312,001	\$309,636	\$304,945	\$498,846 (9)
Engineering	257,875	266,656	273,794	211,495	230,720	234,557	227,430
Construction & Maintenance	1,969,847	1,950,834	2,053,344	1,970,911	2,049,551	2,051,725	2,064,080 (10)
Snow Removal (1)	70,000	56,000	55,500	55,500	60,000	60,000	66,500
Sub-Total	2,694,107	2,595,257	2,743,812	2,549,907	2,649,907	2,651,227	2,856,856
Sewer (2)	259,969	272,404	300,625	374,900	499,708 (3)	524,745 (5)	555,844 (7)

Pending State Grant #92	13,305	<u>159,660.00</u>
<u>PROJECTED TOTAL BALANCE</u>		\$517,626.81

Completed in 1984 - 25,885 l.f. or 4.90 miles.

Certain streets were paved and became eligible for Federal and/or State reimbursements, and, therefore, were paid for under the various sewer contracts. This, along with eliminating \$135,870 previously included for Commercial Street presently being constructed under the Chapter 90 Program, has amounted to a \$463,400 savings to the Town which reflects in the projected balance in the program, as shown above.

SIDEWALK REPAIR PROGRAM

Art. #36 ATM 1980 allocated \$500,000 for extraordinary repair, construction and re-construction of sidewalks in areas of the Town where sewer construction had been or will have been carried out under the accelerated Sewer Program. The funds authorized were not the total amount required to repair and/or resurface all the sidewalks that have been and/or will be affected in the areas involved. Considerations were given to those areas of badly deteriorated sidewalk conditions that create a liability to the Town, areas of heavy pedestrian traffic near squares, churches, etc. and the highest priorities were given to requests and recommendations from the School and Police Departments in those areas affected by the school redistricting.

Streets and areas completed to date:

Academy Avenue	Moreland Road
Alroy Road	Mutton Lane
Belmont/Progress Sts. area	North Street
Blanche Avenue	Oak Street
Bridge Street	Pearl Street
Cedar Street	Pleasant Street
Central Street	Pond Street
Charles Street	Putnam Street
Derby Street	Ralph Talbot Street
East Street	Randall Avenue
Ellen Avenue	Randolph Street
Elm Street	School Street
Front Street	Sea Street
Fuller/Brae Roads area	Shawmut Street
High Street	Unicorn Avenue
Hollis Street	Union Street
Lake Street	Washburn Street
Leslie Avenue	Washington Street
Lincoln Street	Norton Street

Allocated Art. #36 ATM 1980	\$500,000.00
Expended through December 31, 1984	<u>379,638.44</u>
Balance - January 1, 1985	\$120,361.56

Areas to be done:

Bridge Street	Lincoln Square area
Columbian Square area	Ralph Talbot Street
Grant Street	Sea St./ Leonard Road area
Holly Hill Circle	Union Street

Following is an update of the Secondary Drainage Program:

Areas to be done - not listed in any order of priority -

1. Blossom Lane (proposed improvements not practical until dredging of Fore River outfall is done)	\$6,000
2. Cherry Lane (dead-end section)	3,000
3. Fillmore Street	12,600
4. Forest Street (outlet toward King Philip Street)	10,000
5. Front Street (relocate outfall on private property to system in street at Winter Street)	3,500
6. House Rock Road (drain ponding areas in rear yards)	3,300
7. Lakeside Avenue (correct outfall to system in street)	2,200
8. Lee Street (no outfall)	8,000
9. Lorraine Street (connect outfall to system in street)	1,100
10. Middle Street (depressed area at Circuit Avenue)	1,000
11. Phillips Street	4,400
12. Summer Street (remove major outfall from private property)	29,400
13. Sycamore Road (should not be done until Mill River improvements to Hollis Street are completed)	10,000
14. Trafalgar Court (correct outfall with new system in street)	19,200
15. Village Road and Oak Hill Road (new outfall system)	<u>5,500</u>
Total Estimated Funds Required	\$119,200

Corrective drainage was installed during the past year on streets prior to the resurfacing of those streets under the Paving Program.

Of the remaining areas to be done, priority during the next construction season will again be given to those areas scheduled for resurfacing.

Drainage Account - balance - July 1, 1980	\$4,367.21
Additional Funds Voted - Art. #43 ATM 1980	<u>66,000.00</u>
Funds Available - July 1, 1980	\$70,367.21
Funds Expended through December 31, 1984	<u>25,804.53</u>
Balance - January 1, 1985	\$44,562.68

There are many local drainage systems that have outfalled onto private properties for many years without legal easements and/or rights. Areas listed above are such areas and property owners have requested their removal.

MAJOR ARTICLES OF CAPITAL OUTLAY (Excluding Buildings)

Mr. Frank S. Lagrotteria  
Director of Public Works  
Town of Weymouth  
Massachusetts

Dear Mr. Lagrotteria:

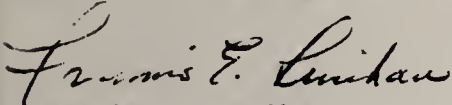

After completing the first full year of the reorganization of the Public Works Department, I am pleased to report that all our expectations seem to have been attained and the Department is functioning as expected.

We have established a policy of trying to answer every complaint received and in cases where something can be done, every effort is made to correct the problem. Also, a system has been established of record-keeping of various functions performed by the Construction & Maintenance Division, such as, brook cleaning, sign replacement, blocked drains, basin cleaning, sweeping, etc. A continuous log, as well, is kept of the emergency crew on the night shift from November through March.

The cooperation of all divisions involved in the reorganization has been more than anticipated, thus giving the supervision the flexibility to move all personnel and equipment to achieve maximum efficiency. There is also an obvious spirit of cooperation among all the personnel which makes for a better understanding of the various tasks undertaken by the Department.

I would like to take this opportunity to thank each and every member of the Department of Public Works for the help extended during the past year.

Respectfully submitted,

Francis E. Lenihan  
Assistant Director

Mr. Frank S. Lagrotteria  
Director of Public Works  
Town of Weymouth  
Massachusetts

Dear Mr. Lagrotteria:

The third annual report as Labor Service Director for the Town of Weymouth is hereby submitted for the calendar year ending December 31, 1984.

During this period, the following were processed and the breakdown is as follows:

Retired	7
Resigned	8
Terminated	1
Deceased	2
Change in Status	0
Promoted	5
Transferred	0
Leave of Absence Request (to accept a non-Civil Service position)	26

Total Labor Service employees: Department of Public Works	86
School Department	71
Fire Department	<u>1</u>
Total	158

Respectfully submitted,

  
Donald R. Carlson  
Labor Service Director

Mr. Frank S. Lagrotteria  
Director of Public Works  
Town of Weymouth  
Massachusetts

Dear Mr. Lagrotteria:

The twenty-seventh annual report of the Engineering Division of the Department of Public Works for the calendar year ending December 31, 1984 is hereby submitted.

A. GENERAL FUNCTIONS 1984

( 1 )	Assessors Transfers Processed	1,986
( 2 )	New Structures & Additions Located & Plotted	292
( 3 )	Building Sill Grades Issued	86
( 4 )	Street & Property Lines Established	25
( 5 )	Easement Boundaries Established	9
( 6 )	Survey Monuments Set	24
( 7 )	New Easement Plans & Surveys	4
( 8 )	Line & Grade - Sidewalks	2
( 9 )	Line & Grade - Sewers	7
(10)	Police Surveys	2
(11)	Traffic Counts	5
(12)	Drain Surveys & Studies	11
(13)	Inspection of Sewer & Drain Construction	6
(14)	Tree Locations	9
(15)	Hydrant Locations	6
(16)	State Highway Opening Permits	6
(17)	New Paving Measurements & Computations	24
(18)	Final Surveys - Sewer & Drains	10
(19)	Microfilming Plans	100
(20)	New Plans Duplicated & Filed	75

B. CONTRACT PLANS, DESIGN AND LAYOUT

( 1 )	Sewer Program	
	Contract 92 (Various Locations)	Bid in 1985
( 2 )	Road Program	
	Contract 28 (Commercial Street)	\$693,507.50
( 3 )	Drain Program	
	Contract 17 (Various Locations)	63,000.00

C. SPECIAL PROJECTS & LAYOUTS

( 1 )	River Street sidewalk & road improvements	(\$208,392.00)
( 2 )	Stella Tirrell Park baseball field for Recreation Department	
( 3 )	Surveys & Easement Plans for Water Division Consultant Engineer	
( 4 )	Highway Division street construction of Linden Place	
( 5 )	Orlando Road Project for Planning Board	
( 6 )	Moreland Road sidewalk construction for Planning Board	

C. SPECIAL PROJECT & LAYOUTS - Cont.

- ( 7) Plans & descriptions for sale of town land
- ( 8) Topo plan at Humphrey Field for Planning Board
- ( 9) Survey, study & design of local drainage problem areas
- (10) Update of Master Plans for Public Works

D. CASH RECEIPTS

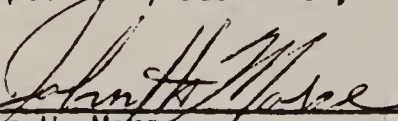

Receipts for sale of Plans, Maps & By-Laws for fiscal year 1983  
& 1984 deposited with the Town Treasurer - \$1,015.32

I would like to acknowledge the staffs special effort in handling the unexpected heavy work load.

The division wishes Phil Tilden who resigned in July after 20 years of service to the Town the best of luck in the future.

We would like to express our appreciation to all the members of the other divisions for their cooperation and continued assistance for the year 1985.

Respectfully submitted,

  
\_\_\_\_\_  
John H. Morse  
Town Engineer

Mr. Frank S. Lagrotteria  
Director of Public Works  
Town of Weymouth  
Massachusetts

Dear Mr. Lagrotteria:

I herewith submit my annual report, as Superintendent of the Construction & Maintenance Division, on work done during the year 1984.

Drainage - Lambert Avenue - 160' of 12" concrete pipe, 150' of 10" concrete pipe, 1 manhole and 2 catch basins.

Linden Place - 205' of 12" concrete pipe and 172' of 12" corrugated pipe, 2 manholes and 2 catch basins.

King Oak Terrace - 175' of 10" concrete pipe and 1 catch basin.

Central Street - 40' of 8" plastic pipe and 1 catch basin.

Westminster Road - 40' of 10" corrugated pipe. Extended pipe to alleviate a problem.

Rear of 120 Lake Street - 30' of 8" plastic and 1 manhole and 1 catch basin - installed to drain a low area created when sewer pumping station was built. Extensive damage was done to the drainage on Humphrey Street by the installation of a new light pole. 40' of 10" concrete pipe had to be laid. 30' of curbing had to be pulled up and re-laid.

The following streets received a one-inch overlay:

Lambert Avenue	Beecher Street
Raleigh Road	Lane Avenue
Revere Road	St. Margaret Street
Twilight Path	Perry Street
Birchcliff Road	Carver Street
Cross Street	Winter Court
Mountainview Road	Hunter Terrace
Alpine Road	Lake Street (partial)
Westminster Road (partial)	Charles Street
Roger Street	Skelly Avenue

All of the Birches area has now been resurfaced. Prior to the resurfacing of these streets, there was a considerable amount of realignment of the gutters and removal of all winter patch. There was also a great deal of work done after the paving, such as, graveling, loaming and seeding. Many driveway aprons and walks had to be installed. Three main roads were resurfaced - Evans Street the entire length; Broad Street from Front Street to Washington Street; Broad Street from Webb Street to Spring Street; Front Street from Washington Street to Summer Street.

Crack sealing was continued this year on Middle Street from Central Square to Hanover Street.

Linden Place was built this year and a base coat of asphalt was laid. This street will be topped next summer.

The sidewalk on Elm Street was resurfaced and a section of sidewalk was added on Lake Street. These had to be backed up with loam and seeded.

This year residents were requested to bag their leaves. Pick up began October 22nd and was completed November 28th. The residents were very cooperative. For 27 days, 3 dump trucks picked up an average of 10 loads per truck per day. Approximately 810 loads were picked up, each load carrying approximately 60 bags, for a total of 48,600 bags. A rubbish packer was also used and it picked up a total of 60 loads. I believe there will be a problem in the near future of disposal of these bagged leaves. Two leaf machines were also put out to clean off sidewalks and gutters. A total of 20 men were involved in the leaf pick up.

The following maintenance work was also continued - patching, sweeping, basin and brook cleaning, installing of street signs, painting of crosswalks, plowing and sanding, grading of the beaches and dirt roads. Due to an early spring snow storm there was a considerable amount of plow damage which had to be repaired.

The Park & Tree section of the Department also had a busy year.

I. Tree Removal

- a.) 136 Diseased Elms.
- b.) 34 Hazardous Maples.
- c.) 19 Elms - Private Contract.

II. Stump Removal

- a.) 47 Removed by Private Contract.

III. All baseball fields and softball fields were loamed and seeded this fall.

IV. Stella Tirrell, Julia, Central and both fields at O'Sullivan were completely rebuilt this year.

V. New Construction

A total of 15 rafts had to be built (both beaches) and 82 repaired.

VI. Miscellaneous

- a.) Insect pest control (Elm, Oak and Birch).
- b.) Clearing land for easements (sewer, drain and water).
- c.) Roadside brush clearing.
- d.) Roadside mowing.
- e.) Poison ivy control on public property.
- f.) Pruning town trees.
- g.) Daily maintenance of Wessagussett and Lake Street beaches.
- h.) Repair, paint and general maintenance of parks and playgrounds.
- i.) Daily maintenance of all ballfields, parks and playgrounds.
- j.) Maintenance of tennis courts for skating.
- k.) Maintenance of all town greens - 57 in all.
- l.) Aided in snow plowing and sanding of sidewalks.

VII. Park Inventory

Key to Remarks

- B.C. = Basketball Courts  
B.F. = Baseball Fields  
S.A. = Skating Areas  
T.C. = Tennis Courts  
S.F. = Soccer Fields
- C.S. = Comfort Stations  
S. = Swings  
M. = Miscellaneous Equipment (slides,  
sand boxes, street hockey)

The contracting for fencing and bituminous concrete now comes under the Recreation Department.

The Transfer Station remains open for paying contractors and is still a losing proposition. Trying to keep ahead of the metal and brush brought in is impossible. It is very difficult to maintain the building and grounds with only 3 men assigned to operate this station. Personnel from the Park & Tree Division are sent down periodically to maintain the grounds and chip brush. There were a few repairs this year -

1 Overhead Door            \$1,400.00    1 Motion Detector            \$125.00

Considerable repairs had been made to the scales at the Transfer Station in the past. A problem developed and an agreement was reached with the company. The necessary repairs were made for a minimal cost of \$800.

Furniture and metal was picked up by the men of the Construction & Maintenance Division from March 8 to end of July.

The Fire Department spent 3 days at the Transfer Station to put out a fire in the leaf and brush dumping area. A bulldozer and backhoe were used, operated by the personnel of the Construction & Maintenance Division.

At this time I would like to thank your office staff, the division heads of Public Works, and all other Town Departments for their help during the year. A special "Thanks" to my Assistant, General Foremen, and all of the personnel of the Construction & Maintenance Division for their full cooperation.

Respectfully submitted,

*Anthony M. Nista*

Anthony M. Nista  
Superintendent  
Construction & Maintenance Division

Mr. Frank S. Lagrotteria  
Director of Public Works  
120 Winter Street  
Weymouth, Ma. 02188

Re: Information for Annual Report of the Superintendent of Sewer Division

Dear Mr. Lagrotteria:

I submit herewith the thirty-seventh annual report of the Sewer Division:

During the period ending June 30, 1984:

0.17 Miles of lateral sewers were installed.

290 Particular sewer installations were completed.

The Division responded to 167 emergency calls for obstructed house services.

1983-1984 COMMITMENTS

Common Sewer Assessments	\$ 50,454.33
Particular Sewer Assessments	227,844.71
1984 Sewer Service Charge Commitments	511,635.00

SEWER ENTERPRISE FUND - REVENUE

Sewer Service Charges	\$450,431.00
Sewer Service Charge Liens	37,846.00
Sewer Assessments	388,723.00
Unclassified Revenue	<u>24,411.00</u>
Total Revenue	\$901,411.00

NEW EQUIPMENT PURCHASED

Aquatech Hydraulic Sewer Cleaner	\$ 15,990.00
One 3 inch GR Diaphragm Pump	1,452.00

FEDERAL and STATE  
SEWER CONSTRUCTION PROGRAMS

GRANT PAYMENTS (received from the inception of the program through June 30, 1984)

Environmental Protection Agency	(Project I & II)	\$7,480,716.00
Commonwealth of Massachusetts	(Project I & II)	1,486,103.00
Commonwealth of Massachusetts	(91-A Final)	332,700.00
Commonwealth of Massachusetts	(91)	563,131.00

## INFILTRATION/INFLOW ANALYSIS

Under WPC-Mass-798, Weymouth has received a State Grant of \$100,121.00 for a Town-wide infiltration/Inflow I/I/ Analysis.

This study now in progress under the direction of Metcalf & Eddy Engineers involves the monitoring of flows in the sewer system and the gauging of ground water levels. On the completion of the I/I Analysis, an intensive program will be instituted to eliminate infiltration and illegal flow into the sewer from private homes and businesses.

## CONSTRUCTION CONTRACTS

### Contract

#91 (State) Celco Const. Corp.	Final Cost	\$1,488,587.00
--------------------------------	------------	----------------

Cont. #91 Celco Const. Corp.	12"	24'
Private Developer	Pine Street	115'
Private Developer	Todd Lane	440'
Private Developer	Stacey Way	346'
	Total Feet	925'
	Miles	0.17

### TOTAL CONSTRUCTION COMPLETED

Total Linear Feet of Common Sewers Constructed to Date	874,905
Total Miles of Common Sewer Constructed	165.70
Estimated Miles of Sewers to be Constructed	6.30

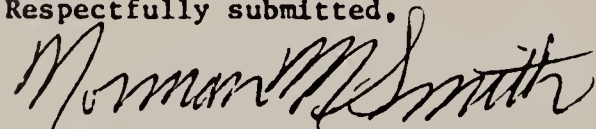

Pumping Stations	11
Ejector Stations	18
Nite-Soil Disposal Station	1
Portable Generators	5

### House Connections Completed

Complete as of July 1, 1983	11,031
Completed through June 30, 1984	290
	11,321

At this time, I would like to extend my sincere thanks to my fellow workers and all town departments who so courteously assisted us in the past year.

Respectfully submitted,

Norman M. Smith  
Superintendent

Mr. Frank S. Lagrotteria  
Department of Public Works  
Weymouth, Massachusetts

Dear Mr. Lagrotteria:

I submit herewith the annual report of the Department  
of Public Works, Water Division.

The following pages are a record of the operation and  
activities of the Water Division for the last twelve  
months.

Respectfully,

A handwritten signature in dark ink, appearing to read "W P Kristnofe". The signature is written in a cursive, slightly slanted style.

William P. Kristnofe  
Superintendent  
Water Division

## 1. 1984 PROGRESS

Proposals being readied for:

- Distribution system upgrading by addition, replacement or cleaning and lining
- Great Pond Water Treatment Plant improvements
- Increasing water distribution system storage
- Flushing of mains continued
- Valve and hydrant program continued
- Watershed forestry program continued

## 2. 1985 PROGRAMS PROPOSED

Replace small mains

Paint water tanks as needed

Continue:

- Installation of remote reading devices
- Gate valve and hydrant program
- Flushing of mains
- Watershed forestry program
- Let contract for replacement of small mains

## 3. HISTORICAL STATISTICS

- a.) Formed in 1825 - a private company "Weymouth Aqueduct Corporation"
- b.) Dissolved by Legislature in 1873
- c.) Reformed in 1883 by Town Meeting
  - 1.) 34 miles of pipe line laid
  - 2.) Reed Avenue tank constructed (replaced in 1970)
- d.) Turned over to newly formed Board of Water Commissioners in December, 1885.
- e.) Turned over to Board of Public Works - 1958

## 4. SOURCES OF WATER

- a.) Weymouth Great Pond Reservoir - 1.01 billion gallon capacity
- b.) Whitman's Pond Lagoon
- c.) Well - Whitman's Pond
- d.) Winter Street No. 1 and No.2, Main Street and Circuit Avenue wells treated through Winter Street Treatment Plant

<u>Designation</u>	<u>Date</u>	<u>Depth</u>	<u>Rating</u>	<u>Head</u>

## ABRIDGED WATER SYSTEM STUDY

### MASTER PLAN 1972 - 1983

On October 17, 1969, the consulting firm Weston & Sampson, was authorized to make the necessary general study concerning the present condition, future projection, and to offer conclusive recommendations for the water system of the Town of Weymouth; an updating of the 1956 general study, the effect of reinforcing, cleaning and lining, the expansion of the water treatment plant, the addition of the Middle Street Booster Station, the addition of the Reed Avenue Tank, Park Avenue Tank, and the Great Hill Tank; the construction of the Washington Street Pumping Station and 20" water emergency trunk line; and also a consideration of a total future population based on the latest zoning map.

In September 1971, the study was completed and delivered to the Town of Weymouth.

It is the intent of the Department to repeat the "Abridged Plan" each year and with the following charts indicate the progress annually.

The Town's ability to follow through on these recommendations will depend upon the financial ability (water receipts) - which in turn is controlled by water use and the water rates charged.

The Master Study projects specific improvements in three phases.

Phase	I - Present (1971) to 1975
Phase	II - 1975 to 1985
Phase	III - 1985 to 2010

It is the opinion of Public Works that the "Time Plan" should read:

Phase I - Present (1971) to 1978 giving certain items in Phase II serious consideration depending upon developments, such as, highway work, possible breakdown, etc.

Phase II - 1980 restudy entire system prior to full development of the recommended Phase II.

The Metropolitan District Commission has been and is suffering certain difficulties and has been making extensive area studies. In the next 8 to 10 years certain of its projects may be advancing that would influence the local approach.

The following will summarize the recommendations as offered by the Weston & Sampson Water Study Report.

WATER SYSTEM STUDY MASTER PLAN - SEPTEMBER 1971

PROGRAM 1972 to 1975-1978

PHASE I - Reinforcing and Cleaning High and Low

High Service Reinforcement

It is also advantageous constructionwise to accomplish this work following sewer installation or other major construction in the particular roadway.

Many of these areas exist in Private Ways. Upon acceptance of Private Ways, the required water improvements are included.

Over the years, considerable capital improvement has been accomplished in this area.

The following chart showing recommendations has been compiled from the Weston & Sampson report data. The chart will also indicate a running progress of construction by the year.

				\$ 258,793.25

*Protect yourself before buying property. Check the records of this department for legal occupancy of, and for complaints against, the property you propose to purchase.*

BUILDING ACTIVITY DURING 1984 CONTINUED TO EXPAND AT A RECORD-BREAKING PACE, WITH AN INCREASE OF APPROXIMATELY 30% OVER THE ALL-TIME HIGH REACHED IN 1983.

AS A RESULT, THE BUILDING INSPECTION DEPARTMENT'S ASSESSED FEES GENERATED INCOME FOR THE TOWN IN EXCESS OF \$73,000 OVER ITS ALLOWED OPERATING BUDGET.

PROPORTIONATE INCREASES WERE FELT IN THE NUMBER OF COMPLAINTS, VIOLATIONS, PROSECUTIONS AND STATUTORY REQUIRED NO FEE ASSESSED INSPECTIONS OF ALL TYPES.

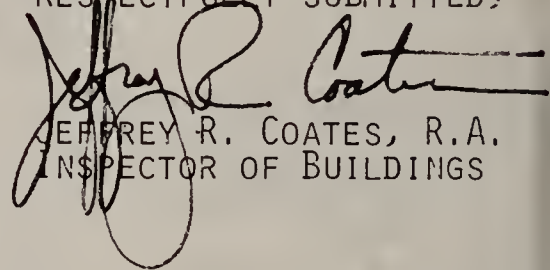

THE CONSEQUENCES OF THIS EVER-EXPANDING DEMAND FOR BUILDING INSPECTION DEPARTMENT SERVICES COUPLED WITH A NON-INCREASING PERSONNEL SITUATION IS FORCING A PRIORITY APPROACH TO OUR ENTIRE AREA OF RESPONSIBILITY.

WITH STATEWIDE ECONOMIC CONDITIONS GROWING INCREASINGLY BRIGHTER, WE ANTICIPATE AN EVEN GREATER SURGE IN ACTIVITY IN ALL AREAS DURING THE COMING YEAR.

WE WISH TO ACKNOWLEDGE THE SUPPORT AND COOPERATION WE HAVE RECEIVED THROUGHOUT THE YEAR FROM THE VARIOUS TOWN DEPARTMENTS, BOARDS AND COMMITTEES WHICH HAVE ASSISTED OUR OPERATION.

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK THE BOARD FOR VOTING MY APPOINTMENT. I LOOK FORWARD TO A LONG HARMONIOUS ASSOCIATION WITH THE TOWN OF WEYMOUTH AND WILL ASSIST THE CITIZENS, THE LOCAL CONSTRUCTION INDUSTRY, AND OTHER TOWN DEPARTMENTS IN EVERY WAY POSSIBLE.

RESPECTFULLY SUBMITTED,

  
JEFFREY R. COATES, R.A.  
INSPECTOR OF BUILDINGS

THE TOWN OF WEYMOUTH  
BUILDING INSPECTION DEPARTMENT

JANUARY 23, 1985

BOARD OF SELECTMEN  
WEYMOUTH TOWN HALL  
75 MIDDLE STREET  
WEYMOUTH, MASSACHUSETTS

GENTLEMEN:

I HEREBY SUBMIT MY ANNUAL REPORT OF THE ELECTRICAL INSPECTION DEPARTMENT FOR THE YEAR 1984 WHICH HAS BEEN A YEAR OF INCREASED WORKLOAD DUE TO THE CONTINUING CHANGES IN ELECTRICAL TECHNOLOGY AND MANY NEW ARTICLES IN THE MASSACHUSETTS ELECTRICAL CODE:

TOTAL FEES RECEIVED.....	\$ 21,065.25
TOTAL PERMITS.....	1,124
TOTAL INSPECTIONS MADE.....	2,700+
FIRE DEPARTMENT REPORTS AND INSPECTIONS.....	36
STATE AND LOCAL MEETINGS.....	36

THE EVER-CHANGING TYPES OF CONSTRUCTION IN THIS INDUSTRY REQUIRES CONTINUAL SUPERVISION OF THE NEW PEOPLE IN THE FIELD. I RECEIVE MANY CALLS AT MY HOME ON WEEKENDS AND EVENINGS.

I WOULD AGAIN SUGGEST THAT A PART-TIME ASSISTANT WIRING INSPECTOR BE CONSIDERED TO ENABLE ME TO PROCESS THE BACKLOG OF PERMITS AND THE ADDITIONAL NEW PERMITS THAT WILL BE GENERATED.

I WOULD LIKE TO COMMEND THE BUILDING INSPECTION DEPARTMENT STAFF FOR AN OUTSTANDING JOB UNDER TRYING CONDITIONS. I WOULD ALSO LIKE TO EXTEND MY APPRECIATION TO ALL OTHER DEPARTMENTS AND BOARDS FOR THEIR HELP AND COOPERATION THIS YEAR, AS ALWAYS.

RESPECTFULLY SUBMITTED,

*Edward P. Jensen Sr.*  
EDWARD P. JENSEN, SR.  
INSPECTOR OF WIRES

*Protect yourself before buying property. Check the records of this department for legal occupancy of, and for complaints against, the property you propose to purchase.*

BUILDING INSPECTION DEPARTMENT

JANUARY 24, 1985

BOARD OF SELECTMEN  
WEYMOUTH TOWN HALL  
75 MIDDLE STREET  
WEYMOUTH, MASSACHUSETTS

BOARD MEMBERS:

I RESPECTFULLY SUBMIT MY ANNUAL REPORT ON THE ACTIVITIES OF THE PLUMBING/GAS INSPECTION DIVISION OF THE BUILDING INSPECTION DEPARTMENT FOR THE YEAR 1984.

THE PAST YEAR HAS BEEN ANOTHER BUSY YEAR FOR THIS DEPARTMENT WITH THE INCREASE IN NEW CONSTRUCTION AS WELL AS THE REMODELING AND ADDITIONS TO EXISTING BUILDINGS CONTINUING AT AN EVEN GREATER PACE THAN THE PREVIOUS YEAR.

933 PLUMBING PERMITS WERE ISSUED FOR TOTAL FEES OF \$18,227 AND 438 GASFITTING PERMITS WERE ISSUED FOR TOTAL FEES OF 2,776 RESULTING IN ANOTHER INCREASE IN THE NUMBER OF INSPECTIONS AND RECEIPTS FOR THE PLUMBING/GAS DEPARTMENT.

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK THE BOARD AND THE VARIOUS EMPLOYEES OF THE TOWN FOR THE COURTESY AND COOPERATION EXTENDED TO ME DURING THE PAST YEAR.

RESPECTFULLY SUBMITTED,

CHARLES A. JONES  
PLUMBING/GAS INSPECTOR

EAST WEYMOUTH, MASS. 02189

335-2000

DEPT. OF VETERANS' SERVICES

WILLIAM F. CROSS, JR.

Veterans' Agent

January 10, 1985

Honorable Board of Selectmen  
Town Hall  
Weymouth, Ma.  
Margaret Goudy, Chairman

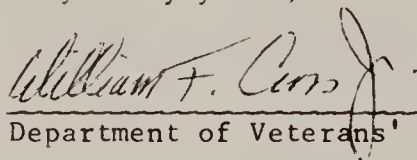

Dear Mrs. Goudy:

Following is the report of The Department of Veterans' Services for the year ending December 31, 1984.

The Department of Veterans' Services has had another very busy year of assisting Weymouth veterans and their dependents through many various problems and situations. As in past years we were able to help many citizens of Weymouth with their fuel assistance applications by working very closely with the Community Action Program in Quincy. We also worked with the Social Security, Veterans' Administration, Medicare and Medicaid Programs to insure that the veterans we assist receive all the benefits that are available to them.

I take this opportunity to extend the thanks of this Department to all Town Departments for their continued cooperation during the past year.

Very truly yours,

AGENT

Department of Veterans' Services

# Weymouth Veterans Council

75 Middle Street  
East Weymouth, Massachusetts 02189  
(617) 335-2000

January 10, 1985

Honorable Board of Selectmen  
Town Hall  
Weymouth, Ma.  
Margaret Goudy, Chairman

Dear Mrs. Goudy:

The following is a combined report of the Memorial Day and Veterans' Day Parades and Exercises.

Memorial Day was held on May 28, 1984 and the parade and exercises were attended by a large number of Weymouth citizens. The welcoming address was given by Margaret Goudy, Chairman of the Board of Selectmen. Captain James R. Titus, Commanding Officer of the South Weymouth Naval Air Station was the guest speaker and gave a very interesting speech.

A wreath was placed in the water off Wessagusset Beach in honor of all veterans that were lost at sea. A wreath was also placed in the State House in honor of our Medal of Honor Holders, William Seach, Ralph Talbot and Eldon Johnson.

Veterans' Day was held on Sunday, November 11, 1984 under threatening skies that did interrupt the exercises so that we had to move into the auditorium of East Junior High School to complete them. A very good turnout of Weymouth citizens attended the program even though the weather was threatening. The welcome address was given by Margaret Goudy, Chairman of the Board of Selectmen. The guest speaker was Captain James R. Titus, Commanding Officer of the South Weymouth Naval Air Station. The Weymouth Veterans' Council invited Henry Gibbons, Chairman of the Weymouth Lodge of Elks Veterans' Committee to give a talk on the Weymouth Elks, once again being named the Number One Lodge in the United States for their continued efforts in behalf of the veterans that are hospitalized in our V.A. Hospitals.

The Weymouth Veterans' Council thanks everyone for their support in 1984 and looks forward to the future success of our community in showing our appreciation to our veterans.

Very truly yours,

*James P. Kelly*, Chairman

## WEYMOUTH HISTORICAL COMMISSION

WEYMOUTH, MASSACHUSETTS

### WEYMOUTH HISTORICAL COMMISSION

#### ANNUAL REPORT - 1984

The number of requests and inquiries for historical and genealogical information in 1984 were on a par for the number seeking information in 1983. The Commission works closely with the Weymouth Historical Society in responding to these requests. All genealogical and general historical requests require extensive research in the files and records of the Historical Society. Information relative to old houses and property in Weymouth involve detailed research of Town records, maps and old deeds and visits to the Registry of Deeds in Dedham.

The historic model diorama depicting the 362 year history of Weymouth was moved from the North High School to the Museum in the Tufts Library on Broad street, under the custody of the Weymouth Historical Society. The need for better security, maintenance and accessibility to the public, dictated the move.

Respectfully submitted

PERSONNEL BOARD

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

EAST WEYMOUTH, MA 02189

January 14, 1985

The Honorable Board of Selectmen  
Town of Weymouth  
Massachusetts

Gentlemen:

The Personnel Board herewith submits the Annual Report for the year ending December 31, 1984.

The Personnel Board conducted fourteen official meetings during 1984. The 1984 Annual Town Meeting approved 5 reclassifications and 3 new positions in the Department of Public Works as a result of the departments Reorganization Plan; also approved reclassification of Director of Council on Aging and Secretary/Council on Aging.

Many requests for reclassifications were received during the year from various departments, namely Police, Health, Planning Board, Veterans', Park & Recreation and Dog Detention Center. In view of this, the May 5, 1984 Annual Town Meeting voted the sum of \$14,000 and directed the Personnel Board to hire a consulting firm to review and make recommendations and changes to be presented at the next Special Town Meeting--said changes to be effective and retroactive to July 1, 1984, for all non-union personnel, excluding the School Department, but including the Tax Collector, Town Clerk, Town Treasurer, Police Chief and Fire Chief.

The Personnel Board retained the services of Towers, Perrin, Forster & Crosby, Boston, Massachusetts, to conduct the Salary Administration Study. The Board met with the consultant during July, August and September to evaluate each of the non-union positions based on a factor by factor comparison. Once positions were slotted, appropriate grades were assigned. The consultant then compared benchmark positions against the salary survey data that was utilized for comparison. Positions were assigned salary ranges and the Board reviewed the positions and ranges for necessary adjustments. The final report and recommendation was made at the Special Town Meeting December 10, 1984 and the new Classification & Compensation Plan was approved by Town Meeting.

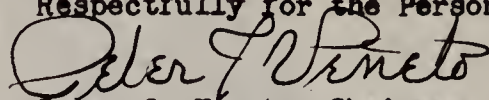

(continued)

John O'Connor was appointed to fill vacancy created by resignation of Richard LeFebvre. Mr. O'Connor was appointed to the Capital Budget Committee thereby rendering his resignation and Kathleen Cicchese was appointed to fill vacancy.

The Personnel Board wishes to thank all officials and department heads who assisted the Board throughout the year.

Respectfully for the Personnel Board

Peter J. Veneto, Chairman

Chief  
mes F. Connor

Town of Weymouth  
Fire Department

636 Broad Street  
East Weymouth, MA 02189  
Telephone: 337-5151

January 10, 1985

The Honorable Board of Selectmen  
Mrs. Peg Goudy, Chairman  
Town Hall  
East Weymouth, Massachusetts 02189

Honorable Board:

During 1984 the fire department responded to three thousand two hundred eighty five alarms listed as follows:

Private Dwellings -----	406
Apartments and Condos -----	280
Public Assembly -----	5
Educational -----	11
Hospitals, Nursing Homes -----	24
Stores and Offices -----	18
Industrial -----	7
Storage Structures (Barns, Garages) -----	14
Other Structures (Buildings under construction) -----	14
Highway Vehicles -----	119
Boat -----	1
Fires in Grass, Brush and Wildland -----	526
Fires in Rubbish and Dumpsters -----	90
All Other Fires -----	72
Total Alarms for Fires ---	1587
Medical Aid Responses -----	188
False Alarms -----	307
Mutual Aid Responses -----	55
All Other Responses -----	1148
Total for All Incidents --	3285

In the past year the department made 2288 inspections, including dwellings, apartments, schools, hospitals, nursing homes, mercantile buildings, public assembly buildings, flammable fluid storage, flammable gas storage, oil burner installations, fuel oil tank trucks, fireworks displays, blasting operations and home smoke detectors.

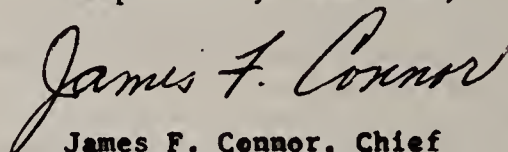

There has been a concerted effort by the department to have all residential units within the Town of Weymouth protected by smoke detectors. During the past year 1005 dwelling units were inspected and certificates of compliance with the smoke detector requirements of Mass. General Law, Chapter 148, Section 26F were issued. The results of this effort are starting to show by a substantial reduction in the annual fire loss.

This year the department has concentrated on improving its capabilities to handle the major problem of the eighties for the fire service, hazardous material incidents. The departments hazardous material officer, Deputy Chief Francis P. Bevacqua, attended an advanced four week program in handling hazardous material incidents at the United States Fire Academy at Emmitsburg, Maryland. Members of the department have been trained in a two phase program in the handling of hazardous material incidents, the first on theory and equipment familiarization and the second the hands-on training with the equipment on the Metrofire Hazardous Material Support Unit.

There were three retirements from the department in 1984, Deputy Chief Gerald K. Hackett, after 32 years of service, Lieutenant James H. Boudreau after 34 years and Firefighter John J. Harding after 27 years. The department would like to extend its appreciation to these men for their many years of dedicated service.

I would like to thank the members of the Board of Selectmen for their support during the past year.

Respectfully submitted,

A handwritten signature in cursive script that reads "James F. Connor".

James F. Connor, Chief  
Weymouth Fire Department

# WEYMOUTH POLICE DEPARTMENT

Thomas J. Higgins  
Chief of Police

1393 Pleasant Street  
East Weymouth, Massachusetts 02189  
617-335-1212

Honorable Board of Selectmen  
Weymouth Town Hall  
75 Middle Street  
East Weymouth, Massachusetts

Gentlemen:

I hereby submit the following activities and accomplishments of the Weymouth Police Department for the year 1984.

I am pleased to report that serious crimes have declined again this year as our records reflect an approximate 15% drop over the previous year. Unfortunately, this has been off set by an increase of approximately 7% in calls for service which includes minor offenses such as youth disturbances and calls for assistance.

Our most pressing problem during the previous year was the success of the Police Association and the Town to reach a contract settlement. On December 10, 1984 a contract was signed by both parties and with some luck a contract will be signed soon with the Superior Officers who have now formed their own separate bargaining unit.

The most unsettling incident for the department in 1984 was the out of court settlement of a \$100,000 law suit which was the result of an incident in 1981 whereby a 25 year old male prisoner took his own life in a police department cell. Since this incident we have installed closed circuit T.V. monitors on the cells and this is working out extremely well.

Because of this law suit and the increased exposure to Civil Rights law suits by the Town as the result of a Supreme Court decision several years ago, I am hopeful the Town will see fit to secure insurance coverage this year and prevent a reoccurrence of this \$100,000 loss we have just experienced.

This department still places a very high regard on training and as the Town continues to recover from the effects of Proposition "2 $\frac{1}{2}$ " we plan to expand our training. Failure to maintain an acceptable level of competence by department personnel exposes the Town to a form of Civil Rights liability and failure to support an expanded training policy could be costly to the Town in the future.

As the result of Federal Block Grant Funds the Town received in 1984 this department expanded its motorcycle patrol program by assigning a third machine to the force, one of which is assigned to night patrol in the Garofalo Road and Lakeview Manor Housing developments. This highly visible

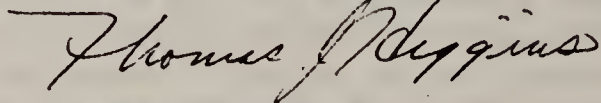

concept of patrol is working out very well and hopefully in the future we will expand this program as it seems to be a happy medium between foot patrols which were discontinued in 1981 and the motorized patrols whereby the automobile is the exclusive means of police patrol.

Unfortunately I must report the service related injury problem is still very much alive and we presently have eight men out injured. Two of these men are in their ninth year of injury leave and are still collecting full salary. Needless to say I am very disappointed at this blight on our department and I do not expect this problem to change until the law is amended to include safeguards so as to correct this serious problem.

Although I have only touched on a few of the issues which effect your police department I feel 1984 was a progressive year and I look forward to 1985 for further improvements.

I wish to thank the Board of Selectmen for their support and assistance throughout the past year and to all members of this department for their cooperation during the past year.

Respectfully submitted,

A handwritten signature in cursive script that reads "Thomas J. Higgins". The signature is written in dark ink and is positioned above the printed name and title.

Thomas J. Higgins  
Chief of Police

The Board of Health  
Town of Weymouth  
402 Essex Street  
Weymouth, MA 02188

Dear Ladies & Gentleman:

Below herewith is the annual report for the Board of Health for the calendar year 1984.

I take advantage of this opportunity and do hereby dedicate this report to my predecessor, Vincent J. Freitas, who retired in 1984. I know that I speak for the entire staff and the Board as well in expressing gratitude for ten years of well done service. Freitas was instrumental not only at the Town level, but was also responsible for beginning changes in state regulations as well. Many of Mr. Freitas' regulations have been adopted nearly verbatim in other municipalities. The re-capitulation of ten years' worth of his accomplishments would be a lengthy and impressive list. Let it suffice to say that there is likely no other individual who has done as much in so short a time to improve the compliance with health laws as Vincent J. Freitas. With sincerest good wishes we wish him a great future.

In taking up the continuance of his work, I am a lucky man to inherit the wonderful and capable staff he has assembled.

In 1984, Weymouth joined the Norfolk County Mosquito Control Project as soon as funds became available.

The inspectional division has continued in code enforcement in housing, food service, nuisances, smoke alarms, asbestos treatment, illegal dumping, bathing beaches, semi-public pools, whirlpool baths, etc.

The enforcement of health law sometimes leads to court action and 1984, as in the previous decade, the Health Department has shown a perfect track record in the court: every court case of 1984 has inevitably resulted in compliance with the health law.

I expect that Weymouth will be well served in 1985. The Board of Health and their staff continue working towards a better quality of life for all the Town.

The breakdown of services rendered by the divisions follows:

Total Inspections & Investigations	2,125
Complaints Investigated	253
Occupancy Permits Granted	409
Occupancy Permits Denied	175
Rat Complaints	28
Cesspool Complaints	24
Dwelling Units Condemned	17
Dwelling Units Condemnation Lifted	5
Septic System Construction/Repair Permits	4
Public Beach Water Testing (Town Beaches)	28
Semi-public Pool Water Testing	221
Food Establishment Inspections	686
Motel/Trailer Park Inspections	10
Mobile Food Service Inspections	11
Administrative Hearings	28
Court Appearances	62
Board of Health Hearings	8
Sanitary Landfill Investigations	18
Burial Permits Issued for Funeral Directors	733
Dog Bites Reported	84
Phone Calls received at Board of Health Office (All matters)	12,872
Receipts from various Licenses Issued	\$14,625

#### Public Health Nurses Report

##### Communicable Diseases:

Gonorrhea .....	29
Syphilis .....	1
Chicken Pox .....	12
Meningitis .....	8
Salmonella .....	14
Encephalitis .....	1
Hepatitis .....	7
Tuberculosis .....	6
Streptococcal Infection ...	14
Giardia Lamblia ....	1
Campylobacter .....	1

##### Flu Vaccine Program

1,330 people immunized with Flu Vaccine at two (2) public clinics on October 20 & 27, 1984.

4,000 doses of flu vaccine administered to Nursing Homes.

10 people immunized at the Board of Health Office.

26 residents of Whitaker Rest Home administered by Board of Health Nurses.

34 people immunized in homes as requested by physicians.

1,800 doses of flu vaccine administered & distributed by Weymouth Board of Health.

All records available at the Board of Health Office. No adverse reactions reported.

### Pneumonia Vaccine Program

Pneumonia (Pneumovax) Vaccine Program was made available to the Board of Health through Community Development Block Funds.

245 doses of Pneumovax administered to Town of Weymouth residents.

Anyone having received Pneumovax 23 Pneumonia Vaccine is considered immunized for life. All records available at the Board of Health Office. No adverse reactions were reported.

### Diabetes Screening Clinics

Two (2) Clinics held on February 21 & 22, 1984.

240 tested (total)

14 High Blood Sugar

5 immediate referrals, blood sugar over 300 referred to private physicians.

9 people referred to private physicians for follow-up.

### Tuberculosis Program

561 people Mantoux Tested as required by law including all town employees, school personnel, bus drivers, volunteer aides, food handlers and nursing home employees.

24 people found to be T.B. reactors and x-rayed at Norfolk County Hospital.

### Vaccine Depot

The Town of Weymouth vaccine depot at Olden's Pharmacy is serviced by the Board of Health Nurses. All vaccine is furnished free of charge by the Massachusetts Department of Public Health. The Public Health Nurses must order and pick up the vaccine at Lakeville Hospital, Lakeville, Massachusetts for distribution in Weymouth. The Board of Health nurses submit a monthly usage report to Southeastern Regional Health Office.

Vaccine usage report for 1984:

3,971 polio vaccine

967 measles, mumps & rubella vaccine

3,816 diphtheria, pertussis & tetanus

1,403 tetanus, diphtheria

24 trips to Lakeville Hospital

### Blood Pressure Clinics

Conducted at the Board of Health Office, Town Hall Annex by appointment daily.

Blood pressure clinics at the Council on Aging weekly and for Town Employees at the Town Hall, etc.

6,806 total blood pressures taken.

296 total referred to physicians regarding hypertension.

### Nursing & Rest Homes

Inspections of nursing & rest homes in the Town of Weymouth every three (3) months by the Public Health Nurses to evaluate nursing care. Complaints of nursing care investigated and followed up immediately.

491 total nursing home beds in the Town of Weymouth.

### Health Promotion Program

Home visits	752
Telephone calls	1,520

### Mental Health Program

Home visits	260
Telephone follow up	564

### Day Care Centers

The Public Health Nurses furnish health screening for South Shore Day Care and other day care centers in Weymouth who present problems with contagious diseases.

### Premature Infants & Infants at Risk

Premature infants assesment for hospital payment as prescribed by the Massachusetts Division of Family Service is provided by the Board of Health Nurses.

#### Home visits:

Premature Infants	-	27
Post-Partum (infant at risk)	-	19

### School Immunization Clinics (all Weymouth School Children)

Tetanus, Diphtheria Clinics	-	408 immunized
Measles, Mumps & Rubella Clinics	-	25 immunized
Polio Immunization	-	42 immunized

### Parochial School Health Program

1,297 enrollment. The student population received the same health programs a public school children as is prescribed by Massachusetts Law.

Special programs as follows:

Heights & weights  
Postural Screening Program  
Maturation Program for boys & girls  
Health & Nutrition  
Counseling as requested

### Audio-Visual

Audio-Visual testing done on all parochial school children.

Audio Testing Total	1,164
Vision Testing Total	1,271

Audio Problems	42
Audio Referrals	17
Audio Problems under Rx	25
Consultations	106

All audio problems are followed up with parent contact and physician contact and proper classroom seating.

Vision Problems	53
Vision Referrals	23
Vision Problems under Rx	30
Consultations	95

All vision problems are followed up with parent contact, physician contact and proper classroom seating.

#### Dental Hygienist's Annual Report

January and February 1984

September through December 1984

The Dental Hygienist services ten (10) public and three (3) parochial elementary schools on a regular basis covering grades kindergarten through grade 4. She coordinates and participates in the dental inspections and programs which are a part of the public and parochial school dental health program.

In the fall of 1981, because of Proposition 2½, the dental health program was cut in half. There were 172 defect notices sent home to parents. The Dental Hygienist maintains the dental record on all the children's school health charts. Dental health is a part of the child's total health.

The Dental Hygienist conducts the Crest Program in the third grades in the public and parochial elementary schools. The Crest Dental Health Education Program was rendered to 26 third grades.

Each year, dental health month is February. The Dental Hygienist supplies a poster with an explanatory letter to all classes, kindergarten through grades six in the public and parochial elementary schools. The dental curriculum attempts to expand the students knowledge each year of how they can keep their teeth for a lifetime.

As Director of Public Health, I want to thank all other Department Heads, Commissions and Boards for their cooperation with the Board of Health.

In conclusion, I want to thank the Chairlady, Mrs. VanKeuren, R.N. and Board Members, Mr. Cashman and Mrs. Fuschetti and our Medical Advisor, Dr. Nalband as well as the entire staff for their assistance and dedication throughout 1984.

Respectfully submitted,

*Richard T. Marino R.S., C.H.O.*

ALLAN J. MASISON  
TOWN ACCOUNTANT

75 MIDDLE STREET  
EAST WEYMOUTH, MASS. 02189  
(617) 335-2000

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

January 14, 1985

The Honorable Board of Selectmen  
of the Town of Weymouth  
75 Middle Street  
Weymouth, MA 02189

Ladies and Gentlemen:

Enclosed is the annual report for the Accounting Department.

Due to changes in federal revenue sharing regulations, the town is now required to be audited every year. The Board of Selectmen have hired the firm of Main Hurdman, Certified Public Accountants for a three year engagement.

It has become apparent during the audit process that there is a necessity to improve internal controls in many areas, but most importantly in the area of payroll processing. This situation will be more fully developed when the management letter is received and it is anticipated that a major effort in this regard will be made during the current year.

In accordance with the requirements of the general laws, I certify that I have audited the Treasurer's cash and that his accounts are in agreement with those of the Town Accountant.

Cordially yours,

*Allan J. Masison*  
Allan J. Masison  
Town Accountant

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS  
1984 ANNUAL REPORT

*East Weymouth, Mass. 02189*

DATA PROCESSING STEERING COMMITTEE

The Data Processing Steering Committee was appointed under Article 4 of May 1, 1978 Annual Town Meeting "for the purpose of determining priorities for Data Processing applications." The Committee is made up of representatives of the E.D.P. user departments and its meetings also serve to keep the various departments of the Town familiar with the changes that occur in a very fast-changing technical field.

One of the major occurrences of 1984 was the resignation of the E.D.P. Center director and the rehiring of a former director who had spent a period of time in private industry. These changes, when they occur, cause some disruption in the normal flow of information, but the Steering Committee expressed its support for the rehiring of a director who is familiar with Weymouth equipment and programs.

At the July 27, 1984 meeting of the Steering Committee, Richard Martel, the resigning director, reviewed the progress of the E.D.P. Center and made recommendations for future consideration. The Steering Committee commended Mr. Martel for a very fine professional job and his excellent personal relationships with the various departments. His most notable accomplishment, as recorded in the minutes of the meeting, was the installation of the payroll system which was cited "for its smoothness and thoroughness of implementation."

At the December 6, 1984 meeting of the Steering Committee, Timothy Anderson, the returning E.D.P. director, brought the various departments up to date on the status of applications and projected future goals for the E.D.P. Center. At the same meeting, the Steering Committee also discussed Police Department incident reporting systems and the schedule of the Assessors, who are studying a Real Estate program.

Respectfully submitted: Allan J. Masison, Chairman      David J. Hines, Secretary  
Franklin Fryer  
Walter B. Heffernan  
Frank S. Lagroterria  
James R. Mitchell

January 8, 1985

We have assessed in 1984, upon the motor vehicle and trailer excise, boat excise and estates of all persons liable to taxation, the sum of (\$29,319,744.31), and have committed the same to Walter B. Heffernan, Esq., the duly-elected Collector of Taxes, with our warrants in the due form of law, for the collection and payment thereof, in accordance with the votes of the Town of Weymouth and the Massachusetts General Laws. The total amounts committed are as follows:

Fiscal 1985 Real Estate Tax	24,314,674.01
Fiscal 1985 Personal Property Tax	1,223,641.82
Common Sewer	46,828.68
Particular Sewer	96,422.46
Interest	84,194.89
Sewer Service Charges	49,734.07
Water Liens	263,351.94
1984 Motor Vehicle-Trailer Excise	1,745,047.20
1983 Motor Vehicle-Trailer Excise	1,471,968.24
1984 Boat Excise	23,881.00
TOTAL	<u>29,319,744.31</u>

The Fiscal 1985 Tax Recapitulation form shown on the following pages reflects the classification plan adopted at that meeting; A residential exemption of (\$5,800.) was also adopted.

We would like to thank all Department Heads, Boards and Committees for their help and cooperation and a very special thank you to our staff for their loyalty, cooperation and assistance throughout the year.

WALTER B. HEFFERNAN  
COLLECTOR OF TAXES

75 MIDDLE STREET  
EAST WEYMOUTH, MASS. 02189  
(617) 335-2000

THE TOWN OF  
WEYMOUTH, MASSACHUSETTS

January 4, 1985

To the Honorable Board of Selectmen  
Town of Weymouth  
Massachusetts

Dear Honorable Board:

I am pleased to submit to you, and through you to the citizens of Weymouth, the report of taxes, interest, charges, etc., received by the office of the Collector of Taxes for the twelve-month period beginning July 1, 1983 and ending June 30, 1984.

The collections were made under the authority of several warrants given to the Collector by the Board of Assessors during the twelve-month period and were given to the Treasurer daily.

Sincerely

*Walter B. Heffernan*  
WALTER B. HEFFERNAN

James E. Dwyer	Painter
James A. Goodrow	Maintenance Laborer
Gerald P. Morrison	Maintenance Laborer
Robert D. Palma	Maintenance Aide

GENERAL OUTLINE OF ADMINISTRATION POLICY  
WEYMOUTH VETERAN'S HOUSING PROJECT 200-1

This development was built with the proceeds of bonds of the Weymouth Housing Authority guaranteed by the Commonwealth of Massachusetts.

The first tenants moved in November 1, 1950, and the project was fully occupied by December 1, 1950.

On January 6, 1953, construction was started on sixty (60) additional units which were completed and fully occupied on March 20, 1954, giving this Authority a total of 208 units. Our entire project is contained on approximately eighteen (18) acres of land on both sides of Lake Street, East Weymouth, composed of forty-six (46) buildings. This Authority maintains a Tenants' Association Office and garage as well as maintenance quarters to house personnel and certain types of equipment.

The Lakeview Manor Project came under the control of the Executive Office of Communities and Development on March 21, 1984, and will under-go extensive modernization construction amounting to \$4,800,000.

## RENTS

The rents paid by the tenants are variable or proportional rents, so called because each rent is established as a fixed proportion of the income, and is as follows: 20% of income less deductions, paying partial utilities, 25% if utilities included.

The law (Chapter 200, Massachusetts Acts of 1948) established a preference in favor of low-income Veterans of World War II and provides for an annual subsidy of 6% of the project cost for forty years by the Commonwealth of Massachusetts so that low rents can be charged. The rents, therefore, must be related to the income and family size so that small families with larger incomes will receive less subsidy than large families with small incomes. This principle of charging a rent which is in accordance with the ability of the tenant to pay produces the following results:

1. Makes it possible for the subsidy to be distributed among the tenants on the fair basis of individual need.
2. Makes it possible for families with low-incomes to obtain a larger percentage of their total income for other purposes than would be possible under a fixed rent schedule.
3. With fixed rents all tenants, regardless of income and family size, would receive the same amount of subsidy.
4. The rent charged bears a relationship to the tenants' net family income.

Tenants are ineligible for continued occupancy and are required to move from this project if their income exceeds the new income limits established in 1984.

We now have a tenants association at our 200-1 project who work closely in a harmonious manner with the Weymouth Housing Authority.

## LAKEVIEW MANOR DEVELOPMENT

There are approximately 750 minors in this development, most of whom attend schools in the Town of Weymouth, which are among the finest in the Commonwealth and thus the children are able to obtain the best education available.

Having enough land adjoining our property we have an agreement with the Town of Weymouth which enables them to lease this land for parks and play areas for the children for \$1.00 per year. The playgrounds are supervised and during the summer months are used to a great extent.

Approximately 200 feet from our project, which is available for our children, the town has supplied recreation and a swimming area which is also supervised. Swimming instructions are given free of charge.

As you can see from this report, the Authority not only has made available good, clean and safe housing, but also takes an active interest in the welfare and upbringing of our future citizens.

This project, which is known as "Lakeview Manor", is situated on Whitman's Pond and is attractive to the fisherman and the boating enthusiast.

## HOUSING FOR THE ELDERLY

After seeking, for several years, land that would be suitable for an elderly housing project, the Town of Weymouth gave the Authority a piece of land next to the Central Jr. High School on Broad Street for the building of an eighty (80) unit Housing and Recreation Development. Construction was started in August of 1964, and in August of 1965 the buildings were completed and fully occupied.

The rules and regulations are that one must be 65 years of age or over. Income must not exceed \$14,476 for a single occupancy and \$16,544 for double occupancy, is adhered to and at present there is a long waiting list.

In March of 1966 we went before the Town Meeting requesting permission to construct 76 more units for the Elderly. We were granted this request. Survey for land was taken, locations selected and sub-zoned for residential so an appearance before the Appeals Board was arranged for a variance. In the Acts of 1966 we were granted variance to build multiple dwelling units on this parcel of land. Our second housing for the Elderly has been opened and completely occupied.

Occupancy in Project 667-2 was completed in January, 1969. We still have several hundred applications in our files requesting Elderly apartments. At a special Town Meeting in November, 1968, we submitted an article in the warrant requesting permission to construct a third elderly project 667-3 with 90-100 units. The Town voted to accept the article. This building is located at 25 Water Street, East Weymouth, Ma. The sixty (60) units were fully occupied in February of 1982.

The Elderly tenants pay 25% of their income for rent. The Weymouth Housing Authority will do all in its power to continue to help our Elderly citizens of Weymouth and give them the feeling of independence that is so important to all and also let them know that they are needed in the Town for their counseling and wisdom.

707 STATE RENTAL ASSISTANCE PROGRAMS

SECTION 8 - FEDERAL RENTAL ASSISTANCE PROGRAMS

The ever increasing demand for housing for the elderly prompted the Weymouth Housing Authority Commissioners to take action to alleviate the existing emergency in the town. Special meetings were called and the result was our application for an intermediate program of rental assistance. On August 15, 1969, we received approval of our application for rental assistance.

As a result, a great deal of work was instituted on a crash program. Applications, consultations, signing of leases with tenants and landlords and we were able to submit a list of thirteen (13) applications for approval and on December 23, 1969, we received a check for \$3,129.00. This program started on January 1, 1970. In 1970 we added to our rolls 93 more units on the rental assistance program; again in 1978 21 more units were added.

It should also be noted that the Housing Authority is also participating in M.H.F.A. 707 rental assistance program.

Twenty-three (23) elderly were placed under the M.H.F.A. 707 program beginning in June of 1976 at the Colonial Village Apartments, which is a new facility on Broad Street.

Forty-four (44) elderly and low-income were placed at the Colonel Lovell Apartments, off Pleasant Street, under another M.H.F.A. 707 program which began in June of 1975.

Seventy-five (75) apartments have also been added under the new H.U.D. Federal Program titled Section 8. This is a Federal Rental Assistance Program that was implemented in October of 1976 by an outside Consultant.

Total apartments we now have in the Town of Weymouth on subsidy through the Weymouth Housing Authority are 115-707; 67-M.H.F.A.-707 and 75 Section 8.

This program clearly indicates that if enough effort is put into it, the end result will mean that we have helped people and alleviated a housing emergency in our Town.

## HOUSING AND URBAN DEVELOPMENT

Due to the ever increasing demand for apartments in the Town of Weymouth, we requested aid from a Federal Grant. This grant for a Turnkey Program under H.U.D. was submitted for 200 apartments - 150 for elderly and 50 for low-income. H.U.D. allowed us 70 elderly and 40 low-to-moderate income.

In June, 1972, the Town of Weymouth was awarded a grant from the Department of Housing and Urban Development for 2.8 million dollars.

This was to construct 2 projects - 70 elderly units and 40 low-to-moderate income units. The Weymouth Housing Authority did all in their power to try to select land so we would have a project in each section of the town.

A site for elderly was selected and on January 10, 1974, we initiated occupancy in this 7-story high-rise building on Bridge Street, North Weymouth. This was built under the Turnkey Program and includes 63 one-bedroom apartments and 7 one-bedroom handicapped units.

At 990 Pleasant Street, East Weymouth, we built 8 two-story buildings and a community building. Due to shortage of materials and muddle we did not complete this project until August 14, 1974. It consists of 40 units for low-to-moderate income families.

Both of these projects are now in full occupancy.

The building at Bridge Street houses the Weymouth Housing Authority offices and staff.

## RESOLUTION

CONGRATULATING EDWARD W. OWENS, JR. ON THIS THE OCCASION OF HIS RETIREMENT FROM WEYMOUTH TOWN MEETING WHICH CULMINATES MANY YEARS OF ACTIVE PARTICIPATION IN THE TOWN OF WEYMOUTH. BY HIS OUTSTANDING CONTRIBUTIONS BOTH TIME AND EFFORT HE HAS PROVEN HIMSELF TO BE A MOST FAITHFUL AND COMPETENT PUBLIC SERVANT.

WHEREAS, EDWARD W. OWENS, JR. HAS BEEN A TOWN MEETING MEMBER IN THE TOWN OF WEYMOUTH, MASSACHUSETTS FOR TWENTY-TWO CONSECUTIVE YEARS FROM NINETEEN HUNDRED AND SIXTY-TWO UNTIL HIS RESIGNATION ON DECEMBER TENTH, NINETEEN HUNDRED AND EIGHTY-FOUR; AND

WHEREAS, EDWARD W. OWENS, JR. SERVED AS A MEMBER OF THE WEYMOUTH BOARD OF SELECTMEN FROM NINETEEN HUNDRED AND SEVENTY-EIGHT TO NINETEEN HUNDRED AND EIGHTY-TWO, AND WAS FOR THREE YEARS CHAIRMAN OF THE BOARD; AND

WHEREAS, IN 1978 DURING THE BLIZZARD, EDWARD OWENS TOOK CHARGE AND WAS INSTRUMENTAL IN OBTAINING THE USE OF ADDITIONAL EQUIPMENT FROM UPPER NEW YORK STATE AT A MINIMUM COST TO WEYMOUTH; AND

WHEREAS, IN NINETEEN HUNDRED AND EIGHTY-ONE EDWARD W. OWENS, JR. SERVED AS CHAIRMAN OF THE TASK FORCE COMMITTEE ON PROPOSITION TWO AND ONE HALF; AND

WHEREAS, FROM NINETEEN HUNDRED AND SEVENTY-EIGHT TO NINETEEN HUNDRED AND EIGHTY EDWARD W. OWENS, JR. WAS CHAIRMAN OF THE TOWN ADMINISTRATOR NEED STUDY COMMITTEE; AND

WHEREAS, EDWARD W. OWENS, JR. SERVED AS CHAIRMAN OF THE NORFOLK COUNTY ADVISORY COMMITTEE; AND

WHEREAS, EDWARD W. OWENS, JR. WAS A MEMBER OF THE WEYMOUTH BOARD OF PUBLIC WORKS FROM NINETEEN HUNDRED AND SEVENTY-TWO TO NINETEEN HUNDRED AND SEVENTY-EIGHT, AND WAS CHAIRMAN FROM NINETEEN HUNDRED AND SEVENTY-FOUR TO NINETEEN HUNDRED AND SEVENTY-SIX; AND

WHEREAS, IN 1975 EDWARD OWENS LED A DELEGATION OF TOWN OFFICIALS TO WASHINGTON, DC WHICH ENABLED WEYMOUTH TO CONTINUE TO OPERATE ITS INCINERATOR DURING A FOUR YEAR COURT BATTLE THUS SAVING HUNDREDS OF THOUSANDS OF DOLLARS; AND

WHEREAS, IN NINETEEN HUNDRED AND SEVENTY-TWO EDWARD W. OWENS, JR. SERVED AS A MEMBER OF THE WEYMOUTH CONSERVATION COMMISSION; AND

WHEREAS, EDWARD W. OWENS, JR. WAS CHAIRMAN AND A MEMBER OF THE WEYMOUTH INDUSTRIAL DEVELOPMENT COMMISSION FROM NINETEEN HUNDRED AND SIXTY-TWO TO NINETEEN HUNDRED AND SEVENTY-TWO; AND

WHEREAS, FROM NINETEEN HUNDRED AND SIXTY-NINE TO NINETEEN HUNDRED AND SEVENTY-TWO EDWARD W. OWENS, JR. WAS CHAIRMAN OF THE ZONING BY-LAW COMMITTEE; AND

WHEREAS, EDWARD W. OWENS, JR. WAS VICE-CHAIRMAN OF THE ZONING BY-LAW STUDY COMMITTEE FROM NINETEEN HUNDRED AND SIXTY-SEVEN TO NINETEEN HUNDRED AND SIXTY-NINE; AND

WHEREAS, EDWARD W. OWENS, JR. SERVED AS PRESIDENT OF THE NORFOLK COUNTY TOURIST AND DEVELOPMENT COUNCIL; AND

WHEREAS, FROM NINETEEN HUNDRED AND SEVENTY TO THE PRESENT TIME EDWARD W. OWENS, JR. HAS BEEN A MEMBER OF THE WEYMOUTH DEMOCRATIC TOWN COMMITTEE AND WAS CHAIRMAN FROM NINETEEN HUNDRED AND EIGHTY TO NINETEEN HUNDRED AND EIGHTY FOUR AND WAS VICE-CHAIRMAN FROM NINETEEN HUNDRED AND SEVENTY SIX TO NINETEEN HUNDRED AND SEVENTY-NINE; AND

WHEREAS, EDWARD W. OWENS, JR. SERVED ON THE DEMOCRATIC STATE CHARTER COMMISSION; AND

WHEREAS, EDWARD W. OWENS, JR. DURING HIS TENURE ON THE BOARD OF ELECTMEN AND THE PUBLIC WORKS BOARD HAD ONE HUNDRED PERCENT ATTENDANCE AT THEIR RESPECTIVE MEETINGS; AND

THEREFORE BE IT RESOLVED, THAT THIS SPECIAL TOWN MEETING CONGRATULATES EDWARD W. OWENS, JR. FOR HIS MORE THAN TWENTY-FIVE CONTINUOUS YEARS OF EXCEPTIONAL DEDICATED PUBLIC SERVICE AND HEREBY EXTEND ITS BEST WISHES FOR MANY YEARS OF CONTINUED SUCCESS AND GOOD HEALTH, AND

BE IT FURTHER RESOLVED, THAT THIS RESOLUTION BE RECORDED IN THE ANNUAL TOWN REPORT AND THAT A COPY HEREOF BEARING THE TOWN SEAL BE PRESENTED TO EDWARD W. OWENS, JR.

THANKS FOR A JOB WELL DONE!

## THE TOWN OF WEYMOUTH

### 1984 ANNUAL REPORT

TO: The Honorable Board of Selectmen:

The Permanent Cemetery Commission wishes to report the following:

A number of the town's youth, and in cooperation with the Youth Office were employed to provide care and maintenance of the cemeteries under the control of the commission.

The Town of Weymouth has seven (7) Cemeteries for which it is responsible via the Permanent Cemetery Commission, they are as follows:

1. Elmwood on Union Street
2. Ashwood on Broad Street
3. Alpheaus Bates on Middle Street
4. Waterman on Pleasant Street and Lambert Ave.
5. Old Burial Ground on Pleasant Street
6. Nash Cemetery in Martin's Woods
7. Eliphalet Belchar on Randolph Street

It is the intention of the Permanent Cemetery Commission that the Town of Weymouth will always have the valuable resource of preserving, maintaining, and caring for the historical heritage of our town's cemeteries.

Respectfully submitted,

RUTH L. ROBER, CHAIRMAN  
Permanent Cemetery Commission
